Return To Soul An Invitation To View The Soul:

Becoming a Disciple Daniel Bourguet,2016-07-15 In this little book Daniel Bourguet guides our meditations on three scriptural passages that lead the reader along the pathway ordained by Christ into the depths of his being Successively the disciple first follows behind Jesus along the way of perfect love Mark 1 14 20 then experiences what it is to bear the yoke with Christ and there find rest Matt 11 28 30 and finally enters the mystery of communion in which he is in Jesus and Jesus abides in him John 15 1 17 It is a pathway passing from vocation to struggle and then to fellowship but leading always to joy

another fantasy journey amid the cosmos The first adventure began with Angel Blessings Believe where we found ourselves in the incredible afterlife with Angie after she passed She felt happy light and free as a bird Her deceased loved ones beckoned to her as she ascended through the bright welcoming light Love was in the air and everywhere Everyone loved everybody regardless of how they felt about each other on earth Behaviors such as bossy stubborn unreasonable angry and all the negatives were replaced with pure unadulterated love A grand reunion held in Angie s honor was attended by her friends and family who had passed before her Her parents siblings in laws aunts uncles and cousins were all there She was thrilled beyond belief when she saw her husband her soulmate who was already there waiting for her Her deceased pets with

tails wagging non stop were all anxious to shower her with affection During Angie s first journey she met 15 amazing Archangels adorned In their finery and she learned about their areas of expertise She shared signs she received from her loved ones and signs Angie left for those left behind When it was time she helped save the loving souls back on earth Enjoy those adventures and experiences in Angel Blessings Believe Regardless of whether you have read the first book we invite you to join Angie as she takes us on a new journey and introduces us to 15 more radiant Archangels Marvel at their distinct colors and be amazed by their specific talents Come along with Angie during her visit to a hidden underwater colony sitting atop the coral reefs Travel to an incredible secret planet made entirely of breathtaking crystals Watch Angie Andrew Mary and Matthew witness and assist with the colonization of a new planet in the farthest reaches of the galaxy Enjoy riding in and learning about their new home away from home an advanced cloaked UFO with waterless showers a hydroponic growing area and advanced computers and technology You are invited to accompany Angie during her visits with old friends and making new ones This fictional story not only introduces you to 30 Archangels between the two books but is relayed to you through Angie a relatable everyday person just like you and me Two helpful appendixes provide a quick easy reference to these spectacular unseen Archangels and their specific and extensive areas of expertise Written under the guidance of Archangel Gabriel The Angel Blessings series Blessings and Imagine will give you plausible answers to questions asked throughout the ages Enjoy your journey with Angie Andrew Mary and Matthew and discover how they became a remarkable foursome throughout the universe Watch for their next journey the third book in the series which Angie has already embarked upon and is already relaying her adventures Share your own personal angel experiences with others A new book by this author called Angels on My Shoulder will tell your own miraculous stories Contact the author for details *Soul Surfer Johnny Returns* Bill Missett, 2011-06-06 While writing Soul Surfer Johnny the first book in this series I was flooded with so many additional memories of Puerto Tranquilo that I knew a second book was waiting to be written By the time the first book was finished I had jotted down more than 125 other memorable episodes I was challenged to write the book that became Soul Surfer Johnny by Joel Fotinos vice president for spiritual books for Penguin Putnam publishers during a lunch we had in 2007 He had just read my Awakening The Soul The Trilogy and challenged me to write a novel incorporating the essence of that tome ala the most successful novel of the millennium Dan Brown s The Da Vinci Code While Soul Surfer Johnny is certainly no Da Vinci Code it does carry forth that essence of spiritual growth describing a young man s soul awakening The heart of the story however remains his many wild surfing adventures most in Puerto But it wasn t planned that way A number of years ago I began compiling a list of topics for my Puerto book which I knew I would write some day But I had no plans of incorporating those memories into the book Fotinos challenged me to write revealing how to create the spiritual awakening possible within each of us However when I started writing it was immediately apparent where this story was going to Puerto where my personal spiritual awakening occurred some 25 years earlier Thus the first Soul Surfer Johnny

book had a serious underlying story of spiritual awakening that seemed out of place in a surfing adventure novel But it really wasn't because what was being portrayed as happening to Johnny really had happened to me and has occurred to others so I knew it was eminently possible I had so much fun writing Soul Surfer Johnny that I immediately started writing this book its direct sequel but with a difference This volume does not have that heavy underlying story of spiritual growth but rather only occasional references to Johnny's continuing awakening It's mostly outrageous tales of his many Puerto adventures and episodes This book richly continues the adventures of Soul Surfer Johnny the story of an East Coast bad boy who becomes a good kid as he learns to surf in the waves off Southern California In the process he joins his own sort of gang then ventures south to the big waves of Southern Mexico He is guided to Puerto Tranquilo in the late 1970s by several of his fellow Tyrone Bros gang members who had discovered the fantastic surf break there several years before There he is witness to and participates in a bizarre series of adventures Unexpectedly he begins to explore his spirituality and discovers his true inner self for the first time dramatically improving his life Like its predecessor this continuing wild tale is almost true however sometimes the actual circumstances are slightly enhanced while conveying the basic truth For example a few wave heights may have been exaggerated occasionally except in the Big Wednesday chapter which is Johnny's true eye witness account But most of the book's stories actually happened as described It makes no claim toward being all inclusive or a legitimate history of the town It's just a lot of mostly true stories about a wonderful little town in Southern Mexico All stories are re-told as accurately as memory serves

Psychopomps & the Soul Tiffany Lazic, 2025-05-08 Featuring a cross cultural introduction to psychopomps this book brings light to times of uncertainty and fear that often accompany the process of dying or its living corollary the dark that comes from shame and the shadow parts of the self Neither a book on bereavement nor a mediumship primer *Psychopomps the Soul* offers ancient wisdom to bring ease to modern distress around grief and inner darkness Whether you experience loss through physical death or psychological soul death caused by living inauthentically psychopomps can provide a full toolkit for navigating unfamiliar liminal space back to peace and wholeness Tiffany Lazic not only introduces you to psychopomps from cultures around the world but also acts as a psychopomp herself sharing personal reflections that illuminate key aspects of the journey out of the dark and back to self She teaches how to be of service to someone experiencing a similar transition as well Tiffany helps you as many psychopomps before her have find the right path in times of darkness and descent not just at the end but at any point in life With rituals meditations and ceremonies this book offers tools to guide you through the most challenging times and difficult emotions to find strength and hope
