McGee, 1992-01-15 Perhaps it is not true that there will always be war Perhaps one day humanity will succeed in taming its savage nature so that peace for all humanity will not be merely a pious hope but a concrete reality Perhaps on day we will all be angels But until then there will be war and humanity being what it is will always form graven images to give life to its greatest hopes and fears Because our modern age is scientific does not make us immune to this reality And those images will always take on a life their own And lo there was TEK He is the latest in a long tradition of
