**Poetry-Love It, Hate It, Read It and See** Sheila Dunwell, 2005-05-23      [Biblical Poetry and the Art of Close Reading](#) J. Blake Couey, Elaine T James, 2018-08-30 This volume explores the aesthetic dimensions of biblical poetry offering close readings of poems across the Hebrew Bible Old Testament Composed of essays by fifteen leading scholars of biblical poetry it offers creative and insightful close readings of poems from across the canon of the Hebrew Bible Old Testament Psalms wisdom poetry Song of Songs prophecy and poetry in biblical narrative The essays build on recent advances in our understanding of biblical poetry and engage a variety of theoretical perspectives and current trends in the study of literature They demonstrate the rewards of careful attention to textual detail and they provide models of the practice of close reading for students scholars and general readers They also highlight the rich aesthetic value of the biblical poetic corpus and offer reflection on the nature of poetry itself as a meaningful and enduring form of art      *CONSPIRING THOUGHTS* Catrina Rockwell, 2014-04-14 Conspiring Thoughts are poems that I have written throughout the years Each poem tells of a time in my life when I was hurting healing creating inspiring uplifting etc My poems are intended to help others who are having the same thoughts and who need the motivation to continue on We are all unique but there are times when some of us are on the same page when dealing with life Life happens but it does not mean we give up on it it means for us to press on and get through in order to help someone else Keep an eye out for the next one Conspiring Thoughts will have sequels God bless you

**The Poetry Review of America** William Stanley Braithwaite, Joseph Lebowich, 1916      **Reading, Desire, and the Eucharist in Early Modern Religious Poetry** Ryan Netzley, 2011-01-01 The courtly love tradition had a great influence on the themes of religious poetry just as an absent beloved could be longed for passionately so too could a distant God be the subject of desire But when authors began to perceive God as immanently available did the nature and interpretation of devotional verse change Ryan Netzley argues that early modern religious lyrics presented both desire and reading as free loving activities rather than as endless struggles or dramatic quests Reading Desire and the Eucharist analyzes the work of prominent early modern writers including John Milton Richard Crashaw John Donne and George Herbert whose religious poetry presented parallels between sacramental desire and the act of understanding written texts Netzley finds that by directing devotees to crave spiritual rather than worldly goods these poets questioned ideas not only of what people should desire but also how they should engage in the act of yearning Challenging fundamental assumptions of literary criticism Reading Desire and the Eucharist shows how poetry can encourage love for its own sake rather than in the hopes of salvation

**A Library of Poetry for Sunday Reading** Philip Schaff, Arthur Gilman, 1889      [The Poetry Review of America](#), 1916

**How to Read (and Write About) Poetry - Second Edition** Susan Holbrook, 2021-10-08 How to Read and Write About Poetry invites students and others curious about poetry to join the critical conversation about a genre many find a little mystifying even intimidating In an accessible engaging manner this book introduces the productive questions reading

strategies literary terms and secondary research tips that will empower readers to participate in literary analysis Holbrook explicates a number of poems initiating readers into critical discourse while highlighting key poetic terms The explications are followed by selections of related works so the book thus offers what amounts to a brief anthology ideal for a poetry unit or introductory class on poetry and poetics A chapter on meter illuminates the rhythmic dimension of poetry and guides readers through methods of scansion The second edition is updated throughout and includes a fresh selection of poems and the latest MLA citation guidance *Reading, Writing, and Rising Up* Linda Christensen, 2000 Give students the power of language by using the inspiring ideas in this very readable book **Reading, Learning, Teaching James Dickey** William B.
