Management of distributed systems Conclusion **Tutorial, Computer System Requirements** Kenneth J. Thurber, 1980
This tutorial developed over a number of years during an engineering career wherein the author encountered systems design
that appeared to contain no design whatsoever Regardless of design goals processes or requirements it appeared that in
corporate America it was the job of marketing departments to designate the requirements satisfied by the end product This
collection of articles presents a straw man strategy to help avoid ad hoc designs and to answer the questions and develop the
ideas that lead to concrete a priori requirements for systems design **Classics in Software Engineering** Edward
