Revelation God And Satan In The Apocalypse:

Revelation: God & Satan in the Apocalypse James G. Kallas, Stephen B. Knudsen, 1973-01-01 Revelation James Kallas, 1973 **Revelation** James Kallas, 2020-01-30 In this book James Kallas analyzes the four most popular ways in which Christians have dealt with the book of Revelation He agrees in part with those who espouse the end of history view conceding that the epistle is futuristic in its confession of the hope of Christ's return but denying that it is only a discussion of the last days of the world He repudiates as unscriptural and blasphemous the all of history view which uses the book to calculate specific timetables of human events Underscoring the timeless character of God's promises to his suffering people a premise of the above history view Kallas emphasizes that the Word is addressed to all men of all times He fully confirms the in that history view which stressed that Revelation must first be understood in terms of its original readers the Christians of Asia Minor and its historical background Documenting his conclusions with biblical and historical examples Kallas reviews the origins and style of apocalyptic writing He explains that the theme of such literature the conflict between God and Satan on a massive scale was produced by the despair of God's people in troubled times He discusses the immediate purpose of Revelation describing its symbolic language as a camouflaged message of hope from an imprisoned apostle to Christians suffering severe persecution at the hands of Rome Only then does he carefully evaluate John's message for Christians today

Moloney, SDB, 2020-09-08 In this major paradigm shifting commentary on Revelation internationally respected author Francis Moloney brings his keen narrative and exegetical work to bear on one of the most difficult mysterious and misinterpreted texts in the biblical canon Challenging the assumed consensus among New Testament scholars Moloney reads Revelation not as an exhortation to faithfulness in a period of persecution but as a celebration of the ongoing effects of Jesus's death and resurrection Foreword by Eugenio Corsini **The Apocalypse of John Among its Critics** Alexander Stewart, Alan S. Bandy, 2023-07-26 Should Christians be embarrassed by the book of Revelation The Revelation of John has long confused and disturbed readers The Apocalypse of John among Its Critics confronts the book's difficulties Leading experts in Revelation

Covenant of Peace Willard M. Swartley, 2006 One would think that peace a term that occurs as many as one hundred times in the New Testament would enjoy a prominent place in theology and ethics textbooks Yet it is surprisingly absent Willard Swartley's Covenant of Peace remedies this deficiency restoring to New Testament theology and ethics the peace that many works have missed In this comprehensive yet accessible book Swartley explicates virtually all of the New Testament relating peace and the associated emphases of love for enemies and reconciliation to core theological themes such as salvation christology and the reign of God No other work in English makes such a contribution Swartley concludes by considering specific practices that lead to peacemaking and their place in our contemporary world Retrieving a historically neglected element in the Christian message Covenant of Peace confronts readers anew with the compelling New Testament witness to peace

Beyond the End of the World - 2012 and apocalypse Will Black, 2010-10 This book cuts through rampant misinformation circulating about 2012 to present a coherent understanding of the Mayan calendar and the significance of the date As an anthropologist and journalist Will Black has conducted research into 2012 millenarianism for several years He consequently offers a much broader and clearer picture than other books on the subject In their haste to jump onto the 2012 bandwagon most authors seem to have forgotten that the Maya are a real people often living in as violently precarious circumstances as their ancestors Will Black demolishes fantasies about crumbling calendar stones before examining the brutal cocaine wars blighting Central America The hedonistic world of many westerners who have become interested in 2012 is contrasted sharply with the lives of ancient and modern Maya The extraordinary world of shamans is contrasted with that of New Age seekers Information about key visionary substances is offered

The Nonviolent Apocalypse Jeffrey D. Meyers, 2021-11-08 Revelation is resistance literature written to instruct early Christians on how to live as followers of Jesus in the Roman Empire The Nonviolent Apocalypse uses modern examples and scholarship on nonviolence to help illuminate Revelation's resistance arguing that Revelation's famously violent visions are actually acts of nonviolent resistance to the Empire The visions form part of Revelation's proclamation of God's way as a just and life giving alternative to the system constructed by Rome Revelation urges its readers to pursue this radical form of living engaging in nonviolent resistance to all that stands in the way of God's vision for the world
