Organized Crime:

Organized Crime: Culture, Markets and Policies Dina Siegel, Hans Nelen, 2007-12-16 Dina Siegel and Hans Nelen
The term global organized crime has been in use in criminology since the mid 1990s Even more general and abstract than its daughter terms transnational or cross border organized crime global organized crime seems to embrace the activities of criminal groups and networks all around the planet leaving no geographical space untouched The term appears to cover the geographical as well as the historical domain global has taken on the meaning of forever and ever Global organized crime is also associatively linked with globalisation The social construction of both terms in scientific discourse is in itself an interesting theme But perhaps even more interesting especially for academics trying to conduct empirical research in this area is the analysis of the symbolic and practical meaning of these concepts How should criminologists study globalisation in general and global organized crime in particular Which instruments and theoretical luggage do they have in order to conduct this kind of research The aim of this book is not to formulate simple straightforward answers to these questions but rather to give an overview of contemporary criminological research combining international national and local dimensions of specific organized crime problems The term global organized crime will hardly be used in this respect In other social sciences such as anthropology there is a tendency to get rid of vague and abstract terms which can only serve to confuse our understanding In our opinion criminology should follow this initiative

Street Gangs Throughout the World Herbert C. Covey, 2010 This updated and expanded new edition continues the theme of the first edition of emphasizing the substantial growth of street gangs throughout the world Although a substantial amount of research on street gangs has been conducted in recent decades much of it has focused on the United States This book summarizes much of the research being conducted in many other countries where the street gang phenomenon is currently developing which includes poverty the retreat of the state increasing income inequality urbanization population growth exploitation marginalization underground economies

Organized Crime Klaus von Lampe, 2015-07-16 Organized Crime Analyzing Illegal Activities Criminal Structures and Extra legal Governance provides a systematic overview of the processes and structures commonly labeled organized crime drawing on the pertinent empirical and theoretical literature primarily from North America Europe and Australia The main emphasis is placed on a comprehensive classificatory scheme that highlights underlying patterns and dynamics rather than particular historical manifestations of organized crime Esteemed author Klaus von Lampe strategically breaks the book down into three key dimensions 1 illegal activities 2 patterns of interpersonal relations that are directly or indirectly supporting these illegal activities and 3 overarching illegal power structures that regulate and control these illegal activities and also extend their influence into the legal spheres of society Within this framework numerous case studies and topical issues from a variety of countries illustrate meaningful application of the conceptual and theoretical discussion

Introduction to Criminology Frank E. Hagan, 2010-01-15 Introduction to Criminology Seventh Edition is a comprehensive introduction to the

Organized Crime Prayag Sinha, 2025-01-03 *Organized Crime* Global Perspectives provides a thorough exploration of the state of criminal industries both historically and in contemporary times We delve into the factors that have nurtured the culture of organized crime in North America and beyond highlighting the relevance of significant historical events Our book examines the current state of crime in America and addresses the legislative issues surrounding the control of organized crime This piece of non fiction literature serves as a stepping stone for readers interested in further studying the complexities of crime and its associated industries We aim to provide a comprehensive and accessible resource that will enhance understanding of the multifaceted nature of organized crime and its impact on societies worldwide

The ^AYouth Gang Problem Irving A. Spergel, 1995-06-01 Every day there are new stories of gang related crime from the proliferation of illegal weapons in the streets and children dealing drugs in their schools to innocent bystanders caught in the crossfire of never ending gang wars Once considered an urban phenomenon gang violence is permeating American life spreading to the suburbs and bringing the problem closer to home for much of America The government schools social agencies and the justice system are conspicuous by their sporadic interest in the subject and have failed to develop effective policies and programs Existing social support mechanisms and strategies for suppressing violence have often been unsuccessful And state and federal policy is largely nonexistent In *The Youth Gang Problem A Community Approach* Irving Spergel provides a systematic analysis of youth gangs in the United States Based on research historical and comparative analysis and agency documents and the author s extensive first hand experience the work explores the gang problem from the perspective of community disorganization especially population movement and the plight of the underclass It examines the factors of gang member personality gang dynamics criminal organization and the influence of family school prisons and politics as well as the response of criminal justice agencies and community groups Spergel describes techniques used by social agencies schools employment programs criminal justice agencies and grass roots organizations for dealing with gangs and recommends strategies that emphasize the use of local resources planning and collaborative procedures There is no single strategy and no easy solution to the youth gang problem in the United States

There are however substantial steps we can take and they must be honestly and systematically tested Offering a practical and alternative approach to a serious social problem The Youth Gang Problem A Community Approach is a major and long awaited contribution to this dilemma It is required reading for criminal justice personnel school staff social workers policy makers students and scholars of urban and organizational sociology and the general reader concerned with the youth gang problem and how to control intervene and prevent it **Criminology** Gennaro F. Vito, Jeffrey R. Maahs, Ronald M.

