The Organization of Attachment Relationships Patricia McKinsey Crittenden, Angelika Hartl Claussen, 2003-06-16 This volume first published in 2000 presents a theory on attachment that broadens its range to ages beyond infancy Understanding Behaviour & Development in Early Childhood Maria Robinson, 2010-10-04 Maria Robinson discusses behaviour in a developmental context providing a way of thinking about and understanding behaviour that follows the shifts and changes over time as the baby and young child grow and mature **An Introduction to Family Therapy** Dallos Rudi Draper Rosalind, Rudi Dallos, 2010-05-01 Annotation The third edition of An Introduction to Family Therapyprovides an overview of the core concepts informing family therapy and systemic practice covering the development of this innovative field from the 1950s to the present day The book considers both British and International perspectives and includes the latest developments in current practice regulation and innovation looking at these developments within a wider political cultural and geographical context The third edition also contains A new chapter on couple therapyA new chapter on practice development up to 2009Sections highlighting the importance of multi disciplinary practice in health and welfareLists of key texts and diagrams suggested reading organized by topic and practical examples and exercises are also used in order to encourage the reader to explore and experiment with the ideas in their own practice. This book is key reading for students and practitioners of family therapy and systemic practice as well as those from the fields of counselling psychology social work and the helping professions who deal with family issues Attachment and Sexual Offendina Phil Rich. 2005-12-13 This book provides a broad overview of the literature theory and clinical treatment of attachment deficit It discusses its application in understanding the etiology of juvenile sexual offending as well as implications for treatment Issues addressed include the components of attachment and social connection attachment and the development of personality neurology and attachment the development of social competence and consideration of whether attachment can be learned The Baby In Mind Jane Barlow, P.O. Svanberg, 2009-03-04 Keeping the Baby in Mind builds on the expanding evidence pointing to the crucial importance of parents in facilitating their baby's development and brings together expert contributors to examine a range of innovative psychological and psychotherapeutic interventions that are currently being used to support parents and their infants It not only provides an overview of the many projects that are now available but also makes recommendations for future practice and the way in which children's services are organised. The book brings together interventions and ways of working that can be used both universally to support parents during the transition to parenthood and with high risk groups of parents where for example there may be child protection concerns or parents experience severe mental health problems Each chapter describes the evidence supporting the need for such interventions and the approach being developed and concludes with a description of its evaluation Keeping the Baby in Mind marks a new and exciting phase in the development of interventions to support infant mental health and will be of interest across a wide range of disciplines

from primary and community care to early years and Children's Centre settings The Animated Dad Lorin Shahinian, Leslie Salas, 2024-01-11 The Homer Simpson esque stereotype has been a persistent trope in cartoons since programming aimed directly at children and adolescents began Young viewers are exposed to the incapable and incompetent hapless father archetype on a regular basis causing both boys and girls to expect the bare minimum of fathers while mothers hold the responsibility for all domestic and parenting work Cartoons rely heavily on toxic stereotypes for ratings when in fact healthy representations of fathers are just as successful in maintaining viewership Eleven essays written by scholars from around the world investigate the topic of fatherhood as it is represented in children's animated television shows Main themes that emerge include absent and negligent fathers single fathers generational shifts within families and raising the standard of fathering by creating secure bonds between father and child The authors uncover problematic fathers imperfect yet redemptive fathers and fathers who embody idealized parenting traits through some of our most beloved animated dads This collection demonstrates the impact that media representations of father figures have on young viewers and argues for better The Violence and Addiction Equation Christine Wekerle, Anne-Marie Wall, 2004-08-02 The Violence and role models Addiction Equation is an empirically based book that bridges the relationship between violence and substance addiction with a focus on the overlap of issues It is a groundbreaking collection of contributions by prominent clinicians in the field and the timely chapter s include clinical commentary that identifies and elaborates on points of transfer from theory to clinical Working with Sex Offenders Daniel Wilcox, Marguerite Donathy, Rosie Gray, Clark Baim, 2017-02-03 Working practice with Sex Offenders is a unique book which brings together leading practitioners in the field to provide a comprehensive and up to date distillation of relevant guidance to assist anyone who works with sex offenders. The authors examine topics including assessment treatment supervision and safeguarding Skills and strategies for successful engagement with offenders are a key focus of the book as well as improving understanding of underpinning factors associated with offending and desistance This volume which is derived from well received presentations hosted by the UK's National Organisation for the Treatment of Abusers NOTA over a number of years also offers a detailed examination of individual organisational and societal roles in relation to identifying and preventing sexual abuse in our communities Using case examples throughout Working with Sex Offenders will be essential reading for all professionals involved in the management and treatment of sex offenders Sex Offender Treatment Daniel T. Wilcox, Tanya Garrett, Leigh Harkins, 2014-11-10 Sex Offender Treatment is an innovative case study based guide to the treatment of sexual offenders offering direct access to the insights and experience of experts in the field The book describes case formulations assessment processes and treatment undertaken with specific sexual offender types Takes an innovative case study approach to sexual offender assessment and treatment sharing practical insights and real world experience in a challenging field Coverage is organized by key offender populations and includes bipolar offenders child sexual abusers Internet offenders psychopathic offenders personality disordered offenders

