Rabbi Reads The Psalms:

A Rabbi Reads the Psalms Jonathan Magonet, 2004-01-01 Why another book on the Psalms Surely there are enough already What is the justification for yet one more and by someone who first found the Psalms almost boringly the same Jonathan Magonet has a ready answer After teaching the Psalms for twenty years he has found that within the vast literature about them there is very little that introduces the kinds of interpretations made by the rabbis whether ancient mediaeval or modern Moreover there are very few books which provide a user friendly introduction to how one actually sets about working with the Hebrew text or gives access to the richness and complexity of the language of the Psalms to the non Hebrew reader It was his first close acquaintance with the Hebrew text in preparing some translations of the Psalms for publication which transformed Jonathan Magonet's view of them and helped him to discover their richness So this book aims to share with the reader the special world that was opened up to him in this way It provides an introduction to the nature of biblical poetry a guide to some of the poetic structures that recur in the Psalms and studies a number of Psalms as a way of illustrating these aspects and for the fun of exploring the individual dynamic and meaning

Jewish and Christian Approaches to the

Psalms Susan Gillingham, 2013-02-07 The Psalms have resulted in controversies between Jews and Christians over the centuries and it is only from the mid twentieth century onwards that the two traditions have worked side by side in the academy at least This is one of the very few volumes on the psalms to incorporate scholarship from both these traditions for nearly a century and the result is a rich celebration of these extraordinary ancient songs This innovative essay collection draws together internationally renowned Jewish and Christian scholars of the Psalms with one tradition responding to the other in areas as diverse as Qumran studies Medieval Jewish interpretation Reception History Liturgical Psalters and Chagall's Church Windows and more recent Literary Studies of the Psalter as a Book The range of topics chosen will be of interest not only to those specializing in the Psalms but also to others interested more generally in biblical studies Several musical and artistic representations of selected psalms are also included and the book includes a colour plate section which illustrates several of the chapters

Psalms Through the Centuries, Volume 2 Susan Gillingham, 2020-05-18 Psalms

Through the Centuries Volume Two provides the first ever extensive commentary on the Jewish and Christian reception history of the first two books of the Psalter Psalms 1-41 and 42-72 It explores the various uses of the Psalms over two millennia in translation and commentary liturgy and prayer study and preaching musical composition and artistic illustration poetic and dramatic imitation and contemporary discourse With lavish illustrations using examples from both music and art Psalms Through the Centuries Volume Two offers a detailed commentary on each psalm with an extensive bibliography a large glossary of terms and helpful indices It is an ideal resource both for students and scholars in the academy and for lay people and ministers in church and synagogue Psalms Through the Centuries is published within the Wiley Blackwell

Commentary series Further information about this innovative reception history series is available at www.bbibcomm.info

Psalms Through the Centuries, Volume 1 Susan Gillingham, 2012-03-28 This is the first of a two volume bible commentary covering the Psalms and examining the role of these biblical poems throughout Jewish and Christian history Provides a fascinating introduction to the literary historical and theological background of psalmody Examines the psalms through liturgy and prayer study and preaching translation and imitation and musical composition and artistic illustration Includes illustrations of significant psalms helpful maps and an extensive bibliography an expanded bibliography to accompany the book is also available at www.wiley.com/go/gillingham A forthcoming second volume is planned which will take an alternative psalm by psalm approach Now available in paperback and published in the innovative reception history series Blackwell Bible Commentaries *Psalms* Adrian Curtis, 2012-03-16 This is an accessible commentary on the most

widely read book of the Old Testament as the Psalms are a key element of the worship of all Christian churches **The Image, the Depths and the Surface** Susan Gillingham, 2002-09-01 The purpose of this book is to illustrate that reading is a subjective process which results in multivalent interpretations This is the case whether one looks at a text in its historical contexts the diachronic approach or its literary contexts the synchronic approach Three representative texts are chosen from the Law Genesis 23 the Writings Isaiah 23 and the Prophets Amos 5 and each is read first by way of historical analysis and then by literary analysis Each text provides a number of variant interpretations and raises the question is any one interpretation superior What criteria do we use to measure this Or is there value in the complementary nature of many approaches and many results **Psalms** Stephen B. Dawes, 2010 Many students are unfamiliar with the Old Testament and

