Haeberle, 2020-05-18 No detailed description available for The Sex Atlas **Orgasmic Bodies** Hannah Frith, 2015-06-30 Orgasmic Bodies explores how bodily experiences of orgasm are worked up as present absent complicated straightforward too slow too fast fake or real in the doing of masculinities and femininities Engaging with both science and popular culture it examines the meanings given to orgasmic bodies in contemporary heterosexual *Handbook of Sexuality-Related Measures* Terri D. Fisher, Clive M. Davis, William L. Yarber, 2013-09-13 This classic and invaluable reference Handbook written for sex researchers and their students has now been completely revised in a new edition complete with its own companion website It remains the only easy and efficient way for researchers to learn about evaluate and compare instruments that have previously been used in sex research In this third edition of the Handbook 218 scales complete with full descriptions and psychometric data are made available with additional information provided at the companion website for this volume **Life, Sex, and Death** William Hewitt Gillespie, 1995 Characteristically prepared to support unpopular views if the evidence warrants it he courageously described his experiences of extrasensory elements in dream interpretation in spite of his fears that his unconventionality might damage his psychoanalytic reputation **Life, Sex and Death** Michael Sinason, 2005-07-25 A distinguished and revered elder of the British Psycho Analytical Society Dr William Gillespie is one of the few British psychoanalysts who began training in the Vienna of the early 1930s Later he became well known in England for his pioneering studies of sexual perversion and for his views on female sexuality regression in old people facing death and on instinct theory William Gillespie is celebrated not only for his scientific contributions but also for his administrative skill integrity and tact in managing the International Psycho Analytical Association and the British Psycho Analytical Society where he was trusted and respected by both Melanie Klein and Anna Freud In a biographical introduction the editor Dr Michael Sinason looks back on the productive 90 years of Gillespie's life writing movingly of his early life in China and Scotland and showing his development as a psychoanalytic thinker organizer and administrator husband and father Dr

Charles Socarides an American psychoanalyst eminent in the field of perversion and its treatment discusses the innovations introduced by each of the papers in the collection shows how Gillespie's ideas influenced by his own contributions and affected the field as a whole *Female Arousal and Orgasm: Anatomy, Physiology, Behaviour and Evolution* Donald Lambert Jesse Quicke, 2023-12-28 *Female Arousal and Orgasm Anatomy Physiology Behaviour and Evolution* is the first comprehensive and accessible work on all aspects of human female sexual desire arousal and orgasm The book attempts to answer basic questions about the female orgasm and questions contradictory information on the topic The book starts with a summary of important early research on human sex before providing detailed descriptions of female sexual anatomy histology and neuromuscular biology It concludes with a discussion of the high heritability of female orgasmicity and evidence for and against female orgasm providing an evolutionary advantage The author has attempted to gather as much information on the subject as possible including medical images anonymized survey data and previously unreported trends The groundbreaking book gives a scientific perspective on sexual arousal in women and helps to uncover information gaps about this fascinating yet complex phenomenon Readership Biologists general readers psychologists *THE SEX TEST* Patty Salier, 2011-07-15 *Women to Watch SEX AND THE SINGLE MAN* Rachel Smith knew better than to get involved with respondees to her sex survey the questions she was asking for a nationwide study were very intimate But one look at Zane Farrell his muscular frame his oh so broad shoulders and she couldn't sleep without dreaming of long sensuous nights in his arms But the man Rachel thought was wealthy entrepreneur Zane Farrell was really down to earth Johnny Wells And while he wanted Rachel with a white hot desire he knew once she discovered his true identity the promises made in the heat of passion could be easily broken *Women to Watch* This sexy tale of modern love and mistaken identity from exciting new author Patty Salier will keep you up at night *(No) Sex in Japan* Alice Pacher, 2022-03-17 This book presents a sociological perspective on non sexual intimate relationships in contemporary Japan The phenomenon of sexlessness in intimate relationships has gained increasing attention in popular culture However few scholarly investigations exist in examining this striking trend in Japan This book presents an analysis of the socio structural elements within both academic and public discourses in Japanese culture relating to sexlessness in intimate relationships Drawing from original interview research the author provides insights into individuals experiences and investigates the connection between sexual inactivity sexuality and Japanese couples satisfaction and well being in their relationships The book discusses how work environment childbirth infertility treatments as well as past sexual experiences extramarital affairs and both unmarried and married couple relationships influence individual sexual behavior and consciousness A broad overview of the meaning of sexuality through a cultural comparison with discourses on sexuality and interview results in Germany and Austria is also provided To this end the book calls into question whether sexlessness is a unique Japanese phenomenon or whether parallels and similarities might also be found in Western societies Bringing together academic and public discourses on sexless couples this book

