to the people's health. These include both the costs to people and to the health system and the benefits to people and to the health system. The costs to people are the costs of the disease, the costs of the treatment, and the costs of the prevention. The costs to the health system are the costs of the diagnosis, the costs of the treatment, and the costs of the prevention. The benefits to people are the benefits of the treatment, the benefits of the prevention, and the benefits of the cure. The benefits to the health system are the benefits of the diagnosis, the benefits of the treatment, and the benefits of the prevention.
