# Origin Of Christology

**Marvin Meyer, Charles Hughes**

## **Origin Of Christology:**

**The Origin of Christology** C. F. D. Moule, 1978-08-17 Lectures in which the distinguished theologian argues that development is closer to the truth than evolution as a description of the genesis of Christology

**The Son of God** Martin Hengel, 2007-02-01 This work significantly advances the critical discussion of New Testament Christology Hengel examines the titles Son and God He points toward an inner consistency and dynamic in the development of the doctrine of Christ in primitive Christianity as the movement proceeded from the Gospels account of the death of Jesus to the high Christology present in the Pauline writings Historical scholarship and theological one might even say dogmatic questions must not stand in unresolved contradiction On the contrary the historian misunderstands the nature of New Testament Christology if he does not grasp its theological concern and its inner consistency while a dogmatic approach that does not take seriously the historical course of Christianity is in danger of becoming no more than abstract speculation It is therefore vitally important to unite historical research and the theological search for truth

**The Origin of Christology** Charles Francis Digby Moule, 1978

Origins of New Testament Christology Stanley E. Porter, Bryan R. Dyer, 2023-03-21 The early followers of Jesus drew from Jewish and Greco Roman traditions and titles to help them understand and articulate who Jesus was This book opens a window into the Christology of the first century by helping readers understand the eleven most significant titles for Jesus in the New Testament Lord Son of Man Messiah Prophet Suffering Servant Son of God Last Adam Passover Lamb Savior Word and High Priest The authors trace the history of each title in the Old Testament Second Temple literature and Greco Roman literature and look at the context in which the New Testament writers retrieved these traditions to communicate their understanding of Christ The result is a robust portrait that is closely tied to the sacred traditions of Israel and beyond that took on new significance in light of Jesus Christ This accessible and up to date exegetical study defends an early high Christology and argues that the titles of Jesus invariably point to an understanding of Jesus as God In the process it will help readers appreciate the biblical witness to the person of Jesus

**The Origin of Divine Christology** Andrew Ter Ern Loke, 2017-07-03 In recent years there has been considerable debate concerning the origin of divine Christology Nevertheless the proposed theories are beset with problems such as failing to address the evidence of widespread agreement among the earliest Christians concerning divine Christology and the issues related to whether Jesus intention was falsified This book offers a new contribution by addressing these issues using transdisciplinary tools It proposes that the earliest Christians regarded Jesus as divine because a sizeable group of them perceived that Jesus claimed and showed himself to be divine and thought that God vindicated this claim by raising Jesus from the dead It also provides a comprehensive critique of alternative proposals and synthesizes their strengths It defends the appropriateness and merits of utilizing philosophical distinctions e g between ontology and function and Trinitarian concepts for explaining early Christology and incorporates comparative religion by examining cases of deification in other contexts

**Studies on the Origin of Divine and**

**Resurrection Christology** Andrew Ter Ern Loke, 2023-08-29 The origin and development of divine and resurrection Christologies are among the most important and controversial issues in the study of Christianity One reason why there is a lack of consensus among scholars even though they have access to the same historical material is that different scholars analyze the material differently Building upon his previous monographs *The Origin of Divine Christology* Cambridge University Press 2017 and *Investigating the Resurrection of Jesus Christ* Routledge 2020 Andrew Loke demonstrates the fallacies of reasoning in the analyses of the works of numerous scholars such as Bart Ehrman Paula Fredriksen David Litwa Richard Carrier Raphael Lataster Daniel Kirk Matthew Larsen and Dale Allison Loke defends his proposal that a sizeable group of earliest Christians perceived that Jesus claimed and showed himself to be truly divine and resurrected and replies to objections to his previous works He contributes to the discussion on ancient Jewish monotheism exalted mediator figures comparison with Greco Roman literature Jesus mythicism Markan Christology the historical reliability of the New Testament as well as the use of philosophical and theological categories and the use of psychological studies on parallel apparitions cognitive dissonance mass hysteria pareidolia and memory for the study of early Christology

