## Revelation And Inspiration:

**Revelation and Inspiration** James Orr, 2002 Contemporary theology is often complex without being profound startling but not sober We need the opposite and we get it from James Orr Despite its age this volume provides a perennially valuable outline of a biblical theology of revelation and inspiration It was published just before The Fundamentals appeared to which Orr contributed which gave its name to Fundamentalism While Orr respectfully demurred from Hodge and Warfield on the question of inerrancy this volume offers a robust conservative rebuttal of modernism with clarity learning and balance

*Biblical Revelation and Inspiration* Harold Stauffer Bender, 1959     The Truth of Scripture in Connection with Revelation, Inspiration, and the Canon John James Given, 1881     **Holy Scripture** Donald G. Bloesch, 1994 In *Holy Scripture* Donald G. Bloesch sets out the pivotal evangelical doctrines of the Bible's revelation inspiration and interpretation Wishing to defend the orthodox evangelical faith from its friends as well as its enemies Bloesch provocatively argues against both evangelical rationalism and liberal experientialism And he proposes the alternative of biblical evangelicalism which sees Scripture as the written Word of God but stresses that it becomes the living Word of God only through the illumination of the Holy Spirit     ,     The Truth of Scripture in Connection with Revelation, Inspiration, and the Canon John James Given, 2024-05-17 Reprint of the original first published in 1881     *Revelation and Inspiration* Reinhold Seeberg, 1909

*Revelation and Inspiration* James Orr, 1910     **The Biblical Doctrine of Inspiration** James E. Smith, Ph.D., 2020-01-17 A study of the Bible's teaching about Scripture its origin nature inspiration and authority Discussion of alleged contradictions and other difficulties in the Bible are included     **Revelation and Inspiration (Classic Reprint)** James Orr, 2017-11-21 Excerpt from *Revelation and Inspiration* Man has no deeper or wider interest than theology none deeper for however much he may change he never loses his love of the many questions it covers and none wider for under whatever law he may live he never escapes from its spacious shade nor does he ever find that it speaks to him in vain or uses a voice that fails to reach him Once the present writer was talking with a friend who has equal fame as a statesman and a man of letters and he said Every day I live Politics which are affairs of Man and Time interest me less while Theology which is an affair of God and Eternity interests me more As with him so with many though the many feel that their interest is in theology and not in dogma Dogma they know is but a series of resolutions framed by a council or parliament which they do not respect any the more because the parliament was composed of ecclesiastically minded persons 5 while the theology which so interests them is a discourse touching God though the Being so named is the God man conceived as not only related to himself and his world but also as rising ever higher with the notions of the self and the world Wise books not in dogma but in theology About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an

*Global Dictionary of Theology* William A. Dyrness, Veli-Matti Kärkkäinen, 2009-10-25 Theological dictionaries are foundational to any theological library But until now there has been no Global Dictionary of Theology a theological dictionary that presumes the contribution of the Western tradition but moves beyond it to embrace and explore a full range of global expressions of theology The Global Dictionary of Theology is inspired by the shift of the center of Christianity from the West to the Global South But it also reflects the increase in two way traffic between these two sectors as well as the global awareness that has permeated popular culture to an unprecedented degree The editorial perspective of the Global Dictionary of Theology is an ecumenical evangelicalism that is receptive to discovering new facets of truth through listening and conversation on a global scale Thus a distinctive feature of the Global Dictionary of Theology is its conversational approach Contributors have been called on to write in the spirit of engaging in a larger theological conversation in which alternative views are expected and invited William A Dyrness Veli Matti Kärkkäinen Juan F Martinez and Simon Chan edit approximately 250 articles written by over 100 contributors representing the global spectrum of theological perspectives Pastors theological teachers theological students and lay Christian leaders will all find the Global Dictionary of Theology to be a resource that unfolds new dimensions and reveals new panoramas of theological perspective and inquiry Here is a new launching point for doing theology in today's global context

*Holy Scripture* Donald G. Bloesch, 2010-08-21 Voted one of Christianity Today's 1995 Books of the Year In *Holy Scripture* Donald G Bloesch sets out the pivotal evangelical doctrines of the Bible's revelation inspiration and interpretation Striving to defend the orthodox evangelical faith from its friends as well as its enemies he provocatively argues against both evangelical rationalism and liberal experientialism And he proposes the alternative of biblical evangelicalism which sees Scripture as the written Word of God but stresses that it becomes the living Word of God only through the illumination of the Holy Spirit In dialogue with Martin Luther John Calvin P T Forsyth Karl Barth and Emil Brunner Bloesch's *Holy Scripture* examines the implications of biblical authority for the 21st century It surveys the role of the Bible as seen within the Bible itself and as that role has unfolded through centuries of Christian tradition It also explains and critiques many highly contested issues such as the value of biblical criticism the meaning of myth the plethora of hermeneutical options and the nature of truth

