**Priesthood and Temple in John's Apocalypse** Timothy B. Tse, 2024-12-12 Timothy B Tse argues that while John uses language drawn from the Hebrew Bible's descriptions of YHWH's dwelling place, scholarship has overlooked the importance of his spatial transformation of that language. Tse thus uses theories relating to Relevance Resistance Theory, Critical Space Theory, and Conceptual Metaphor to demonstrate that a significant part of John's apocalyptic strategy of resistance is to represent his vision to his audience spatially so that they can experience a divinely ordained alternative to the world in which they live. Tse first demonstrates John's attempts to relegate his audience's experience of space to his own revelation. John's description of the visionary world creates the metaphors: the earth is a Sanctuary and the Saints are its priests. Tse argues that under this view, life on earth must be evaluated according to the concerns of the Sanctuary, which by definition requires the removal of everything impure, and the Saints, namely all Christians in both the historic and visionary worlds, must take priestly responsibility for the earth. John therefore portrays the Saints joining in the removal of all impurity upon the earth by fighting as priests in God and the Lamb's war against Satan, Babylon, and all her impurities. Tse concludes that overall, John means to realign the church's experience of space so that they understand themselves as priests of the Sanctuary and live according to that reality.

*A Testimony of Jesus Christ - Volume 1* Anthony Charles Garland, 2007 A Commentary on the Book of Revelation Volume 2 The author presents a detailed study of the Book of Revelation, emphasizing prophetic themes from the rest of the Bible which find their fulfillment in Revelation. To understand this controversial book, the author explores the many connections between the visions seen by the Apostle John and previous prophetic revelation given to Old Testament prophets such as Daniel, Ezekiel, and others. It is the author's conviction that an understanding of related passages elsewhere in the Bible is the most important key to unlocking the bewildering variety of interpretations which often accompany the study of the last book of the Bible. The commentary is linked to a free companion internet course providing an additional 70 hours of audio instruction linked to almost 1 000 slides.

**The Gospel According to St. John, Volume 1** B. F.

Westcott, 2022-08-12 B. F. Westcott's classic work on the Greek text of the Gospel of John was the fruit of forty years of research, the book having been commissioned around 1860 and published posthumously by his son. The Greek text is that of Westcott and Hort. Readings of select Greek uncial manuscripts are placed beneath the text in the case of textual variants noted in the Introduction, and all the more important readings are treated in special critical notes which are indexed.

**A Commentary On the Revelation of St. John; Volume 1** Bryce Johnston, John Johnstone, 2023-07-18 This book offers a detailed commentary on the biblical text of the Revelation of St John, providing insight into its historical and theological significance. **Three Views on the Rapture** Craig A. Blaising, Douglas J. Moo, 2018-06-26 The rapture or the belief that Jesus living followers will at some point join him forever while others do not is an important but contested doctrine among evangelicals Scholars generally hold one of three perspectives on the timing and circumstances of the rapture all of which are presented in this important volume of the Counterpoints series Three Views on the Rapture Alan D Hultberg PhD Trinity International University and professor of New Testament at Talbot School of Theology explains the Pre Wrath view Craig Blaising PhD Dallas Theological Seminary and president of Southwestern Baptist Theological Seminary defends the Pre Tribulation view Douglas Moo PhD University of St Andrews and professor of New Testament at Wheaton College sets forth the Post Tribulation view Each author provides a substantive explanation of his position which is critiqued by the other two authors A thorough introduction gives a historical overview of the doctrine of the rapture and its effects on the church The interactive and fair minded format of the Counterpoints series allows readers to consider the strengths and weaknesses of each view and draw informed personal conclusions

**The End Times Controversy** Tim F. LaHaye, Thomas Ice, 2003 The author of the Left Behind series teams up with a noted prophecy expert to provide guidelines for interpreting Bible prophecy in a consistently accurate manner equipping readers with a concise understanding of what the Bible says about the future

**The Left Behind Fantasy** William Powell Tuck, 2010-02-18 The popular Left Behind series by Tim LaHaye and Jerry Jenkins has sold more than 62 million copies since the first volume appeared in 1995 Jerry Falwell pronounced it the most important series of books in the history of modern Christianity Many readers have assumed it gives the true facts about the way the world will end and what will happen to all the people in it But according to real biblical scholarship this series is seriously flawed Based on a misreading of many scriptures including Daniel and the Book of Revelation it has fed a kind of hysteria in the Christian populace that has led many people to reorder their existence in expectation of an impending doom and the sudden unexpected return of Jesus In this book William Powell Tuck carefully and authoritatively refutes the premises and faulty theology of the Left Behind books critiquing them in the light of genuine biblical scholarship and common sense