Holmes, 2006 Across America crime is a consistent public concern The authors have produced a comprehensive work on major criminological theories combining classical criminology with new topics such as Internet crime and terrorism The text also focuses on how criminology shapes public policy **Global Organized Crime** Mitchel P. Roth, 2017-01-20 In the maelstrom of globalization and cyberspace organized crime continues to defy definition A diverse array of activities is perpetuated by criminal organizations criminal groups and associations and gangs and it is clear that one specific label is no longer adequate This book offers a uniquely global approach to organized crime and the multitude of forces that shape it in the 21st century As well as discussing definitions of and the historical roots of organized crime this book examines various forms of organized crime around the world in the US Mexico Latin America and the Caribbean Russia and Europe Asia and Africa This revised and updated new edition includes coverage of the rise of the Ndrangheta in Italy and their global expansion the impact of drug legalization on organized crime and the problem of methamphetamine organ trading money laundering and animal poaching changes in gang traditions and gangland penitentiaries the decentralization of Mexican cartels the growth of opium production in Myanmar and the drug war in Africa and the advancement of ISIS and the emergence of the Silk Road and the Dark Net This book is essential reading for students engaged in the study of global and transnational organized crime with features including chapter overviews key terms critical thinking questions and case studies Handbook of Criminal Justice Administration M.A. DuPont-Morales, Michael K. Hooper, Judy H.

Schmidt, 2000-09-21 This work addresses perspectives on the judicial correctional and law enforcement components of the criminal justice system including history ethics prevention intervention due process marginalized populations international consequences and demands for professionalism It also examines critical variations in the criminal justice systems of countries worldwide **Organized Crime in Our Times** Jay S. Albanese, 2014-09-25 Organized Crime in Our Times provides readers

with a clear understanding of organized crime including its definition and causes how it is categorized under the law models to explain its persistence and the criminal justice response to organized crime including investigation prosecution defense and sentencing This book offers a comprehensive survey including an extensive history of the Mafia in the United States a legal analysis of the offenses that underlie organized crimes specific attention to modern manifestations of organized crime activity such as human smuggling Internet crimes and other transnational criminal operations and the application of ethics to the study of organized crime **Asian Organized Crime and the Anglosphere** Leo S. F. Lin, 2023-10-16 In this book Asian

Organized Crime and the Anglosphere the author uncovers the multifaceted phenomenon of Asian Organized Crime AOC and its profound impact on nation states with particular emphasis on English speaking countries From the United States and Canada to the United Kingdom to Australia and New Zealand each chapter delves into the intricate dynamics and transnational operations of Asian criminal groups The book explores the diverse responses and strategies employed by these countries shedding light on the categories of AOC ranging from traditional criminal activities rooted in Asian countries to high tech transnational crimes that have rapidly expanded into Western nations Readers will gain insights into the presence and impact of prominent Asian criminal groups operating within the Anglosphere Focusing on national and homeland security implications this book equips professionals students practitioners and academics with the knowledge to understand counter and combat Asian organized crime

Choice and Consequence Thomas C. Schelling, 1984 In Choice and Consequence Thomas Schelling ventures where rationality is ambiguous exploring topics as awesome as nuclear terrorism as sordid as blackmail as ineffable as daydreaming as intimidating as euthanasia He examines ethical issues wrapped up in economics and discloses ethical issues that are misplaced or misidentified

Organized Crime Georgios A Antonopoulos, Georgios Papanicolaou, 2018-02-13 For many people around the world instances of what is described as organized crime may be part of their everyday experience in their neighbourhoods their streets and the places they work and live Policymakers law enforcement and the media rarely fail to bring up the issue when discussing the nature and seriousness of contemporary criminal threats and the appropriate responses towards them Many more people are familiar with the notion of organized crime as the film and TV industry regularly draw on fictional and real figures and situations Organized crime feels like a tangible inescapable issue in today's world In this Very Short introduction Georgios A Antonopoulos and Georgios Papanicolaou uncover the reality of organized crime in our world today Shining a light on the people involved in organized crime Antonopoulos and Papanicolaou question whether the term organized is used to evoke the image the operations and power of a legitimate organization such as a corporation Discussing whether there are particular crimes that the label organized crime applies to or if any crime can be organized they also consider what happens when organized crime extends beyond borders Using examples from across the globe they analyse the different cultural traditions of organized crime such as the Mafia Yakuza and Triads and also the nature of organized crime from arms trafficking and drug dealing to extortion Finally they explore the methods and agencies in place to control and prevent organized crime

Philadelphia's Black Mafia S.P. Griffin, 2005-12-08 Philadelphia's Black Mafia could be used as primary reading in deviance and organized crime courses Academicians in the fields of criminology sociology history political science and African American Studies will find the book

compelling and important This book provides the first sociological analysis to date of Philadelphia s infamous Black Mafia which has organized crime with varying degrees of success in predominantly African American sections of the city dating back to the late 1960 s Philadelphia s Black Mafia is a first step in developing both data and sophisticated theoretical propositions germane to the ongoing study of organized crime uses primary source documents including confidential law enforcement files court transcripts and interviews explores the group s activities in detail depicting some of the most notorious crimes in Philadelphia s history thoroughly examines the organization of the Black Mafia and the group s alliances conspiracies and conflicts challenges many of the current historical and theoretical assumptions regarding organized crime

