## **Original New Testament:**

**The Original New Testament** Hugh J. Schonfield, The story of Jesus as the writers of the New Testament meant it to be told Astonishingly unlike the New Testament as it has been handed down to us today this remarkable new translation makes the story come alive as never before Impelled by the latest archaeological and historical discoveries eminent scholar Hugh J Schonfield has returned the New Testament to its own time and place relating its documents to contemporary literature customs and beliefs The first truly historical translation with no theological motivation or devotional purpose The Original New Testament rediscovers the force and urgency of the original message Dr Schonfield systematically corrects mistakes in translation that have been compounded over time and eradicates later theological developments that he believes were falsely ascribed to the original writers Here is a work at once passionate in dedication and scholarly in execution The fresh and very readable translation of The Original New Testament suggests to both Jews and Christians that they have missed something in the story of Jesus of Nazareth In a very real sense it re emphasises the Jewishness of the New Testament And to those of both faiths it offers new opportunities for understanding and applying the Bible s message Included are full historical and explanatory notes making this a vivid and inspiring translation which will also support the student of bible studies The Original Aramaic New Testament in Plain English with Psalms & Proverbs (8th edition with notes) Rev. David Bauscher,2014-07-13 This is a translation 8th edition 2013 of The Aramaic New Testament Aramaic was the language of Jesus and his countrymen of 1st century Israel in a literal English prose translation of The Peshitta New Testament the Peshitta Psalms Proverbs Aramaic was the language of Israel the Middle East and of the Jews in Europe from the 6th century BC and afterward until the Muslim conquests of the 7th century AD Aramaic was used in Mel Gibson s film The Passion of the Christ to make the film as realistic and accurate as possible This New Testament will surprise and thrill the reader with its power and inspiration coming from the words of Yeshua Jesus in ancient Aramaic as He originally spoke them in a literal and readable English rendering This edition contains 209 pages of notes demonstrating graphically in hundreds of verse examples that the Aramaic NT is the original text and the Greek NT is a translation of the Aramaic Peshitta text 8x11 609 pages paperback in Large Print *Divine Contact-Discovery of The Original New Testament* Rev. David Bauscher,2007-07-26 This book documents an incredible phenomenon in The Peshitta New Testament which was written in the language of Jesus and his countrymen of 1st century Israel Aramaic was used in Mel Gibson s film The Passion of the Christ to make the film as realistic and accurate as possible This discovery of long Gospel messages in the form of Bible Codes will surprise and thrill the reader with the power and inspiration of the words of the Codemaker God Long codes an exhaustive search for Divine Name codes give very compelling evidence that The Aramaic Peshitta NT is the Divinely authored original behind the Greek NT The codes and nine other comprehensive analyses take up 124 pages Black and white graphics are used throughout the book with many illustrations of codes in large Hebrew letters with English translations

Andrews,2020-06-17 What are the churchgoers the

Bible college students and seminary students to do when one Bible scholar says one thing and another Bible scholar says something quite different or worse still several Bible scholars are giving you several different opinions on one particular Bible issue What makes it even more unsettling is when the Christian is not well informed in that area of study only having basic knowledge How can the Christian possibly know which of the Bible scholars are correct Worse still the Christian is put in the embarrassing position on social media of telling an atheist or Bible critic one of the scholar s views and then the atheist or Bible critic responds to the Christian with no your evidence is outdated as recent research points to \_\_\_\_\_ and then they offer another answer that put the Bible in a bad light What is the Christian to do What will be accomplished here in this publication is we are going to give the reader much evidence when it comes to the documents of the New Testament how that evidence impacts our Bible translations and an in depth look at Bible difficulties as well This can be used to build your faith to save someone who may have begun to doubt the trustworthiness of the Bible and many reading responses that can be used on social media and other forms of your ministry Andrews is an author of more than 140 books many of which are a defense of God s Word *Introduction to the New Testament* Helmut Koester,1995 This work has established itself as a classical text in the field of New Testament studies Written in a readable non technical style it has become an indispensable textbook and reference for teachers students clergy and the educated layperson interested in a scholarly treatment of the New Testament and its background in the Judaic and Greco Roman world Real - New Testament Hadarel Corporation,2010-06-24 A direct literal translation of The New Testament from the original and the 3rd Textus Receptus Greek text into English with no jargon **Biblical Theology of the Old and New Testaments** Brevard S. Childs,1993 This monumental work is the first comprehensive biblical theology to appear in many years and is the culmination of Brevard Child s lifelong commitment to constructing a biblical theology that surmounts objections to the discipline raised over the past generation Childs rejects any approaches that overstress either the continuity or discontinuity between the Old and New Testaments He refuses to follow the common pattern in Christian thought of identifying biblical theology with the New Testament s interest in the Old Rather Childs maps out an approach that reflects on the whole Christian Bible with its two very different voices each of which retains continuing integrity and is heard on its own terms Changing the Goalpost of New Testament Textual Criticism Abidan Paul Shah,2020-10-02 Before the 1960s the goal of New Testament Textual Criticism was singular to retrieve the original text of the New Testament Since then the goalpost has incrementally shifted away from the original text to retrieving any text or many texts of the NT Some scholars have even concluded that the original text is hopelessly lost and cannot be retrieved with any confidence or accuracy Other scholars have gone a step further to claim that the idea of an original text itself is a misconception that needs to be abandoned If this new approach in NTTC is correct then the authority of Scripture is weakened or no longer valid It will be shown in this book that such is not the case Furthermore emphasis will be placed on the need to return to the traditional goalpost of NTTC i e to retrieve the

original text Without a generally definitive text the door will be left wide open to recreate any desired text of the NT An unsettled original text will result in an unsettled biblical theology due to a lack of any authoritative and standard text Consequently it will lead to an unsettled Christian faith and practice