**The Beast** Jonathan P. Leonard, 2014 The identity of the Beast rising out of the sea in Revelation 13 is a hotly debated topic Some believe the Beast has come already while others believe that he is alive today waiting to take his position of power One of the key passages cited by all groups is in Revelation 13 1 8 18 Yet the imagery of the book of Revelation has opened it to misinterpretation by modern day interpreters who are unfamiliar with the apocalyptic literary genre Jonathan Leonard explains the meaning of the Beast of Revelation 13 1 8 18 in its first century context and its relevance to members of the early church The imagery of the Beast of Revelation is not seen

as instilling fear into the hearts of believers concerning the future but serves as a stinging critique of imperial power idolatry and oppression When properly viewed in its original context the unveiling of the Beast can transcend the first century and serve to strengthen the testimony of the church of Jesus Christ in the present day **God Will Judge Each One According to Works** Kyoung-Shik Kim, 2011 This monograph provides a fresh perspective on judgment according to works by challenging both the majority scholarly view and the new perspective advocated by E P Sanders James D G Dunn and N T Wright Employing intertextuality and early Jewish mediation of scripture this study examines the idea of judgment according to works with reference to Psalm 62 13 in early Jewish literature and the New Testament The originality of this study is to highlight the significance of Psalm 62 13 in the context of judgment according to works and to argue that the texts dealing with judgment according to works in the New Testament are to be understood as interpretations of Psalm 62 13 and its broad context **The Report of the British and Foreign Bible Society** British and Foreign Bible Society, 1903 Vols 1 64 include extracts from correspondence **Annual Report of the American Bible Society** American Bible Society, 1917 Together with a list of auxiliary and cooperating societies their officers and other data Ex Auditu - Volume 12 Klyne Snodgrass, 2004-06-23 Ex Auditu began as the journal incorporating the papers of the Fredrick Neumann Symposium of Princeton Theological Seminary After the first four volumes the journal began publishing the papers from the North Park Symposium on the Theological Interpretation of Scripture The intent from the first has been to provide a forum for doing interdisciplinary theology from a biblical perspective for the benefit of the Church Each annual publication focuses on a topic crucial to the life of today's Church Additionally each issue contains an annotated bibliography and a sermon which makes it a practical guide for pastors EDITOR Dr Stephen Chester Associate Professor of New Testament North Park Theological Seminary EDITOR EMERITUS Dr Klyne R Snodgrass Paul W Brandel Professor of New Testament Studies at North Park Theological Seminary ASSOCIATE EDITOR Dr D Christopher Spinks Acquisitions Editor at Wipf and Stock Publishers EDITORIAL BOARD Terence E Fretheim Luther Seminary St Paul MN Richard B Hays Duke Divinity School Durham NC Jon R Stock Wipf and Stock Publishers Eugene OR Miroslav Volf Yale Divinity School New Haven CT John Wipf Wipf and Stock Publishers Eugene OR SUBSCRIPTION INFORMATION Individuals U S A and all other countries in U S funds 20 00 Students 12 00 Institutions 30 in the U S and 40 for international shipments in U S funds To subscribe Send pertinent information to Wipf and Stock Publishers at [orders@wipfandstock.com](mailto:orders@wipfandstock.com) and indicate your preferred method of payment Back issues are available through Wipf and Stock Publishers Symposium on the Theological Interpretation of Scripture at North Park DETAILS For more information about the symposium click [here](#) INQUIRIES Other inquiries should be addressed to one of the following Dr Dennis Edwards Associate Professor of New Testament North Park Theological Seminary 3225 W Foster Ave Chicago IL 60625 Telephone 773 244 6238 Email [sdredwards@northpark.edu](mailto:sdredwards@northpark.edu) Chris Spinks Acquisitions Editor Wipf and Stock Publishers 199 W 8th Ave Ste 3 Eugene OR 97401 Telephone 541 344 1528 Fax 541 344 1506 Email [chris@wipfandstock.com](mailto:chris@wipfandstock.com)

Beale, 2019-11-05 But many who are first will be last and the last first Matthew 19 30 The Bible is full of ironic situations in which God overturns the world's wisdom by doing the opposite of what is expected people are punished by their own sin the persecution of the church is the catalyst for its growth Paul claims to have strength through weakness and more In this book biblical scholar G K Beale explores God's pattern of divine irony in both judgment and salvation finding its greatest expression in Jesus's triumph over death through death on a cross Unpacking this pattern throughout redemptive history Beale shows us how God often uses what is seemingly weak and foolish to underscore his own strength and power in the lives of his people today     Awake and Arise the Dying of the American Church Dr. Stan Mars, 2019-09-05 The majority of churches in America are either dying or dead This is due to the sin of disobedience by man through the rejection and refusal to obey the commandments of God especially in John 13 34 35 and Matthew 28 19 20 Jesus commands us to GO into all nations and make disciples and this is an act of love for God and others You will learn that most churches are not in this business so they do not make any disciples and importantly they don't make leaders of disciples Awake and Arise calls for the reformation of the American Church to begin to do God's church God's way If the church will adhere and obey they will find revival offered by God If the church continues to refuse they will find the same experience that the Church of Laodicea found in the spewing out by Jesus Christ To the glory of God let us be humble and pray for forgiveness and move to God for His blessings to begin this journey     Holy War in the Bible Heath A.
