## **Reuniting The Covenant:**

**Reuniting the Covenant** David Pollina,2004      **Reuniting America** David J. Spitzer,2007      **Dispensationalism, Israel and the Church** Craig A. Blaising,Darrell L. Bock,2010-08-10 The relationship between Israel and the church is a crucial reference point in theology especially in distinguishing between dispensational and nondispensational ways of thinking The thesis of this book is that Israel and the church are distinct theological institutions that have arisen in the historical progress of divine revelation But they are also related as successive phases of a redemptive program that is historically progressive and eschatologically converging The approach to these issues here is neither polemical nor apologetic rather it anticipates a convergence among evangelical scholars in the recognition of both continuity and discontinuity in the Israel church relationship This book has three purposes To offer a contemporary dispensational treatment of that relationship through an exegetical examination of key texts with a focus on theological concerns To foster genuine dialogue with nondispensational thinkers regarding major biblical themes tied to the plan of God To identify the changes in dispensational thought that have developed since the publication of Charles Ryrie s book *Dispensationalism Today* in 1965      *Messianic Revelation in the Old Testament* Gerard Van Groningen,1997-07-16 Books by evangelical scholars on messianism in the Old Testament are either outdated too brief or lack balance observes the author *Messianic Revelation in the Old Testament* represents the most thorough conservative analysis of the century Van Groningen traces the messianic expectation as it is progressively revealed in the Hebrew Scriptures He first introduces the messianic concept defining its terms and uncovering its source He finds these messianic presentations rooted in and shaped by divine revelation The major part of this volume explores messianism s philological historical and theological aspects The result of this study writes the author reveals that the messianic concept refers to a royal priestly prophetic person and his work Passages that deal with these messianic motifs have been selected for close scrutiny and evaluation The author believes that a correct understanding of messianism in the Old Testament requires a balanced hermeneutical approach from exegeting the relevant texts and studying their historical context to interpreting prophecy and organizing its theological truths In the words of the author To omit one element is to do injustice to the Old Testament Van Groningen has included an extensive bibliography of both books and articles for those wishing to pursue additional study A Scripture index helps one to locate the author s exegetical insights on various passages An index of persons concludes the work      *Marriage of the Lamb* Gordon Powell,2010-05 Xlibris Podcast Part 1 <http://www.xlibrispodcasts.com/marriage-of-the-lamb-1> Xlibris Podcast Part 2 <http://www.xlibrispodcasts.com/marriage-of-the-lamb-2> Xlibris Podcast Part 3 <http://www.xlibrispodcasts.com/marriage-of-the-lamb-3> Xlibris Podcast Part 4 <http://www.xlibrispodcasts.com/marriage-of-the-lamb-4> Xlibris Podcast Part 5 <http://www.xlibrispodcasts.com/marriage-of-the-lamb-5>      *Jeremiah, Lamentations* F. problem that needs to be understood addressed and challenged The abused are humans in the image of God who need to be protected loved and empowered to stand with us and walk through life with respect and dignity When God brings a victim to us we have a responsibility to love them as we want to be loved and be faithful to that responsibility We must make sure that they and their children are safe protected and given the chance to live in peace and love Abusers are also humans who are in the image of God and they need to be taught how to live and respect all others They must be confronted and challenged to change or face prosecution by our legal system and our spiritual communities I believe that the faith community is in a great position to address this problem We have a God who grieves over the violence that occurs in families Yet we have a God who grieves even more over the fact that spiritual leaders have failed to act as servants of Yahweh in this respect The rest of this book is an appeal to you to gain an understanding of what it really means to face domestic violence and how to help bring peace and wholeness to victims and their children caught in the web of abuse It is an appeal to you to confront those who abuse others rather than shut your eyes from the Introduction

**The Trials of Abraham** Martin Sicker, 2004

The Trials of Abraham is based on the premise that the primary concern of the Torah is with establishing a conceptual framework within which a unique nation might emerge and flourish for the exclusive purpose of facilitating the emergence of a model civilization for eventual emulation by all the peoples of the earth The Trials of Abraham is devoted to a consideration of how the biblical author sought to explain through narrative rather than analysis why Abraham was chosen to be the founding patriarch of that new nation The saga of Abraham is presented in the book of Genesis in a group of stories reflecting a series of progressively severe tests or trials to which Abraham was subjected in order to demonstrate to all but especially to posterity his worthiness to be the founder of a unique nation committed to God's service The trials illustrate the

discrete steps by which he underwent transformation from a natural philosopher to a religious sage from being a consummate rationalist to becoming a man of faith capable of suppressing even the most pressing demands of reason

Understanding the biblical narrative requires that we strive to comprehend what the text as we have it is telling us explicitly as well as implicitly As is the case with many biblical texts it is not always clear what is being conveyed or why certain bits of information are provided and others omitted The challenge for the sympathetic reader is to attempt fill in the seemingly obvious gaps in the narrative and to make sense of that which is or is not said It is the purpose of *The Trials of Abraham* to assist the reader in doing just that

**Subversive Meals** R. Alan Streett,2013-06-27 Subversive Meals examines the Lord s Supper within the sociopolitical context of first century Roman domination and concludes that it was an anti imperial praxis Although the Christian communal meal looked much like a typical Roman banquet in structure with a deipnon and a symposion it was essentially different The Roman meal supported the empire s ideology honored Caesar and the gods reinforced stratification among the masses and upheld Rome s right to rule the world The Christian meal on the other hand included hymns that extolled Jesus as Lord prophecies that challenged Rome s ideological claims and letters read aloud that promoted egalitarianism and instructed believers on how to live according to kingdom of God principles Hence the Christian banquet was an act of nonviolent resistance or what James C Scott calls a hidden transcript The Law Times Reports of Cases Decided in the House of Lords, the Privy Council, the Court of Appeal ...
