Ann Duffy alongside more marginal and experimental poets like Tom Raworth and Geraldine Monk Contemporary British and Irish Poetry tackles the most compelling and contentious issues facing poetry today Seamus Heaney Blake Morrison,2024-11-01 In recent years Seamus Heaney has earned the reputation of being the most important Irish poet since Yeats In this book originally published in 1982 Blake Morrison identifies the central characteristics of his achievement uncovering the sources of Heaney s poems placing his work within both Irish and Anglo American traditions and explaining his poetry s complex relation to the political troubles in Northern Ireland A lively personal and carefully researched account by a writer who is himself a poet and critic this book forcefully challenges some of the myths surrounding Heaney s work and places it in proper perspective **The Letters of Seamus Heaney** Seamus Heaney,2024-09-10 The letters provide us with an intimate multilayered understanding of this extraordinary poet s life and mind Every now and again I need to get down here to get into the Diogenes tub as it were or the Colmcille beehive hut or the Mossbawn scullery At any rate a hedge surrounds me the blackbird calls the soul settles for an hour or two In this astute selection from Seamus Heaney s vast correspondence we are given direct access to the life and poetic development of a literary titan from his early days in Belfast through his controversial decision to settle in the Republic to the gradual broadening of horizons that culminated in the award of the Nobel Prize in Literature and the years of international eminence that kept him heroically busy until his death Christopher Reid draws from both public and private archives to reveal this remarkable story in the poet s own words Generous funny exuberant confiding irreverent empathetic and deeply thoughtful The Letters of Seamus Heaney encompasses decades long relationships with friends and colleagues as well as an unstinted responsiveness to passing acquaintances Heaney s mastery of language is as evident here as it is in any of his writings listening to his voice we find ourselves in the same room as a man whose presence enriched the world and whose legacy deepens our sense of what truly matters **International Who's Who in Poetry 2004** Europa Publications,2003 Provides up to date profiles on the careers of leading and emerging poets **Poet John Hewitt, 1907-1987 and Criticism of Northern Irish Protestant Writing** Sarah Ferris,2002 This study questions the validity of John Hewitt s prominence in Northern Irish Protestant writing and asserts the need for a more accurate history of this genre Confronting the perceived wisdoms of a highly politicized discourse it undermines Hewitt s status within it as a matchless acceptable Protestant for a critically re visioned Ireland Challenging the substance of Hewitt s self representations as icon of cultural liberalism radical secular dissenter and verse apologist for the Planter condition this book shows that his elevation over the majority of northern Protestants is tenable only within an incomprehensive history of Northern Irish Protestant writing that diminishes other important figures The study provides a framework for a more equitable study of Protestant voices **Seamus Heaney** Andrew Murphy,2010 Andrew Murphy charts the trajectory of Heaney s career as a poet and places his work within its various contexts Seamus Heaney Richard Rankin Russell,2016-09-13 The first detailed introduction to the entirety of Seamus Heaneys work This study will

enable readers to gain clearer understanding of the life and major works of Seamus Heaney It considers literary influences on Heaney ranging from English poets such as Wordsworth Hughes and Auden to Irish poets such as Kavanagh and Yeats to world poets such as Virgil and Dante It shows how Heaney was closely attuned to poetry's impact on daily life and current events even as he articulated a convincing apologia for poetry's own life and integrity Discussing Heaney's deep immersion in Irish Catholicism this book demonstrates how faith influenced his belief system poetry and politics Finally it also considers how deeply Heaney's artistic endeavours were intertwined with politics in Northern Ireland especially through his embrace of constitutional nationalism but rejection of physical force republicanism Key Features Includes sections on biography historical cultural and political contexts poetry and other genres as well as a concluding section on primary works and secondary criticism Pays special attention to the marriage of form and content in the poetry and how they work together to express subtle shades of meaning Offers close readings of Heaney's canonical poems throughout his career including the early seminal poems such as Digging the bog poems and his many elegies such as Casualty Station Island and Clearances Draws on drafts of the poems and prose at the Heaney archives at Emory University and the National Library of Ireland
