**Return from Exile** Carol Orsborn, 1998-09 At midlife a spiritually hungry author of self help books leaves her professional life to enroll in divinity school Return from Exile is the engaging often profound story of Carol Matzkin Orsborn's first year at Vanderbilt Divinity School the year that transformed her life In this spiritual pressure cooker we share the author's friendships with similarly searching students her encounters with challenging and supportive professors and her first serious engagement with Jewish and Christian literatures In a largely Christian environment Orsborn confronts her unconsciously held prejudices and loyalties and discovers the hidden riches within her own tradition Eventually she finds her way back to the heart and soul of Judaism but it is a very different Judaism from the one she left behind *Sounds of a New Generation* Deborah Wallrabenstein, 2017-10-15 This book offers insight into the approaches of a new generation of Jewish American writers Whether they reimagine their ancestors' life or invent their own kind of Jewishness they have a common curiosity in what makes them Jewish Is it because most of them are third generation Americans who don't worry about assimilation as their parents generation did If so how does the writing of recent Jewish immigrants from the former Soviet Union fit into the picture Unlike Irving Howe predicted in 1977 Jewish American literature did not fade after immigration It always finds new paths drawing from the vast scope of Jewish life in America **Proceedings of the ...**
