Revelation A For The Rest Of Us:

The Last Things George E. Ladd, 2004-01-09 In recent years scriptural prophecies about the end times have become the subject of an increasing number of books. Many of these however are popularized accounts containing little thoughtful biblical scholarship. Yet the serious studies available are often too difficult for the average reader to understand. George Eldon Ladd has endeavored to rectify this situation with a serious discussion of eschatology written for the layperson. Two radically different interpretations of the relationship between the prophecies of the Old and New Testaments have been offered. One view sees separate programs for Israel and the Christian church while the other recognizes progressive revelation and a unity of the Testaments. Professor Ladd holds the latter position, basing his doctrine of the last things on the conviction that our final word is to be found in New Testament reinterpretation of Old Testament prophecy. Only as the prophecies are seen in the light of God's revelation through Christ can we clearly comprehend what they mean in relation to the end times.

The Blessed Hope George Eldon Ladd, 1956 Jesus Christ is coming again. That is the Blessed Hope which has since the earliest days of the Church energized Biblical Christians looking for the full revelation of God's redemption. The author sketches the history of interpretations of Christ's second coming and then carefully and lucidly examines the Biblical passages on which this doctrine is based. His conclusion is that the Blessed Hope is the second coming of Jesus Christ, not a pretribulation rapture that believers in a secret coming of Jesus. Yet he concludes that there should be liberty and charity within the Christian community for all who hold to the expectation of the blessed hope and appearing in glory of our great God and Saviour Jesus Christ.

The Rest of the Gospel Dan Stone, David Gregory, 2014-04-01 Do I have life more abundant? That's a question millions of Christians have asked down through the ages. Dan Stone asked that question during a time of spiritual frustration in his own life and God answered by showing Dan he had been living only a part of the gospel message. Dan's search led him to discover the truth of Christ in you as the rest of the gospel that most Christians overlook. Readers who are hungry for a deeper experience with God will resonate with Dan's discovery of the rest of the gospel, which is indeed rest for everyone who is willing to finally let go and let God.

God in glory, etc Richard Baxter,1654 **Faith's rock of rest** Charles Bullock,1886 **The Father We Never Knew** Phelim Doherty,2017-02-28 The gospel of Gods grace announces nothing less than the abolition of religion But we have taken a supernatural message and turned it into a mere natural one and the result is a spiritually immature church that sees strength primarily in natural terms and church growth as being about congregation sizes and resources rather than revelation When the glitter of religious performance what we can achieve for God is peddled in the church as real gold for long enough then we raise a generation of believers who know how to do things for God but not how to be the children of a joyful Father We raise a nation of holy orphans who not knowing their Fathers righteousness as their spiritual DNA live constantly trying to prove their parentage through their performance The result is a church so sin conscious and self conscious that she is like a bride so insecure in her identity that she has buried the likeness of her Father beneath layers of makeup In this book the author begins to peel back that makeup to reveal the simple beauty of the gospel Christ in us **Visions of Turmoil and Eternal Rest** Ebenezer A. Belete, Warren A. Shipton,2011-09-19 One of the most fascinating periods of history must certainly be around the time of Daniel the prophets time sixth and fifth centuries B C It was then that many of the philosophies that were to exert a telling influence on Western thought and Christianity arose This is the period when Buddha Confucius Lao Tzu Zoroaster and Pythagoras developed their ideas In this book we consider the coded messages written by Daniel and later by the apostle John preserved in the Bible History offers outstanding confirmation of the accuracy of their predictions We indicate how past and developing world events fit into the fabric of prophecy Revelation for the Rest of Us Scot McKnight,Cody Matchett,2023-02-28 See how the Book of Revelation can be read as a book of discipleship challenging Christ followers everywhere to live as hopeful agents of resistance and transformation The last book of the Bible frustrates and frightens many people with its imagery and apocalyptic tone Popular interpretations rely on fear and politicization and often lead to pride and alienation of others Is this really how we were intended to read John s Revelation In Revelation for the Rest of Us Scot McKnight with Cody Matchett explore the key message of Revelation and how it Calls us to be faithful and hopeful witnesses to Jesus Stimulates our imagination to see the world through the eyes of God and excite our faith Challenges us to stand against the militarism economic exploitation oppression and injustice of worldly authorities McKnight addresses the popular misconceptions about the book explaining what John means in his use of the images of dragons lambs and beasts and how the symbolism of Revelation spoke in the days of Rome and still speaks powerfully to the present day though not in the way most people think You ll learn to see the Book of Revelation in a fresh and hopeful new way Drawing from the latest scholarship the authors present an understanding of Revelation for anyone interested in deepening their personal study of the Bible and strengthening their faith as dissident disciples who can discern the presence of Babylon in our world and learn to speak up speak out and walk in the way of the Lamb New Testament Robert Jamieson,Andrew Robert Fausset,David Brown,1875 **New-Church Messenger** ,1923 **Approaching God** Paul P. Enns,1991 A year s

worth of devotional reading ideal for learning the basics of Christian doctrine Many Christians are unable to articulate the basics of Christian belief because the basics have never been clearly taught to them Since they are unlikely to pick up a theology book to learn pastor teacher and theologian Paul Enns has written this innovative easy to read devotional book that is packed with theological basics Covering the entire summary of basic Christian doctrine from bibliology to eschatology Approaching God is organized systematically and divided into 365 portions for daily reading Enns uses everyday illustrations and non theological language resulting in a highly readable and inviting format Reader friendly daily devotional format Written by an experienced theologian author and teacher Popular non technical writing **The Saints Everlasting Rest ...**
