Return To Stony Ridge:

Return to Stony Ridge Dani Sinclair,2012-01-17 A CHILD IN JEOPARDY It wasn't every day that P I Teri Johnson pulled a gun on a man in his own home but she was desperate Her sister was in a coma and her missing nephew was in grave danger She had to find the little boy before he was lost forever and contractor R J Monroe would help her even if it meant keeping her eyes and gun trained on him at all times When their search led them to an eerie mansion with too many secrets Teri wondered if she was in over her head Even with R J at her side she still didn't like things that go bump in the night But Teri would complete her mission at all costs even at the risk of losing her heart [Return to Bull Run](#) John J.

Hennessy,2012-09-06 This comprehensively researched well written book represents the definitive account of Robert E Lee's triumph over Union leader John Pope in the summer of 1862 Lee's strategic skills and the capabilities of his principal subordinates James Longstreet and Stonewall Jackson brought the Confederates onto the field of Second Manassas at the right places and times against a Union army that knew how to fight but not yet how to win Publishers Weekly **The**

Return Man V. M. Zito,2024-09-24 The outbreak tore the U S in two The east remains a safe haven The west has become a ravaged wilderness They call it the Evacuated States It is here that Henry Marco makes his living Hired by grieving relatives he tracks down the dead and delivers peace Now Homeland Security wants Marco for a mission unlike any other He must return to California where the apocalypse began Where a secret is hidden And where his own tragic past waits to punish him again But in the wastelands of America you never know who or what is watching you **Mallory, Irvine and Everest**

Robert H Edwards,2024-06-01 Unique and unconventional Robert H Edwards book provides a new perspective on mountaineering's greatest riddle With fresh information some controversial opinions and plenty food for thought it is bound to pour more fuel into the eternal flame that is the mystery of Mallory and Irvine For this alone I highly recommend reading it Jochen Hemmleb Mountaineering writer and filmmaker coinstigator and member of the 1999 expedition that found Mallory's body and three more search expeditions to Mount Everest For a quarter of a century I've been held captive by the ghosts of Mallory Irvine and their mysterious disappearance on Mount Everest in 1924 Finally Bob Edwards has meticulously assembled all of the facts the clues and the countless possibilities surrounding their fate in a single fascinating book Thom Dharma Pollard Member of the 1999 expedition that found Mallory's body The last climb of George Mallory and Andrew Irvine towards the summit of Mount Everest on 8 June 1924 has been shrouded in mystery for a century Were they the first humans to stand at the highest point in the world The discovery of Mallory's body in 1999 did nothing to resolve the mystery Until now accounts of their climb have been driven by speculation and preconceived narrative In this book which marks the 100th anniversary of the fateful climb Dr Robert Edwards brings the fresh and original perspective of a mathematician to the story of Mallory and Irvine Dr Edwards has assembled the contemporary accounts of the early British expeditions written by the climbers and their leaders and has identified their anomalies and inconsistencies He has studied the letters of George

Mallory and has held in his hand the diaries of Andrew Irvine He has viewed in person some of the surviving artifacts the ice axe found in 1933 and Mallory's boots recovered in 1999 He has corresponded with modern mountaineers who have climbed Everest Above all he has applied mathematics and modern imaging and mapping technology to an analysis of what the 1924 climbers could and could not have seen and done The Return (Amish Beginnings Book #3) Suzanne Woods
