Revelation And Religion:

Revelation and Religion Herbert Henry Farmer, 1981 **Revelation** Richard Swinburne, 2007-07-26 The great religions often claim that their books or creeds contain truths revealed by God How could we know that they do In the second edition of *Revelation* renowned philosopher of religion Richard Swinburne addresses this central question But since the books of great religions often contain much poetry and parable Swinburne begins by investigating how eternal truth can be conveyed in unfamiliar genres by analogy and metaphor within false presuppositions about science and history In the final part of the book Swinburne then applies the results of Parts I and II to assessing the evidence that the teaching of the Christian Church constitutes a revelation from God In the course of his philosophical exploration Swinburne considers how the church which Jesus founded is to be identified today and presents a sustained discussion of which passages in the Bible should be understood literally and which should be understood metaphorically This is a fuller and entirely rewritten second edition of *Revelation* the most notable new feature of which is a long chapter examining whether traditional Christian claims about personal morality divorce homosexuality abortion etc can be regarded as revealed truths A formal appendix shows how the structure of evidence supporting the Christian revelation can be articulated in terms of the probability calculus and shows that Plantinga's well known argument from dwindling probabilities against probabilistic arguments of this kind is not cogent *Revelation and Reason: The Christian Doctrine of Faith and Knowledge* Emil Brunner, 1946 **The Concept of Revelation in Judaism, Christianity and Islam** Georges Tamer, 2020-05-05 The idea that God reveals himself to human beings is central in Judaism Christianity and Islam but differs in regard of content and conceptualization The first volume of the new series *Key Concepts in Interreligious Discourses* points out similarities and differences of revelation KCID aims to establish an archeology of religious knowledge in order to create a new conceptual platform of mutual understanding among religious communities Erratum Wenzel Maximilian Widenka is co author of the epilogue pp 195 206 **Revelation and Religion** Herbert Henry Farmer, 1961 *Revelation and the Religions* Avery Dulles, 1999 *Revelation and Grace* Philip Djung, 2021-06-01 Our globalized world with its increasingly pluralistic societies necessitates a theological framework that enables Christians to embrace their neighbors with respect understanding and love without compromising the essential components of their own faith In *Revelation and Grace* Dr Philip Djung explores the ways in which Hendrik Kraemer's theology of religions offers the church such a framework By placing Kraemer in conversation with other twentieth century Dutch Reformed theologians namely Herman Bavinck Johan H Bavinck and Abraham Kuyper Dr Djung allows the doctrine of revelation and grace to inform his interpretation of Kraemer's work He provides a critical assessment of Kraemer's theology illustrating the significance of Kraemer's commitment to the uniqueness of Christ and the necessity of Christian mission while advocating for the need to amend certain aspects of Kraemer's perspective to more fully reflect God's presence in world religions *Jesus Is The Revelation* John G Smith LL, 2021-05-08 JESUS IS the REVELATION Revelation 1 1 The

Revelation of Jesus Christ not the revelation of the antichrist Religion is satan s method of destruction He knows but will always twist the Word of God with lies tradition and religion God s Word is Truth Too often we listen to the Gatekeepers and adopt their belief systems Lies have taught our children that explosions create rather than destroy The enemy wants death to look good and wants us to choose him over God You cannot separate God s Spirit from His Word Black cats 666 and the 13 are man made fears The King James Bible is God s perfect inspired and preserved words If He can preserve His Words for over 1500 years then why couldn t He have done it perfectly God used the hands of over 40 authors and placed Himself within the volume of His literal God breathed Hebrew letters Hosea 4 6 says My people are destroyed for lack of knowledge We will explore scripture charts and Hebrew messages Let s look for Jesus Christ rather than antichrist Jesus is on every single page Let s take an exciting journey that will open our eyes in an exciting new way John G Smith II Preacher Man by his friends is the founding pastor of The Little Word Church in Shreveport Louisiana His heart dramatically changed May 14th 2015 when his three children were involved in a traumatic accident He felt called to the ministry from that point forward He has since spent the last five years developing an online Christian Digital Library Pastor John is known for his off the wall and quirky personality and his passion for teaching the Gospel of Jesus Contact info Pastor John G Smith II The Little Word Church www.thelittlewordchurch.com thelittlewordchurch.youtube.com www.thelittlewordchurch@gmail.com www.rockirons@gmail.com

Thoughts on Revelation John Campbell,2024-01-12 Reprint of the original first published in 1874

The Philosophy of Revelation Herman Bavinck,2003-10-09 In addition to exegetical biblical and systematic theology there is room also for a philosophy of revelation which will trace the idea of revelation both in its form and in its content and correlate it with the rest of our knowledge and life writes the author one of the most distinguished Reformed theologians of the twentieth century Theological thought has always felt the need of such a science Thus Philosophy of Revelation first published in 1909 is part of the same discipline and

heritage as James Orr's *The Christian View of God and the World* 1893 and Gordon Clark's *A Christian View of Men and Things* 1952 Bavinck deals with the relationship between revelation and in chapters 2 3 philosophy 4 nature 5 history 6 religion 7 Christianity 8 religious experience 9 culture and 10 the future He contends that the word cannot be explained without God that the natural and social sciences presuppose metaphysics and that none of the subjects under consideration here is intelligible or meaningful apart from special revelation *Religion and Revelation* Keith Ward,1994 *Thoughts on Revelation with Special Reference to the Present Time* John McLeod Campbell,2022-06-01 Reprint of the original first published in 1862 *Divine Revelation...* Paul Helm,1982 *The Epistle of Jesus to the Church* James D. Quiggle,2008-01-01 The Epistle of Jesus to the Church is a commentary on the book of Revelation that assumes Jesus was the author and John the reporter of the words and events described Here one will not find an explanation of an anti Roman message written by John in hidden codes and apocalyptic motifs to fool Roman authorities John the apostle and prophet was the faithful scribe who did not create the message but faithfully and accurately described all that he saw and heard This commentary follows the principle that the Scriptures explain themselves because the Revelation is a word from Jesus to his church a word that is grounded in the Scriptures The Epistle of Jesus to the Church has been written with teachers students and pastors in mind The interpretation of the book of Revelation is thorough difficult passages are addressed and plausible answers are provided to the questions posed by in depth study of the biblical book This is a commentary for personal study or classroom instruction one that may be confidently used to preach and teach the Revelation of Jesus to the church *An Outline of the Evidences of Revealed Religion* Joseph Priestley,1833 **On Religion** Karl Barth,2007-01-01 A fresh translation of Barth's theology of religion 17 of the Church Dogmatics with an introductory essay stressing its importance not only in theology but also in current discussions of the concept of religion in the field of religious studies *Studies in Religion* Glyn Richards,2016-07-27 These studies in religion embrace Hindu Buddhist and Christian themes and examine the spiritual insights and philosophical reflections of prominent thinkers from different religious traditions Where appropriate comparisons are drawn between the views of representatives of the different traditions from an empathetic standpoint and in a way that would meet with the approval of adherents of those religions The main aim of these essays in the pluralistic religious situation of today is to enable us to escape from the small island of our own cultural tradition and to explore the richness and diversity of other cultures with their wide variety of religious experiences **The Revelation Explained** F. G. Smith,2020-01-09 The Revelation Explained is a religious book on the apocalypse of St John This book is an exposition about the development of prophecies from the time of delivery on the Isle of Patmos and some subjects about Christianity with the eternal rewards It is an enriching book on spirituality and immense growth by F G Smith
