abuse and disasters **The Path of Compassion** Ronald J. Greer, 2018-02-06 Written by a seasoned pastoral counselor The Path of Compassion explores engaging our heartfelt empathy effectively into an attitude of love and acts of kindness The books helps persons of faith to learn the dynamics of compassion as they grow into their deepest and most caring selves It is based on the foundational truths of the scriptures to love God with all your heart with all your soul and with all your mind and to love your neighbor as yourself In three sections Greer explores the loving compassion of the heart soul and mind The Path of Compassion delves into how we mature into ever deepening levels of grace making us more available with spiritual and emotional intimacy The Last Words from the Cross William Powell Tuck, 2013-02-14 The Cross The central symbol of the Christian faith Can a church be an authentic Church and not focus on the cross William Powell Tuck began answering that question in his book The Church Under the Cross and now he leads us into the second part of his answer in his new book The Last Words from the Cross The words of our Lord on the cross have become very memorable These words of Jesus have been designated as the seven last words They are of course more than individual words They are really sentences or fragments of sentences One of these seven words is found in the Gospels of Matthew and Mark Three of them are found in the Gospel of Luke and three are recorded in John No one gospel contains all of them But to me that is a way of authenticating the gospels Each writer drew on what he remembered or considered most important in those moments or what he had heard from others who shared their experiences says Tuck A study of these words gives us His disciples a deeper insight into Jesus thoughts through suffering facing death and what His death meant to Him as He met our need for salvation Rev Tuck further says These words reveal his personal agony his concern for others his forgiving spirit his physical suffering his ultimate trust and faithfulness in the One he had proclaimed Even in his moments of forsakenness he still resisted the temptation to turn away ultimately from God s will or deny the One who led him to this shameful death as he identifies with sinners This book is an ideal study for Lent or at any time for a church that would like to better understand taking up their cross And what church can t benefit from that *Prozac Monologues* Willa Goodfellow, 2025-07-30 She was going to stab her doctor but she wrote a book instead Years later Willa Goodfellow revisits her account of the antidepressant induced hypomania that hijacked her Costa Rican vacation and tells the rest of the story her missed diagnosis of Bipolar 2 how she d been given the wrong medications and finally her process of recovery Prozac Monologues is a book within a book part memoir of misdiagnosis and part self help guide about life on the bipolar spectrum Through edgy and comedic essays Goodfellow offers information about a mood disorder frequently mistaken for major depression as well as resources for recovery and further study Plus Costa Rica If your depression keeps coming back If your antidepressant side effects are dreadful If you are curious about the bipolar spectrum If you want ideas for recovery from mental illness If you care for somebody who might have more than depression This book is for you **Antidote to Trumpism** Luis Bernardo Mercado, 2019-12-09 Antidote to Trumpism is a wide ranging collection of essays meant to help Americans embrace

Les D. Maloney Ph.D.,2021-07-29 This brief sharing of my experiences as an active duty and reserve Army chaplain has been years in the making While there are far more joyful memories than sorrow filled memories the latter are painful and some of them were not comfortable to revisit especially the memories involving families who lost their soldier The time frame for this story is my service as an Army Reserve chaplain from 1991 2013 including over seven years on active duty It has been my observation that a majority of the general public and in fact a lot of military service members do not understand what a military chaplain does other than the insights provided by the TV series M A S H and the character of Father chaplain Mulcahy My hope in publishing this book is that people will gain a deeper insight into and appreciation for the work of military chaplains my brothers and sisters in ministry **The Swiss Cheese Theory of Life** Judith Belmont,Lora

Shore,2012 The Swiss Cheese Theory of Life is a book about Resiliency Using Swiss Cheese as a metaphor for life itself we explore ways to get through the holes rather than get stuck in them Swiss is not like any other cheese and neither are you This book will give you an opportunity to learn quick easy and effective skills that will last a lifetime Take a bite into The Swiss Cheese Theory of Life and experience a new and better way of living right now **Jews and Judaism in 21st**

Century Rabbi Edward Feinstein,2012-08-22 What can we do to repair rewind and reset Jewish time to ensure a thriving existence in the future The generation of the late twentieth century experienced a rupture in Jewish time As a result of our confrontation with Modernity the integration of Jews into the American mainstream the shattering tragedy of the Holocaust and the miraculous rebirth of a Jewish State in the Land of Israel we can no longer look easily to the past for lessons of faith and models of Jewish meaning No longer do we confidently project ourselves into the future So much of what was taken for granted in earlier times is now open to question In this thought provoking book five celebrated leaders in Judaism representing a broad spectrum of contemporary Jewish experience reinterpret Jewish life re envision its institutions and re imagine its future in the shadow of the events of the twentieth century Reflecting on the unique events of this century these eminent scholars assert a shared recognition of human responsibility as the quintessence of God s presence in the world They imagine a new stage in the development of the ancient Covenant a stage in which human beings take responsibility for shaping the Jewish historical experience They explore how that new stage will find expression in the rhythms of Jewish

A Table in the Presence of My Enemies Matthew Wade Umbarger, 2024-06-25 Psalm 23 the most beloved of the Psalms contains a perplexing riddle What can it possibly mean that God prepares a table in the presence of the psalmist's enemies Matthew Umbarger proposes that Psalm 23:5 makes the most sense when read according to its cultural context of prebattle covenant banquets Beginning with ancient Mesopotamian mythology Umbarger traces a conceptual trajectory of the prebattle banquet motif that reaches its zenith in the apocalyptic banquets of Second Temple Period literature and the eucharistic theology of the early church

Homeward Bound Amy Zietlow, Naomi Cahn, 2017-03-08 *Homeward Bound* shows that as family structure becomes more complex so too does elder care and existing institutions and legal approaches are not prepared to handle those complexities As 79 million American Baby Boomers approach old age their diverse family structures mean the burden of care will fall on a different cast of family members than in the past Our current approaches are based on an outdated caregiving model that presumes life long connection between the parents and offspring with the existence of high internal norm cohesion among family members providing a valuable safety net for caregiving Single parent and remarried parent led families are far more complicated fragile and point to the need for increased formal support from the religious medical legal and public policy communities We base our analysis on in depth qualitative interviews with surviving grown children and stepchildren whose mother father stepparent or ex stepparent died Their stories illustrate the profound ways that the caregiving mourning and inheritance process has changed in ways not adequately reflected in formal legal medical and religious tools The solutions center on awareness and preparation providing more support for individual planning for incapacity and death and even more importantly creating legal political and social planning for the graying of America at a time of increasingly complex familial ties