and female offenders This distinctive approach aids trainee and novice workers to recognise key treatment issues and plan and implement courses of therapeutic engagement and intervention to improve offender self control Contributors include Bill Marshall Leam Craig Phil Rich Bill Lindsay and Tony Ward **Developments in Qualitative Psychotherapy Research** Del Loewenthal, Evrinomy Avdi, 2018-08-30 This book examines developments in qualitative psychotherapeutic research It focuses on different methods and aspects of clinical practice. These range from the experiences of service users and clinicians examining in detail different aspects of how therapy gets done in practice to critiquing the politics and ideologies of psychotherapy practice It aims to reflect the diversity that characterises this developing field and to represent practice based research carried out in different clinical settings from different perspectives and in different sociocultural contexts The wide range of research projects presented arise from a network of clinicians and psychotherapy researchers who have established an international transdisciplinary forum for dedicated qualitative research on a range of topics in the field of mental health using a variety of methodologies and theoretical approaches In the spirit of dialogue this book further provides chapters written by key practitioners in the field of qualitative research in mental health discussing these contributions This book was originally published as a special issue of the European Journal of Psychotherapy Counselling Infant Losses: Adult Searches Glyn Hudson-Allez, 2018-05-08 An innovative view of the development of psychopathology and sexual offending In an exciting synthesis of neuroscience developmental and social psychology with forensic and criminal literature it offers a fresh perspective as to the reasons that may precipitate some individuals into violent or sexual offences. The book is written for clinicians of all modalities although its very readable style make it accessible to anyone with an interest in this area

Safeguarding Young People Dez Holmes, 2022-03-21 Focusing on young people and adolescence this book explores the complexity of contemporary adolescent safeguarding It highlights evidence informed practice and innovation in this area at the work serving as an accessible and invaluable resource for all working with and supporting young people facing risk and harm Core themes covered by the book are the nature of harms facing some young people the potential pitfalls of some professional responses and the current legal framework for safeguarding young people where harm occurs outside the family home It includes an overview of adolescent development and argues for a holistic systemic response that addresses the structural disadvantage facing many young people at risk and incorporates participatory and trauma informed practice designed to promote resilience It draws on innovative approaches in local areas such as Transitional Safeguarding to make the case for a person centred evidence informed and rights based approach to safeguarding young people As well as being invaluable to practitioners managers and strategic leaders working in this field this is also ideally suited to be a text for any social work course or professional development programme on adolescent safeguarding practice Treating Young Veterans Diann Kelly, Sydney Barksdale, David Gitelson, 2011-04-22 The editors of Treating Young Veterans and the authors of the individual chapters provide practitioners with essential information about the needs desires and possibilities for veterans