***Visions of Turmoil and Eternal Rest*** Ebenezer A. Belete, Warren A. Shipton, 2011-09-19 One of the most fascinating periods of history must certainly be around the time of Daniel the prophets time sixth and fifth centuries B C It was then that many of the philosophies that were to exert a telling influence on Western thought and Christianity arose This is the period when Buddha Confucius Lao Tzu Zoroaster and Pythagoras developed their ideas In this book we consider the coded messages written by Daniel and later by the apostle

John preserved in the Bible History offers outstanding confirmation of the accuracy of their predictions We indicate how past and developing world events fit into the fabric of prophecy

**The Love of God** John C. Peckham, 2015-07-28 Theology has constantly wrestled with the nature of God's love and what it means for how God relates to the world In this comprehensive canonical theology of divine love John C Peckham argues for an account that avoids the errors of both voluntarist and experientialist theologies and faithfully represents the full biblical witness

**Revelation and inspiration in the Bible** Robert Knox Lyle, 1926 The doctrine of progressive revelation makes it possible to maintain the authority of the Bible

The Inspiration and Truth of Sacred Scripture Pontifical Biblical Commission, 2014-11-15 In his 2009 post synodal apostolic exhortation *Verbum Domini* Pope Benedict XVI pointed out that theological reflection has always considered inspiration and truth as two key concepts for an ecclesial hermeneutic of the sacred Scriptures and that there is today the need for a fuller and more adequate study of these realities in order to better respond to the need of interpreting the sacred texts in accordance with their nature

*The Inspiration and Truth of Sacred Scripture The Word That Comes from God and Speaks of God for the Salvation of the World* is the contribution of the Pontifical Biblical Commission toward a more adequate understanding of the concepts of inspiration and truth that respects both the nature of the Bible and its significance for the life of the Church Drawing on a close reading of the Scriptures themselves the document focuses on three main aspects

- 1 The inspiration of Sacred Scripture and the exploration of its divine provenance
- 2 The truth of the Word of God emphasizing the message about God and his project of salvation
- 3 Challenges that arise from the Bible itself on account of certain aspects that seem inconsistent with its quality of being the Word of God

Reading this document formally approved by Pope Francis will strengthen the reader to receive the word of God in the liturgical assembly and in every other place in its theological Christological soteriological and ecclesiological context in a way that corresponds ever more closely to this unique gift of God whereby God communicates his very self and invites us into communion with him

The Nature and Extent of Divine Inspiration Charles Adolphus Row, 1864

**Philosophical Sufism** Mukhtar H. Ali, 2021-07-29 Analyzing the intersection between Sufism and philosophy this volume is a sweeping examination of the mystical philosophy of Mu'y l D n Ibn al Arab d 637 1240 one of the most influential and original thinkers of the Islamic world This book systematically covers Ibn al Arab's ontology theology epistemology teleology spiritual anthropology and eschatology While philosophy uses deductive reasoning to discover the fundamental nature of existence and Sufism relies on spiritual experience it was not until the school of Ibn al Arab that philosophy and Sufism converged into a single framework by elaborating spiritual doctrines in precise philosophical language Contextualizing the historical development of Ibn al Arab's school the work draws from the earliest commentators of Ibn al Arab's oeuvre ad r al D n al Q naw d 673 1274 Abd al Razz q al K sh n d ca 730 1330 and Daw d al Qay ar d 751 1350 but also draws from the medieval heirs of his doctrines Sayyid aydar mul d 787 1385 the pivotal intellectual and mystical figure of Persia who recast philosophical Sufism within the framework of Twelver Sh'ism and Abd al Ra'm n J m

d 898 1492 the key figure in the dissemination of Ibn al Arab s ideas in the Persianate world as well as the Ottoman Empire India China and East Asia via Central Asia Lucidly written and comprehensive in scope with careful treatments of the key authors Philosophical Sufism is a highly accessible introductory text for students and researchers interested in Islam philosophy religion and the Middle East      **Bases of the Preaching** Marcos A. Toyens, 2019-11-23 The contemporary evangelical church faces serious difficulties All their leaders are aware of this and they try different diagnoses and answers for it It occurs to me that the current situation is similar to the tragic fate of Samson to whom the Spirit of God had left him and he did not realize it As solutions are sought in human and pragmatic techniques the patient aggravates their condition The only correct answer is that this vanishing life be breathed in as at the beginning of creation by the Word of God The spiritual life of the church and of ourselves depends on listening to and responding to the Word of God And for this to happen Scripture must take the central and authoritative position in the life of the church
