heaven It will provide a solid biblical foundation for Christians to explore the essential truths around this topic the end of the world In a clear and understandable way The End lays out How to interpret Bible prophecy The key prophecy passages in Scripture What you need to know about the Tribulation the Antichrist and signs of the last days The strengths and weaknesses of the different views on the Rapture the Millennium and the chronology of the end times events The book of Revelation doesn't need to feel daunting The End will give you confidence in and hope for the future as it points you toward the second coming of Christ

*A Glimpse of the Coming King* Richard J. Hill, 2018-04-26 In *A Glimpse of the Coming King* author Richard J. Hill explores what the Word of God teaches about the second coming of the Lord Jesus Christ He invites believers to consider many biblical passages that predicted Christ's first coming and then those that describe His second coming The Bible student can look to the prophetic words of the Bible and get a glimpse of our coming King and reflect on how He will return triumphant and victorious ushering in a new epoch on this earth This will be the time when the King of this entire universe the Lord Jesus Christ will return to this earth and be crowned King over all His created order This small planet so seemingly unimportant will become the center of God's amazing plan for this universe By preparing spiritually now and studying the prophetic Word of God we will treasure this magnificent kingdom and delight in the coming days of the King

**The Antichrist and the Second Coming** Duncan W. McKenzie, 2012-04 What if the commonly held beliefs concerning the Antichrist are mistaken The Antichrist and the Second Coming looks at the Antichrist and the Second Advent of Christ from a preterist i.e. past fulfillment perspective and provides a unified interpretation of the little horn the prince to come the king of the North the man of lawlessness and the beast This is the second in a two volume set on the Antichrist it focuses on the book of Revelation This edition stands on its own and is recommended reading even if you have not read the first volume which focuses on Daniel and 2 Thessalonians McKenzie shows how the Antichrist was ultimately a spiritual ruler from the abyss Rev 11:7 that worked through Titus in his

three and a half year destruction of the Jewish nation AD 67-70 cf Dan 9:26 This spirit of Antichrist was about to come out of the abyss in the first century Rev 17:8 NASB and was destroyed by the Second Advent of Jesus in AD 70 a spiritual event Continue reading to see how McKenzie convincingly makes the biblical case for this fascinating and controversial position and what it means for us today Dr Duncan McKenzie is a licensed psychologist Ph D in psychology who lives in Los Angeles California He has been studying Bible prophecy for the past twenty five years and has been researching and writing this two volume set for the last twelve years Martin Luther King's Biblical Epic Keith D. Miller, 2011-11-15 In his final speech I've Been to the Mountaintop Martin Luther King Jr delivered his support of African American garbage workers on strike in Memphis Although some consider this oration King's finest it is mainly known for its concluding two minutes wherein King compares himself to Moses and seems to predict his own assassination But King gave an hour long speech and the concluding segment can only be understood in relation to the whole King scholars generally focus on his theology not his relation to the Bible or the circumstance of a Baptist speaking in a Pentecostal setting Even though King cited and explicated the Bible in hundreds of speeches and sermons Martin Luther King's Biblical Epic is the first book to analyze his approach to the Bible and its importance to his rhetoric and persuasiveness Martin Luther King's Biblical Epic argues that King challenged dominant Christian supersessionist conceptions of Judaism in favor of a Christianity that affirms Judaism as its wellspring In his final speech King implicitly but strongly argues that one can grasp Jesus only by first grasping Moses and the Hebrew prophets This book also traces the roots of King's speech to its Pentecostal setting and to the Pentecostals in his audience In doing so Miller puts forth the first scholarship to credit the mostly unknown but brilliant African American architect who created the large yet compact church sanctuary which made possible the unique connection between King and his audience on the night of his last speech The Essence of the New Testament Elmer L. Coming King Maureen Mataranyika, 2018-11-26 This is a serious message to the church The Lord gave this deep revelation of the heavenly home and his desire to take us there just after getting rid of Judas This message was meant to be a comfort to the remaining disciples who had been true to him while he walked on earth Jesus does not share deep secrets with everyone He gives all men a chance to choose him but he does not force himself on any man Judas had walked with the Lord for three and a half years He had seen all the miracles and when he was sent out to cast out demons he also had demonstrated power under special grace but he made a choice to walk away from that grace and betray the King of kings He is one man who kissed the door to heaven but still went to hell How sad      *Sermons from the Fount* Dr Tommy Mthembu, 2013-09-26
