**The Return of the Native** ,2005-02-10 To be loved to madness such was her great desire Eustacia Vye criss crosses the wild Egdon Heath eager to experience life to the full in her quest for music poetry passion war She marries Clym Yeobright native of the heath but his idealism frustrates her romantic ambitions and her discontent draws others into a tangled web of deceit and unhappiness Early readers responded to Hardy s insatiably observant descriptions of the heath a setting that for D H Lawrence provided the real stuff of tragedy For modern readers the tension between the mythic setting of the heath and the modernity of the characters challenges our freedom to shape the world as we wish like Eustacia we may not always be able to live our dreams This edition has a critically established text based on the manuscript and first edition and without the later changes that substantially altered Hardy s original intentions *Thomas Hardy and Empire* Jane L. Bownas,2016-02-24 Unlike many of his contemporaries Thomas Hardy is not generally recognized as an imperial writer even though he wrote during a period of major expansion of the British Empire and in spite of the many allusions to the Roman Empire and Napoleonic Wars in his writing Jane L Bownas examines the context of these references proposing that Hardy was a writer who not only posed a challenge to the whole of established society but one whose writings bring into question the very notion of empire Bownas argues that Hardy takes up ideas of the primitive and civilized that were central to Western thought in the nineteenth century contesting this opposition and highlighting the effect outsiders have on so called primitive communities In her discussion of the oppressions of imperialism she analyzes the debate surrounding the use of gender as an articulated category together with race and class and shows how in exposing the power structures operating within Britain Hardy produces a critique of all forms of ideological oppression **Thomas Hardy** Lance St. John Butler,1978 A substantial introduction to Hardy s six major novels and his poems **The Art of the Reprint** Rosalind Parry,2023-03-30 A genuinely original work The Art of the Reprint establishes the reprint as a vital area of study In tightly curated encounters between extraordinary twentieth century artists and beloved nineteenth century novels Clare Leighton travels to Dorset to minutely observe Thomas Hardy s landscape for a 1929 The Return of the Native 1878 Rockwell Kent channels his many sea journeys into a 1930 Moby Dick 1851 Fritz Eichenberg transposes the churn and isolation of fleeing Nazi Germany onto Expressionistic engravings for Charlotte Bront s Jane Eyre 1847 and Joan Hassall elucidates a bright social world at miniature scale for a 1975 set of The Complete Novels of Jane Austen 1787 1817 Mediators between text and book and author and reader these artists interpreted these novels and then illustrated their interpretations stunningly and strangely in wood ink and paper for everyday readers **The Novels of Thomas Hardy as a Product of Nineteenth Century Social, Economic, and Cultural Change** Birgit Plietzsch,2004 *Journals of the House of Representatives of New Zealand* ,1907 Refiguring Oscar Wilde's Salome Michael Y. Bennett,2011 While Oscar Wilde s delightfully witty comedies of manners receive the most fanfare from the general public and much of academia Wilde s most serious play Salome rightfully deserves

an equal amount of attention Written by emerging scholars established scholars and notable Wilde scholars at the top of the field the far ranging essays in this book the first collection solely on Wilde s Salome provide new readings of the play allowing us to better assess how and why Salome either fits or does not fit into Wilde s oeuvre Framed in a new light in this collection this fuller understanding of Salome should potentially change the way we read both Salome and Wilde s entire oeuvre

**Staging Indigenous Heritage** Yunci Cai,2020-08-12 Staging Indigenous Heritage examines the cultural politics of four Indigenous cultural villages in Malaysia Demonstrating that such villages are often beset with the politics of brokerage and representation the book shows that this reinforces a culture of dependency on the brokers By critically examining the relationship between Indigenous tourism and development through the establishment of Indigenous cultural villages the book addresses the complexities of adopting the culture for development paradigm as a developmental strategy Demonstrating that the opportunities for self representation and self determination can become entwined with the politics of brokerage and the contradictory dualism of culture it becomes clear that this can both facilitate and compromise their intended outcomes Challenging the simplistic conceptualisation of Indigenous communities as harmonious and unified wholes the book shows how Indigenous cultures are actively forged struggled over and negotiated in contemporary Malaysia Confronting the largely positive rhetoric in current discourses on the benefits of community based cultural projects Staging Indigenous Heritage should be essential reading for academics and students in the fields of museum studies cultural heritage studies Indigenous studies development studies tourism anthropology and geography The book should also be of interest to museum and heritage professionals around the world

The Ghana Reader Kwasi Konadu,Clifford C. Campbell,2016-02-04 Covering 500 years of Ghana s history The Ghana Reader provides a multitude of historical political and cultural perspectives on this iconic African nation Whether discussing the Asante kingdom and the Gold Coast s importance to European commerce and transatlantic slaving Ghana s brief period under British colonial rule or the emergence of its modern democracy the volume s eighty selections emphasize Ghana s enormous symbolic and pragmatic value to global relations They also demonstrate that the path to fully understanding Ghana requires acknowledging its ethnic and cultural diversity and listening to its population s varied voices Readers will encounter selections written by everyone from farmers traders and the clergy to intellectuals politicians musicians and foreign travelers With sources including historical documents poems treaties articles and fiction The Ghana Reader conveys the multiple and intersecting histories of Ghana s development as a

nation its key contribution to the formation of the African diaspora and its increasingly important role in the economy and politics of the twenty first century      **Monthly Summary of Commerce and Finance of the United States** ,1904

Legislative Council,1900      Congressional Record United States. Congress,1993      Empire and the Making of Native Title Bain Attwood,2020-07-16 This book provides a new approach to the historical treatment of indigenous peoples sovereignty and property rights in Australia and New Zealand By shifting attention from the original European claims of possession to a comparison of the ways in which British players treated these matters later Bain Attwood not only reveals some startling similarities between the Australian and New Zealand cases but revises the long held explanations of the differences He argues that the treatment of the sovereignty and property rights of First Nations was seldom determined by the workings of moral principle legal doctrine political thought or government policy Instead it was the highly particular historical circumstances in which the first encounters between natives and Europeans occurred and colonisation began that largely dictated whether treaties of cession were negotiated just as a bitter political struggle determined the significance of the Treaty of Waitangi and ensured that native title was made in New Zealand      **Journals of the Legislative Council of the Dominion of New Zealand** New Zealand.