struggle to access it with the exception of the Psalms which are more familiar through their use in Christian worship and yet offer insights into the world of the Old Testament This book introduces the readers to the Psalms and the mainstream scholarship on the Psalms **Psalms** Geoffrey W. Grogan, 2008-04-22 Geoffrey Grogan here tackles the growing field of

Psalms research and presents an accessible theological treatment of the Psalter He begins by surveying and evaluating the main scholarly approaches to Psalms and then provides exegesis of all the psalms emphasizing their distinctive messages Grogan follows with a full discussion of the Psalter's theological themes highlighting the implications of its fivefold arrangement He considers the massive contribution of the Psalter to biblical theology including the way the psalms were used and interpreted by Jesus and the New Testament writers The volume closes with an analysis of the contemporary relevance of the Psalms and a step by step guide to preparing a Psalms sermon based on Psalm 8 **Preaching Christ**

from Psalms Greidanus, 2016 In this final volume of his series on preaching Christ from the Old Testament Sidney Greidanus offers expert guidance for busy pastors on preaching Christ from Psalms Beginning with a general introduction on how pastors can interpret and preach from the biblical psalms and why they should Greidanus proceeds by discussing twenty two psalms in the Revised Common Lectionary Year A supplying the building blocks necessary to preach from Psalms at

Christmas Easter Pentecost and other major days and seasons of the church year In addition to laying out basic homiletical theological approaches suitable for each selected psalm these chapters also provide verse by verse exposition bridges to Christ in the New Testament and ideas for placing the psalmist s words into contemporary context Jonathan Edwards and the Psalms David P. Barshinger, 2014 The field of Jonathan Edwards studies is only beginning to wrestle with his vast corpus of writings on the Bible and David Barshinger addresses this gap by providing a close study of his engagement with the book of Psalms Barshinger explores materials that have received little attention to date including Edwards s notebooks on the Bible and dozens of handwritten sermon manuscripts Barshinger shows that Edwards approached the Psalms not merely from a typological or Christological viewpoint but that the history of redemption provided the theological framework within which he interpreted preached and sang the Psalms At a time of increasing attacks on the Bible Edwards appropriated the book of Psalms as a divinely inspired anchor to proclaim the gospel In his reading of the Psalms Edwards treated various theological themes including God Christ the Holy Spirit revelation humanity sin the gospel Christian piety the church corporate and the eternal dwellings of all people connecting all of these themes through the redemptive historical framework that guided his vision of the Bible Psalms Geoffrey Grogan, 2008-04-22 Geoffrey Grogan evaluates the different scholarly approaches to Psalms and analyses their contemporary relevance He provides an exegesis of each psalm and incorporates a full survey of Psalter s theological themes **Seeing the Psalter** Bob MacDonald, 2013-01-31 Seeing the Psalter is a unique insight into the Psalms These 150 poems are at the heart of the faith of Israel and of Christendom No book of the Bible is more popular Seeing the Psalter highlights and shows the patterns of repeated word usage in each poem and across the collections of poems In this book the Psalter is read and analyzed in sequence revealing a deliberate organization and a coherent message formed over centuries how do we learn to rule in the midst of enemies Each poem is laid out in a very easy to read form For the English reader the translation is close and concordant as far as that is possible The concordance has been managed through a sophisticated database analysis of the glosses chosen Seeing the Psalter includes a complete Hebrew English and English Hebrew glossary of all words used in the Psalter The list of all uses of a Hebrew root in the Hebrew glossary enables an in depth study of word usage For the Hebrew reader or for one who wants to learn Hebrew the text is laid out in a form that enables memorization and the learning of the intricacies of translation The poetry is phrase by phrase side by side with the English Each chapter shows in color the patterns of word recurrence in the poems Many chapters show the close or distant relationships of poems with each other As you study this work you will find that all sorts of questions open themselves to you related to the history of the collections the character of the faith and the construction of the Psalter itself A comprehensive index of Biblical references names and themes is included allowing you to find things easily in the text Each major section of Seeing the Psalter contains brief summaries outlining and highlighting inter poem relationships and enabling the memorization of the whole The Psalms are the dialogue between God and his people It s not a

