Oroonoko And Other Prose Narratives:

Oroonoko & Other Prose Narratives Aphra Behn, 1967 **Oroonoko & Other Prose Narratives. Edited by Montague Summers** Aphra Behn, Masquerade and Gender Catherine A. Craft-Fairchild, 2012-03-31 Terry Castle's recent study of masquerade follows Bakhtin's analysis of the carnivalesque to conclude that for women masquerade offered exciting possibilities for social and sexual freedom. Castle's interpretation conforms to the fears expressed by male writers during the period. Addison Steele and Fielding all insisted that masquerade allowed women to usurp the privileges of men. Female authors however often mistrusted these claims, perceiving that masquerade's apparent freedoms were frequently nothing more than sophisticated forms of oppression. Catherine Craft Fairchild's work provides a useful corrective to Castle's treatment of masquerade. She argues that in fictions by Aphra Behn, Mary Davys, Eliza Haywood, Elizabeth Inchbald, and Frances Burney, masquerade is double-sided. It is represented in some cases as a disempowering capitulation to patriarchal strictures that posit female subordination. Often within the same text, however, masquerade is also depicted as an empowering defiance of the dominant norms for female behavior. Heroines who attempt to separate themselves from the image of womanhood they consciously construct escape victimization. In both cases, masquerade is the condition of femininity; gender in the woman's novel is constructed rather than essential. Craft Fairchild examines the guises in which womanhood appears, analyzing the ways in which women writers both construct and deconstruct eighteenth-century cultural conceptions of femininity. She offers a careful and engaging textual analysis of both canonical and noncanonical eighteenth-century texts, thereby setting lesser-read fictions into a critical dialogue with more widely known novels. Detailed readings are informed throughout by the ideas of current feminist theorists, including Luce Irigaray, Julia Kristeva, Mary Ann Doane, and Kaja Silverman. Instead of assuming that fictions about women were based on biological fact, Craft Fairchild stresses the opposite: the domestic novel itself constructs the domestic woman. **Aphra Behn** Mary Ann O'Donnell, 2017-03-02 This annotated bibliography constitutes a thoroughly revised and more easily readable study of Behn's publications of those edited or translated by her, of publications that included her works, and of writings ascribed to her, along with an annotated bibliography of over 1600 works about her from 1671 to 2001, with an unannotated update covering 2002. The augmented primary bibliography describes all known editions and issues of her works to 1702 and adds a catalogue of editions to 2002, including on-line sources. The secondary bibliography adds close to 1000 items published since 1984 to the original 600 of the first edition, along with about 175 more from 1671 to 1984, with attention to materials not in English. New appendices include a list of dedicatees, actors, recent productions, with reviews and provenances. This volume will be invaluable for book dealers, collectors, and librarians, as well as students and scholars of Aphra Behn and of Restoration literature. **British Literature and Print Culture** Sandro Jung, 2013 The complexity of print culture in Britain between the seventeenth and nineteenth century is investigated in these wide-ranging articles. The essays collected here offer examinations of bibliographical matters.

Quantitative Literary Analysis of the Works of Aphra Behn Laura L. Runge, 2023-05-09 Aphra Behn 1640-1689 prolific and popular playwright poet novelist translator has a fascinating and extensive corpus of literature that plays a key role in literary history Quantitative Literary Analysis of the Works of Aphra Behn Words of Passion offers what no book has done to date an analysis of all Behn's literary output It examines the author's use of words in terms of frequencies and distributions and stacks the words in context to read Behn's word usage synchronically Using this experimental method the book brings digital humanities into literary criticism to enhance our understanding and appreciation of literature beyond what is possible in diachronic reading and scholarship less supported by digital means The empirical approach works in collaboration with existing scholarship to understand Behn's distinct language of love and extreme passions across her genres

Lines of Equity Elliott Visconsi, 2011-03-15 In England the late seventeenth century was a period of major crises in science politics and economics Confronted by a public that seemed to be sunk in barbarism and violence English writers including John Milton John Dryden and Aphra Behn imagined serious literature as an instrument for change In Lines of Equity Elliott Visconsi reveals how these writers fictionalized the original utterance of laws the foundation of states and the many vivid contemporary transitions from archaic savagery to civil modernity In doing so they considered the nature of government the extent of the rule of law and the duties of sovereign and subject They asked their audience to think like kings

and judges through the literary education of the individual conscience the barbarous tendencies of the English people might be effectively banished Visconti calls this fictionalizing program imaginative originalism and demonstrates the often unintended consequences of this literary enterprise By inviting the English people to practice equity as a habit of thought a work such as Milton's *Paradise Lost* helped bring into being a mode of individual conduct the rights bearing deliberative subject at the heart of political liberalism Visconti offers an original view of this transitional moment that will appeal to anyone interested in the cultural history of law and citizenship the idea of legal origins in the early modern period and the literary history of later Stuart England