Organised Crime and the Law Liz Campbell,2013-02-01 Organised Crime and the Law presents an overview of the laws and policies adopted to address the phenomenon of organised crime in the United Kingdom and Ireland assessing the changes to these justice systems in terms of the prevention investigation prosecution and punishment of such criminality While the notion of organised crime is a contested one States legal responses treat it and its constituent offences as unproblematic in a definitional sense This book advances a systematic doctrinal critique of these domestic criminal laws laws of evidence and civil processes Organised Crime and the Law focuses on the tension between due process and crime control the demands of public protection and risk aversion and other adaptations In particular it identifies parallels and points of divergence between the different jurisdictions in the UK and Ireland bearing in mind the shared history of subversive threats and counter terrorism policies It also examines the extent to which policy transfer is evident in the UK and Ireland in terms of emulating the United States in reacting to organised crime

Routledge Handbook of Transnational Organized Crime Felia Allum,Stan Gilmour,2012-03-15 Transnational organized crime crosses borders challenges States exploits individuals pursues profit wrecks economies destroys civil society and ultimately weakens global democracy It is a phenomenon that is all too often misunderstood and misrepresented This handbook attempts to redress the balance by providing a fresh and interdisciplinary overview of the problems which transnational organized crime represents The innovative aspect of this handbook is not only its interdisciplinary nature but also the dialogue between international academics and practitioners that it presents The handbook seeks to provide the definitive overview of transnational organized crime including contributions from leading international scholars as well as emerging researchers The work starts by examining the origins concepts contagion and evolution of transnational organized crime and then moves on to discuss the impact governance and reactions of governments and their agencies before looking to the future of transnational organized crime and how the State will seek to respond Providing a cutting edge survey of the discipline this work will be essential reading for all those with an interest in this dangerous phenomenon

The Encyclopedia of Police Science Jack R. Greene,2007 First published in 1996 this work covers all the major sectors of policing in the United States Political events such as the terrorist attacks of September 11 2001 have created new policing needs while affecting public opinion about law

enforcement This third edition of the Encyclopedia examines the theoretical and practical aspects of law enforcement discussing past and present practices

Mafia Brotherhoods : Organized Crime, Italian Style Freiburg and Lecturer in the Department of Sociology Constance University Letizia Paoli Senior Research Fellow in the Department of Criminology at Max Planck Institute for Foreign and International Criminal Law,2003-10-23 Secrecy is one of the defining characteristics of the Italian Mafia Wiretaps financial records and the rare informant occasionally reveal its inner workings but these impressions are all too often spotty and fleeting hampering serious scholarship on this major form of criminal activity During her years as a consultant to the Italian government agency responsible for combating organized crime Letizia Paoli was given unparalleled insider access to the confessions by pentiti literally repentants former Mafia operatives who had turned This mafia hard core came primarily from the two largest and most influential Southern Italian mafia associations known as Cosa Nostra and Ndrangheta each composed of about one hundred mafia families The sheer volume of these confessions numbering in the hundreds and the detail they contained enabled the Italian government to effectively break up the Italian mafia in one of the dramatic law enforcement successes in modern times It is on these same documents that Paoli draws to provide a clinically accurate portrait of mafia behavior motivations and structure Puncturing academic notions of a modernized Mafia Paoli argues that to view mafia associations as bureaucracies illegal enterprises or an industry specializing in private protection is overly simplistic and often inaccurate These conceptions do not adequately describe the range of functions in which the mafia engages nor do they hint at the mafia s limitations The mafia Paoli demonstrates are essentially multifunctional ritual brotherhoods focused above all on retaining and consolidating their local political power base It is precisely this myopia that has prevented these organizations from developing the skills needed to be a successful and lasting player in the entrepreneurial world of illegal global commerce A truly interdisciplinary work of history politics economics and sociology Mafia Brotherhoods reveals in dramatic detail the true face of one of the world s most mythologized criminal organizations

Organized Crime in America United States. Congress. Senate. Committee on the Judiciary,1983

Understanding Organized Crime Stephen L. Mallory,2011-06-10

Organized Crime Introduction

In the digital age, access to information has become easier than ever before. The ability to download Organized Crime has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Organized Crime has opened up a world of possibilities. Downloading Organized Crime provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Organized Crime has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Organized Crime. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Organized Crime. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Organized Crime, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Organized Crime has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility

it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Organized Crime Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Organized Crime is one of the best book in our library for free trial. We provide copy of Organized Crime in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Organized Crime. Where to download Organized Crime online for free? Are you looking for Organized Crime PDF? This is definitely going to save you time and cash in something you should think about.
