Orphan Train Rider One Boy's True Story:

Orphan Train Rider Andrea Warren,1996 Discusses the placement of over 200 000 orphaned or abandoned children in homes throughout the Midwest from 1854 to 1929 by recounting the story of one boy and his brothers **Orphan Train Rider: One Boy's True Story** Andrea Warren,2013 **Orphan-Train Rider One Boy's True Story** Ana Warren,1996-01

Orphan Train Rider Andrea Warren,1996 Discusses the placement of over 200 000 orphaned or abandoned children in homes throughout the Midwest from 1854 to 1929 by recounting the story of one boy and his brothers We Rode the Orphan Trains Andrea Warren,2001 Listen to child orphans as they share their memories of transition and adventure disappointment and loneliness but ultimately of the joy of belonging to their own new families They were throwaway kids living in the streets or in orphanages and foster homes Then Charles Loring Brace a young minister working with the poor in New York City started the Children s Aid Society and devised a plan to give homeless children a chance to find families to call their own Thus began an extraordinary migration of American children Between 1854 and 1929 an estimated 200 000 children mostly from New York and other cities of the eastern United States ventured forth to other states on a journey of hope Andrea Warren has shared the stories of some of these orphan train riders here including those of Betty who found a fairy tale life in a grand hotel Nettie Evans and her twin Nellie who were rescued from their first abusive placement and taken in by a new kindhearted family who gave them the love they had hoped for brothers Howard and Fred who remained close even though they were adopted into different families and Edith who longed to know the secrets of her past This is powerful nonfiction for classroom and personal reading and for discussion School Library Journal starred review *Orphan Train Rider - One Boy's True Story* Developmental Studies Center Staff,1995-12-01 **Reading Globally, K-8** Barbara A. Lehman,Evelyn B. Freeman,Patricia L. Scharer,2010-09-20 In Reading Globally K 8 the authors make the case for why it is necessary to be globally literate and multiculturally aware in today s shrinking world and they provide the tools teachers need to incorporate appropriate reading selections into primary and secondary school classrooms By using books from or about other countries teachers empower students to view the world in a more positive manner enriching and broadening their students lives and ultimately preparing them for life in a global economy and culture This reader friendly resource guides teachers and reading programme coordinators in selecting quality books for their classrooms incorporating global literature into different content areas and facilitating the discussions that follow Practical guidance is provided on how to Integrate the reading of global texts across the curriculum with specific application to language arts social studies science maths and the arts Locate and evaluate the authenticity and literary merit of potential books avoiding those that depict stereotypes Get started with an annotated list of children s books samples of student work and classroom vignettes from teachers Emily's Story Clark Kidder,2016-02-15 It seems incomprehensible that there was a time in America s not so distant past that nearly 200 000 children could be loaded on trains in large cities on our East Coast sent to the rural Midwest

and presented for the picking to anyone who expressed an interest in them That s exactly what happened between the years 1854 and 1929 The primitive social experiment became known as placing out and had its origins in a New York City organization founded by Charles Loring Brace called the Children s Aid Society The Society gathered up orphans half orphans and abandoned children from streets and orphanages and placed them on what are now referred to as Orphan Trains It was Brace s belief that there was always room for one more at a farmer s table The stories of the individual children involved in this great migration of little emigrants have nearly all been lost in the attic of American history In this book the author tells the true story of his paternal grandmother the late Emily Reese Kidder who at the tender age of thirteen became one of the aforementioned children who rode an Orphan Train In 1906 Emily was plucked from the Elizabeth Home for Girls which was operated by the Children s Aid Society and placed on a train along with eight other children bound for Hopkinton Iowa Emily s journey as it turned out was only just beginning Life had many lessons in store for her lessons that would involve perseverance overcoming adversity finding lasting love and suffering great loss Emily s story is told through the use of primary material oral history interviews and historical photographs It is a tribute to the human spirit of an extraordinary young girl who became a woman a woman to whom the heartfelt phrase there s no place like home had a very profound meaning

Gotcha! Kathleen A. Baxter, Marcia Agness Kochel, 1999-12-15 Thousands of children s books are published each year some are outstanding while others are not This book makes it easier for you to find the best in children s nonfiction books and it offers concrete classroom tested ideas for presenting them to students in irresistible ways Booktalks for more than 350 nonfiction titles appropriate for elementary and middle school students are organized according to topics popular with young readers Great Disasters Unsolved Mysteries Fascinating People Science and Fun Experiments to Do In addition there are tips on booktalking an outline for a booktalk program and a bibliography that can be used for collection development Appropriate grade levels for each book are cited Library Media Specialists will find this guide essential The thematic approach helps teachers search for titles that correlate to curriculum areas or specific units of study Parents can use the book with their children as a reading selection tool Anyone who works with young children will find this book an invaluable resource

Helping Those Experiencing Loss Robert J. Grover Professor Emeritus, Susan G. Fowler, 2011-07-13 This book provides a guide for grieving youth and adults as well as extensive descriptive lists of recommended professional literature resources Grief caused by loss is both a very common human experience and a highly individualized one For example children experience a number of losses that are unique to their young age such as sibling and parent death adoption or divorce and should be given special consideration by professionals and parents helping them in these situations For gay lesbian or cohabiting heterosexual couples that suffer the loss of a partner societal standards often deny the survivors in these relationships the right to grieve Helping Those Experiencing Loss A Guide to Grieving Resources is a book like no other supplying compassionate information for navigating the emotional distress that every man and woman will experience in their lifetime as well as a comprehensive guide to the literature of bereavement and grieving It explains the grieving process interpreting the results of research on the topic in plain language and addressing specific groups children young adults parents who have lost a child adults who have lost spouses and the aging population

Torn Apart Dorothy Roberts, 2022-04-05 An award winning scholar exposes the foundational racism of the child welfare system and calls for radical change Many believe the child welfare system protects children from abuse But as Torn Apart uncovers this system is designed to punish Black families Drawing on decades of research legal scholar and sociologist Dorothy Roberts reveals that the child welfare system is better understood as a family policing system that collaborates with law enforcement and prisons to oppress Black communities Child protection investigations ensnare a majority of Black children putting their families under intense state surveillance and regulation Black children are disproportionately likely to be torn from their families and placed in foster care driving many to juvenile detention and imprisonment The only way to stop the destruction caused by family policing Torn Apart argues is to abolish the child welfare system and liberate Black communities
