

A person is seen from behind, parachuting over a vast, snow-covered mountain range. The parachute is a large, dark, multi-lobed canopy. The person's silhouette is visible against the lighter sky. The mountains below are rugged and covered in snow, with some evergreen trees visible in the lower left. The overall tone is dramatic and historical.

Return To Vienna:

SS-Major Horst Kopkow Stephen Tyas,2017-06-25 Previously unpublished documents in archives in Europe and the USA show how Britain's Secret Intelligence Service showed a insensitive disregard for its former agents murdered in German concentration camps A callous disregard by recruiting the Gestapo major responsible for their deaths as a consultant in Britain's own post war counter espionage activities against Soviet agents Research that shows not only how Britain recruited Kopkow but also protected him from prosecution as a war criminal Historically rich in detail with photographs of many of the characters involved On 27 May 1942 SS General Reinhard Heydrich was assassinated by Czech agents who were trained in the UK and dropped by parachute into Czechoslovakia Heydrich succumbed to his wounds on 4 June 1942 Two days later Gestapo Captain Horst Kopkow's department at Reich National Security headquarters was given fresh orders From 6 June 1942 until the end of the war Kopkow was responsible for co ordinating the fight against Soviet and British agents dropped in Germany or German occupied territories This new direction for Kopkow made his name Within months the Rote Kapelle Soviet espionage ring was uncovered in Belgium whose traces went directly to Berlin and Paris A new counter espionage war began and agents caught would pay with their lives In France and Holland the Gestapo caught many SOE agents trained in Britain By spring 1944 around 150 British agents had been deported to concentration camps By December 1944 almost all had been murdered without trial and Kopkow was directly involved in these murders Arrested by British forces after the war Kopkow was extensively interrogated due to his counter espionage experience For the next 20 years Kopkow was a consultant for Britain's Secret Intelligence Service 39 black and white photographs

Report of the Secretary of the Senate from ... United States. Congress. Senate,2009-10 *A Companion to International History 1900 - 2001* Gordon Martel,2010-03-29 A comprehensive overview of the most important international events movements and controversies of the 20th century Written by distinguished scholars each an authority in their field Explores influential underlying themes such as imperialism nationalism internationalism technological developments and changes in diplomatic methods Addresses a broad range of topics including diplomacy of wartime and peacemaking the cold war era and the new world order the end of European empires the rise of nationalism in the Third World globalization and terrorism Chronological organization makes the volume easily accessible Includes useful guides for further reading and research *Arthur E. Haas - The Hidden Pioneer of Quantum Mechanics* Michael Wiescher,2021-09-23 The book highlights the personal and scientific struggles of Arthur Erich Haas 1884 1941 an Austrian Physicist from a wealthy Jewish middle class family whose remarkable accomplishments in a politically hostile but scientifically rewarding environment deserve greater recognition Haas was a fellow student of both Lise Meitner and Erwin Schrödinger and was also one of the last doctoral students of Ludwig Boltzmann Following Boltzmann's suicide Haas was forced to submit a more independent doctoral thesis in which he postulated new approaches in early quantum theory actually introducing the idea of the Bohr radius before Niels Bohr It is the lost story of a trailblazer in the

fields of quantum mechanics and cosmology a herald of nuclear energy and applications of modern science This biography of Haas is based on new and previously unpublished family records and archived material from the Vienna Academy of Science and the University of Notre Dame which the author has collected over many years From his analysis of the letters documents and photos that rested for nearly a century in family attics and academic archives Michael Wiescher provides a unique and detailed insight into the life of a gifted Jewish physicist during the first half of the twentieth century It also sheds light on the scientific developments and thinking of the time It appeals not only to historians and physicists but also general readers All appreciate the record of Haas interactions with many of the key figures who helped to found modern physics *Faust*

Vienna's 'respectable' antisemites Michael Carter-Sinclair,2021-02-02 Vienna s respectable antisemites offers a radical challenge to conventional accounts of one of the darkest periods in the city s history the rise of organised politically directed antisemitism between the late nineteenth and mid twentieth centuries Drawing on original research into the Christian Social movement the book analyses how issues such as nationalism mass poverty and social unrest enabled the gestation in respectable society of antisemitism an ideology that seemed to be dying in the 1860s but which was given new strength from the 1880s It delivers a riposte to portrayals of the lower clergy as a marginalised group that was driven to defend itself from liberal attacks by turning to anti liberal antisemitic action as well as exposing the nurturing role played by senior clergy As the book reveals the Church in Vienna as a whole was determined to counter liberalism to the point of welcoming any authoritarian regime that would do so **Returning - Remitting - Receiving** Vytis Čiubrinskas, Ingrida Gečienė-Janulionė,

Caroline Hornstein Tomić, Violetta Parutis,2023-06-21 This volume is the result of an international research project that drew together perspectives from three countries in Central Eastern and South Eastern Europe Croatia Lithuania and Poland It explores the under researched phenomenon of immaterial values and resources that returning migrants bring with them as they have the potential to contribute to economic development together with the social political and cultural change in their countries of origin The authors explore the mechanisms challenges and successes of the process of social remitting by returnees to these countries **Report of the Secretary of the Senate, Part II, October 1, 2009 to March 31, 2010, 111-2 Senate Document 111-12** ,2010 *Law and Judicial Dialogue on the Return of Irregular Migrants from the European Union* Madalina Moraru,Galina Cornelisse,Philippe De Bruycker,2020-08-06 This volume examines the implementation of the Return Directive from the perspective of judicial dialogue While the role of judges has been widely

addressed in European asylum law and EU law more generally their role in EU return policy has hitherto remained underexplored This volume addresses the interaction and dialogue between domestic judiciaries and European courts in the implementation of European return policy The book brings together leading authors from various backgrounds including legal scholars judges and practitioners This allows the collection to offer theoretical and practical perspectives on important questions regarding the regulation of irregular migration in Europe such as what constitutes inadequate implementation of the Directive and under which conditions can judicial dialogue solve it How can judges ensure that the right balance is struck between effective return procedures and fundamental rights Why do we see different patterns of judicial dialogue in the Member States when it comes to particular questions of return policy for example regarding the use of detention These questions are more timely than ever given the shifting public discourse on immigration and the growing political backlash against immigration courts This book will be essential reading for all scholars and practitioners in the fields of immigration law and policy EU law and public law **Foreign Relations of the United States** United States.