“The Wandering Life I Led” Susan Shifrin, 2009-05-27 This book of essays brings together international scholars working on the literary visual musical and theatrical representations and reception of Hortense Mancini Duchess Mazarin an early modern woman whose literal geographical border crossings serve here as the starting point for an investigation of her and others elisions and transgressions of borders of all kinds The authors lay out strategies for exploring the ways in which she crossed geographical gendered cultural and in scholarly terms disciplinary boundaries and in so doing consider how an investigation of those border crossings can enhance our understanding of early modern cultural formation The new work presented here by some of the most distinguished junior and senior scholars working today in the fields of history art history literary history the history of theater and the history of music promises to stimulate a broader scholarly discussion about early modern border crossing and women's places in the early modern period in general

English Literature in Context Paul Poplawski, 2017-05-18 From Anglo Saxon runes to postcolonial rap this undergraduate textbook covers the social and historical contexts of the whole of the English literature

Women Writers and Experimental Narratives Kate Aughterson, Deborah Philips, 2021-01-23 This book explores the history of women's engagement with writing experimentally Women writers have long used different narratives and modes of writing as a way of critiquing worlds and stories that they find themselves at odds with but at the same time as a way to participate in such spaces Experimentation of style mode voice genre and language has enabled women writers to be simultaneously creative and critical engaged in and yet apart from stories and cultures that have so often seen them as other This collection shows that women writers in English over the past 400 years have challenged those ideas not only through explicit polemic and alternative representations but through disrupting the very modes of representation and story itself

Sway of the Ottoman Empire on English Identity in the Long Eighteenth Century Emily Kugler, 2012-02-17 By focusing on eighteenth century English textual representations of the Ottomans we can observe the turning point in public perceptions the moments when English subjects began to believe British imperial power was a reality rather than an aspiration

Handbook of the British Novel in the Long Eighteenth Century Katrin Berndt, Alessa Johns, 2022-07-18 The handbook offers a comprehensive introduction to the British novel in the long eighteenth century when this genre emerged to develop into the period's most versatile and popular literary form Part I features six systematic chapters that discuss literary

intellectual socio economic and political contexts providing innovative approaches to issues such as sense and sentiment gender considerations formal characteristics economic history enlightened and radical concepts of citizenship and human rights ecological ramifications and Britain's growing global involvement Part II presents twenty five analytical chapters that attend to individual novels some canonical and others recently recovered These analyses engage the debates outlined in the systematic chapters undertaking in depth readings that both contextualize the works and draw on relevant criticism literary theory and cultural perspectives The handbook's breadth and depth clear presentation and lucid language make it attractive and accessible to scholar and student alike

Forthcoming Books Rose Arny,1999-04 **The Colonial Rise of the Novel** Firdous Azim,2002-03-11 In this challenging book Firdous Azim provides a feminist critique of orthodox accounts of the rise of the novel and exposes the underlying orientalist assumptions of the early English novel Whereas previous studies have emphasized the universality of the coherent and consistent subject which found expression in the novels of the eighteenth century Azim demonstrates how certain categories women and people of colour were silenced and excluded The Colonial Rise of the Novel makes an important and provocative contribution to post colonial and feminist criticism It will be essential reading for all teachers and students of English literature women's studies and post colonial criticism

The Novel Stage Marcie Frank,2020-02-14 2020 Choice Outstanding Academic Title Marcie Frank's study traces the migration of tragicomedy the comedy of manners and melodrama from the stage to the novel offering a dramatic new approach to the history of the English novel that examines how the collaboration of genres contributed to the novel's narrative form and to the modern organization of literature Drawing on media theory and focusing on the less examined narrative contributions of such authors as Aphra Behn Frances Burney and Elizabeth Inchbald alongside those of Samuel Richardson Henry Fielding and Jane Austen The Novel Stage tells the story of the novel as it was shaped by the stage Published by Bucknell University Press Distributed worldwide by Rutgers University Press

Books and Library Notes Mississippi State University,1967 The Intellectual Origins of American Slavery John Samuel Harpham,2025-10-07 John Samuel Harpham shows that the development of slavery in the English Atlantic world was underpinned by a tradition of ideas rooted in Roman law This tradition which explained enslavement as the common fate of war captives informed attitudes toward Africa and became the basis for the earliest defenses of American slavery

Nobody's Story Catherine Gallagher,2023-04-28 Exploring the careers of five influential women writers of the Restoration and eighteenth century Catherine Gallagher reveals the connections between the increasing prestige of female authorship the economy of credit and debt and the rise of the novel The nobodies of her title are not ignored silenced or anonymous women Instead they are literal nobodies the abstractions of authorial personae printed books intellectual property rights literary reputations debts and obligations and fictional characters These are the exchangeable tokens of modern authorship that lent new cultural power to the increasing number of women writers through the eighteenth century Women writers Gallagher discovers invented and popularized numerous ingenious similarities

between their gender and their occupation The terms woman author marketplace and fiction come to define each other reciprocally Gallagher analyzes the provocative plays of Aphra Behn the scandalous court chronicles of Delarivier Manley the properly fictional nobodies of Charlotte Lennox and Frances Burney and finally Maria Edgeworth's attempts in the late eighteenth century to reform the unruly genre of the novel This title is part of UC Press's Voices Revived program which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1996 Exploring the careers of five influential women writers of the Restoration and eighteenth century Catherine Gallagher reveals the connections between the increasing prestige of female authorship the economy of credit and debt and the rise of the novel
