Types and Motifs of the Judeo-Spanish Folktales Pbdirect Reginetta Haboucha,2021-02-25 This monumental book first published in 1992 represents a major contribution to Sephardic and Hispanic studies as well as to comparative folklore scholarship in a worldwide perspective After many years of fieldwork and extensive archival investigations in Spain Israel and the United States the author has brought together and analysed a massive body of primary sources This is the first collection of Sephardic narratives offered to the English speaking reader and constitutes an important addition to the understanding of Sephardic cultural tradition The Texas Criminal Reports Texas. Accounts and Papers of the House of Commons Great Britain. Parliament. House of Commons,1856 *Certain Other Countries* Carolyn Conley,2007 In *Certain Other Countries* Carolyn A Conley explores how the concepts of national identity and criminal violence influenced each other in the Victorian era United Kingdom It also addresses the differences among the nations as well as the ways that homicide trials illuminate the issues of gender ethnicity family privacy property and class Homicides reflect assumptions about the proper balance of power in various relationships For example Englishmen were ten times more likely to kill women they were courting than were men in the Celtic nations By combining quantitative techniques in the analysis of over seven thousand cases as well as careful and detailed readings of individual cases the book exposes trends and patterns that might not have been evident in works using only one method For instance by examining all homicide trials rather than concentrating exclusively on a few highly celebrated ones it becomes clear that most female killers were not viewed with particular horror but were treated much like their male counterparts BOOK JACKET *The Texas criminal reports* ,1908 *Encyclopedia of Television Film Directors* Jerry Roberts,2009-06-05 From live productions of the 1950s like *Requiem for a Heavyweight* to big budget mini series like *Band of Brothers* long form television programs have been helmed by some of the most creative and accomplished names in directing *Encyclopedia of Television Film Directors* brings attention to the directors of these productions citing every director of stand alone long form television programs made for TV movies movie length pilots mini series and feature length anthology programs as well as drama comedy and musical specials of more than 60 minutes Each of the nearly 2 000 entries provides a brief career sketch of the director his or her notable works awards and a filmography Many entries also provide brief discussions of key shows movies and other productions Appendixes include Emmy Awards DGA Awards and other accolades as well as a list of anthology programs A much needed reference that celebrates these often neglected artists *Encyclopedia of Television Film Directors* is an indispensable resource for anyone interested in the history of the medium Bulletin of the New York Public Library New York Public Library,1911 Includes its Report 1896 19 **Fire Pheonix** Shi Yun,2020-09-01 A piece of jade that could topple the world setting off chaos The empress dowager s motive for pampering her was unclear and the emperor s goal for protecting her in every possible way was unclear Then she would return the favor with an eye and a tooth for a tooth She was also the descendant of

an illustrious medical family Furthermore she had an unknown identity in the dark Why would she be afraid of their schemes Her nominal uncle said The child is mine Come with me The world s most beautiful prince said Although the child isn t this king s this king treats him as if he were his own However Didn t you say the child was yours And the result The child has nothing to do with you and you