**The Theology of Paul the Apostle** James D. G. Dunn, 2006-05-17 Using Paul's letter to the Romans as the foundation for his monumental study of Paul's theology James D G Dunn describes Paul's teaching on God sin humankind Christology salvation the church and the nature of the Christian life

*Christian Origins* Kieran O'Mahony, 2003-04-14 This book looks at Christian origins under several headings worship belief and society The opening essay sets out to describe the immediate background to the early Christian movement within Judaism The remaining nine essays look at how the early Christians worshipped what did they believe about Jesus and finally in what way did the early Christian movement come to social expression The authors of the different essays are experts in their various fields

**The Origin of Paul's Gospel** Seyoon Kim, 2007-04-01 In answer to Pauline scholarship that tends to explain the origin of Paul's gospel in Palestinian Judaism Hellenistic Judaism mystery cults or Gnosticism Seyoon Kim here argues that the origin lies in Paul's own testimony that he received the gospel from the revelation of Jesus Christ on the Damascus road Only when this insistence of Paul is taken seriously says Kim can we really understand Paul and his theology Kim begins his investigation of Paul's interpretation of the Damascus event by examining Paul's Rabbinic background He then takes a more detailed look at just what occurred on the Damascus road and follows this with a thorough discussion of Paul's gospel the revelation its Christology and its soteriology keeping in mind at all times how it relates to the Damascus event

**The Son of God** Martin Hengel, 1976

**Philosophical and Theological Papers, 1965-1980** Bernard J. F. Lonergan, 2004-01-01 This anthology contains Lonergan's lectures on philosophy and theology given during the later period of his life 1965-1980 and document his development in the discipline during the years leading up to the publication of *Method in Theology* and beyond to 1980

**Jesus Then and Now** Marvin Meyer, Charles Hughes, 2001-03-01 Conservative and liberal theologians engage each other in this provocative collection of essays discussing

the place of faith the nature of history the character of literary texts and the purpose of theology Original     The Origins of Christian Faith Terrance Callan,1994 The Origins of Christian Faith is a scholarly treatment of first century evidence of the beginnings of Christian faith Professor Callan carefully analyzes the different layers of New Testament tradition to discover how the first Christian communities grew step by step in their understanding of the mystery of Jesus as the Christ He explains historically each foundational level on which our Christian faith rests The result is the story of the early church s development of its faith in Jesus     **Christian Origins and Hellenistic Judaism** Stanley E. Porter,Andrew Pitts,2012-10-23 In Christian Origins and Hellenistic Judaism Stanley E Porter and Andrew W Pitts assemble an international team of scholars whose work has focused on reconstructing the social matrix for earliest Christianity through reference to Hellenistic Judaism and its literary forms     Christ, the Beginning of Dogma Johannes Weiss,1911     **Scripture and Christology** Joseph A. Fitzmyer,1986 Critically examines eleven different approaches to Christology in modern times and proposes an integral Christology based on all the data of the Old and New Testaments Back cover     **Jesus the Christ** Nils Alstrup Dahl,1991

The Crucified God Jurgen Moltmann,2014-04-15 This work on the significance of the crucifixion takes death despair and dreadfulness with total seriousness and relates these to a liberating hope of redemption through divine agony and suffering

**The Crucified God - 40th Anniversary Edition** Moltmann Jurgen,2015-11-02 Arguably the most powerful of Moltmann s books The Crucified God is a seminal work on the crucifixion and its significance It is one of the most influential theological books of the twentieth century     *The Encyclopedia of Christianity* Erwin Fahlbusch,Geoffrey William Bromiley,1999 This multifaceted and up to date encyclopedia is sure to be of interest to pastors and church workers of all confessions equally so to students scholars and researchers around the world who are interested in any aspect of Christianity or religion in general The first volume contains 465 articles that address a comprehensive list of topics