engages a rethinking of the meaning of sexuality love intimacy and relationships both in and outside of Japan It is of interest to students and scholars of Japanese studies gender sexology and sociology *The Psychophysiology of Sex* Erick Janssen,2007-09-27 Although sexual psychophysiology has made great strides over the past few decades the progress made has not been accompanied by much effort to integrate research findings or to stimulate methodological and theoretical discussions among researchers Yet this new research area has the potential to make substantial contributions to understanding a wide range of phenomena including the spread of HIV STIs sexual addiction or compulsivity the use or nonuse of birth control methods sexual infidelity and aggressive sexual behaviors Psychophysiological methods can assist in the exploration of the underlying psychological physiological and affective processes and perhaps more importantly how they interact In this volume editor Erick Janssen brings together wide ranging essays written by an authoritative group of researchers representing the cutting edge of sexual psychophysiology Glass' Office Gynecology Michele Curtis,Silvia T. Linares,Leah Antoniewicz,2014-03-20 Stay on top of the latest advances in the ambulatory care of women with Glass Office Gynecology 7e today s most up to date and practical guide to the common issues seen every day by women s health providers in an office setting Chapters mirror the common issues seen by practitioners and include epidemiology of gynecologic disease examination tips laboratory testing diagnostic procedures treatment and appropriate follow up as well as referral for specialty treatment and counseling Clinical notes make this book a handy resource for the busy practitioner *New Sex Therapy* Helen Singer Kaplan,2013-10-28 First published in 1975 The last two decades have brought remarkable advances in our knowledge of human sexuality These data are in the process of being assimilated into the main body of psychiatric thought which is being greatly enriched thereby Our increased understanding of sexuality is also currently being translated into innovative new approaches to the treatment of sexual difficulties These developments promise relief to many persons with distressing sexual problems who were previously thought to be beyond help At the present time the specific approach to sex therapy described in this volume is being employed further developed and most important systematically evaluated at the Sex Therapy and Education Program of the Payne Whitney Psychiatric Clinic of the Cornell University New York Hospital Center The Cornell program is psychiatrically oriented It regards sex therapy as a specialized branch of psychotherapy The Clinic conceives of sexual dysfunctions as psychosomatic symptoms and it s orientation is multicausal and eclectic in that it believes that sexual dysfunctions are the product of multiple etiologic factors and our treatment armamentarium comprises an amalgam of experiential behavioral and dynamically oriented modalities *The Medical World* ,1890 *The Case of the Female Orgasm* Elisabeth A. Lloyd,2009-07 Why women evolved to have orgasms when most of their primate relatives don t is a persistent mystery among evolutionary biologists In pursuing this mystery Lloyd arrives at another How could anything as inadequate as the evolutionary explanations of the female orgasm have passed muster as science **Inferior** Angela Saini,2017-05-30 What science has gotten so shamefully wrong about women and the fight by both female and male scientists

to rewrite what we thought we knew For hundreds of years it was common sense women were the inferior sex Their bodies were weaker their minds feeble their role subservient No less a scientist than Charles Darwin asserted that women were at a lower stage of evolution and for decades scientists most of them male of course claimed to find evidence to support this Whether looking at intelligence or emotion cognition or behavior science has continued to tell us that men and women are fundamentally different Biologists claim that women are better suited to raising families or are more gently uniquely empathetic Men on the other hand continue to be described as excelling at tasks that require logic spatial reasoning and motor skills But a huge wave of research is now revealing an alternative version of what we thought we knew The new woman revealed by this scientific data is as strong strategic and smart as anyone else In *Inferior* acclaimed science writer Angela Saini weaves together a fascinating and sorely necessary new science of women As Saini takes readers on a journey to uncover science's failure to understand women she finds that we're still living with the legacy of an establishment that's just beginning to recover from centuries of entrenched exclusion and prejudice Sexist assumptions are stubbornly persistent even in recent years researchers have insisted that women are choosy and monogamous while men are naturally promiscuous or that the way men's and women's brains are wired confirms long discredited gender stereotypes As Saini reveals however groundbreaking research is finally rediscovering women's bodies and minds *Inferior* investigates the gender wars in biology psychology and anthropology and delves into cutting edge scientific studies to uncover a fascinating new portrait of women's brains bodies and role in human evolution