conversation one would want to miss You will love this book and reading it will show you the love that is before all things With charts in full color *A Journey of Two Psalms* Susan Gillingham,2013-11 Psalms 1 and 2 serve as a Prologue to the rest of the Psalter Susan Gillingham takes us on an illuminating journey across two and a half millennia revealing how these two psalms have been commented on translated painted set to music employed in worship and adapted in literature often being used disputatiously by Jews and Christians alike Criteria of Discernment in Interreligious Dialogue Catherine Cornille,2009-08-01 CONTRIBUTORS Mustafa Abu Sway Al Quds University Jerusalem Asma Afsaruddin Indiana University Reinhold Bernhardt Basel Univeristy David Burrell CSC University of Notre Dame Catherine Cornille Boston College Gavin D Costa University of Bristol David M Elcott New York University Joseph Lumbard Brandeis University Jonathan Magonet Louis Baeck Institute London John Makransky Boston College Anantanand Rambachan St Olaf College Deepak Sarma Case Western University Judith Simmer Brown Naropa University Mark Unno University of Oregon The Oxford Handbook of the Reception History of the Bible Michael Lieb,Emma Mason,Jonathan Roberts,2013-01-10 In recent decades reception history has become an increasingly important and controversial topic of discussion in biblical studies Rather than attempting to recover the original meaning of biblical texts reception history focuses on exploring the history of interpretation In doing so it locates the dominant historical critical scholarly paradigm within the history of interpretation rather than over and above it At the same time the breadth of material and hermeneutical issues that reception history engages with questions any narrow understanding of the history of the Bible and its effects on faith communities The challenge that reception history faces is to explore tradition without either reducing its meaning to what faith communities think is important or merely offering anthologies of interesting historical interpretations This major new handbook addresses these matters by presenting reception history as an enterprise not a method that questions and understands tradition afresh The Oxford Handbook of the Reception History of the Bible consciously allows for the interplay of the traditional and the new through a two part structure Part I comprises a set of essays surveying the outline form and content of twelve key biblical books that have been influential in the history of interpretation Part II offers a series of in depth case studies of the interpretation of particular key biblical passages or books with due regard for the specificity of their social cultural or aesthetic context These case studies span two millennia of interpretation by readers with widely differing perspectives Some are at the level of a group response from Gnostic readings of Genesis to Post Holocaust Jewish interpretations of Job others examine individual approaches to texts such as Augustine and Pelagius on Romans or Gandhi on the Sermon on the Mount Several chapters examine historical moments such as the 1860 debate over Genesis and evolution while others look to wider themes such as non violence or millenarianism Further chapters study in detail the works of popular figures who have used the Bible to provide inspiration for their creativity from Dante and Handel to Bob Dylan and Dan Brown **Lectionary Preaching Workbook on the Psalms** Hagen Staack,1982 **Commentary on the Book of Psalms. By John Calvin. Translated from the Original**

Latin, and Collated with the Author's French Version, by the Rev. James Anderson. [vol. 2. Translated by James McLean and George McCrie.] (A New Translation of Calvin's Version of the Book of Psalms, Arranged in Parallelisms.). ,1849 **Jewish Paths Toward Healing and Wholeness** Kerry M. Olitzky,2000 Grounded in the spiritual tradition of Judaism this book provides healing rituals psalms and prayers that help readers initiate a dialogue with God to guide them through the complicated path of healing and wholeness
