The Public Image of Big Business in America, 1880-1940 Louis Galambos,2019-12-01 Originally published in 1975 At the time that Louis Galambos published The Public Image of Big Business in America in 1975 America had matured into a bureaucratic state The expression of the military industrial complex and big business grew so pervasive that the postwar United States was defined in large part by its citizens participation in

large scale organizational structures Noticing this development Galambos maintains that the single most significant phenomenon in modern American history is the emergence of giant complex organizations Today bureaucratic organizations influence the day to day lives of most Americans they gather taxes regulate businesses provide services administer welfare provide education and on and on These organizations are defined by their hierarchical structure in which the power of decision making is allotted according to abstract rules that create impersonal scenarios Bureaucracies have developed as a result of technological changes in the second half of the nineteenth century Based on the premise that these structures had a stronger influence on modern America than any other single phenomenon this book explores the public s response to the growth of the power and influence of bureaucracy from the years 1880 through 1930 What results is an examination of the social perception of bureaucracy and the development of bureaucratic culture

Between Memory and History Marie Noelle Bourguet, Lucette Valensi, Nathan Wachtel, 2016-03-31 The recent wave of interest in oral history and return to the active subject as a topic in historical practice raises a number of questions about the status and function of scholarly history in our societies This articles in this volume originally published in 1990 and which originally appeared in History and Anthropology Volume 2 Part 2 discuss what contributions meanings and consequences emerge from scholarly history turning to living memory and what the relationships are between history and memory

Document Retrieval Index, 1972 The Dreamer Pam Muñoz Ryan, 2013-09-24 Pura Belpre Award Winner A tender transcendent and meticulously crafted novel from Newbery Honoree Pam Munoz Ryan and three time Caldecott Honoree Peter Sis From the time he is a young boy Neftali hears the call of a mysterious voice Even when the neighborhood children taunt him and when his harsh authoritarian father ridicules him and when he doubts himself Neftali knows he cannot ignore the call He listens and follows as it leads him under the canopy of the lush rain forest into the fearsome sea and through the persistent Chilean rain on an inspiring voyage of self discovery that will transform his life and ultimately the world Combining elements of magical realism with biography poetry literary fiction and transporting illustrations Pam Munoz Ryan and Peter Sis take readers on a rare journey of the heart and imagination as they explore the inspiring early life of the poet who became Pablo Neruda

Extracting Honduras James J. Phillips, 2022-01-04 With a focus on Honduras James J Phillips explores the deeper causes of the massive emigration of Central Americans to the United States Going beyond the frequently given reasons for migration Phillips provides a detailed account of how the frenzied extraction of natural resources has created massive community displacement dependency poverty and vulnerability while encouraging corruption violence gang recruitment drug trafficking militarization of Honduran society and systematic repression of popular protest and resistance Highlighting how this situation is tied to the colonial or imperial extractive relationship of Honduras to the United States Phillips contends that the usual policy of development aid and investment to stem migration will only worsen the conditions that create migration With this book Phillips depicts how the Central American immigration crisis shapes life in the United States and Honduras while making clear that the effects
