Silence and Praise Ryan Leif Hansen,2014-05-01 Cosmology is a central focus in John s Apocalypse Ryan Leif Hansen argues but not in the sense that John envisions a stable cosmos Rather John employs cosmological themes for persuasive purposes that include a critique of Roman imperial cultic discourse Hansen s argument requires a discussion of the apocalyptic genre and rhetoric the ways in which apocalyptic literature makes meaning especially through the construction

of symbolic worlds and then a comparison of this means with cosmological themes in which eternal Rome lies at the center of the cosmos John seeks to persuade his hearers that the world as governed and sustained by Caesar and the Roman gods and perpetuated through the Roman cult and economy is a false order passing away in order that God's new creation narrated by truthful worship and costly witness to the Lamb can emerge as gift The book concludes with suggestions for fruitful conversation with recent work in apocalyptic theology *New Testament Theology and Ethics* Ben Witherington III, 2016-03-21 In the second volume of his two volume comprehensive overview of the theological and ethical thought world of the New Testament Ben Witherington III focuses on the collective witness of New Testament writers the convergences and divergences of their theological and ethical thought **The Indelible Image: The Theological and Ethical Thought World of the New Testament** Ben Witherington III, 2010-03-30 In the second volume of his two volume comprehensive overview of the theological and ethical thought world of the New Testament Ben Witherington III focuses on the collective witness of New Testament writers the convergences and divergences of their theological and ethical thought *Theology from the Great Tradition* Steven D. Blomberg,2014-04-01 Challenges to the reliability of Scripture are perennial and have frequently been addressed However some of these challenges are noticeably more common today and the topic is currently of particular interest among evangelicals In this volume highly regarded biblical scholar Craig Blomberg offers an accessible and nuanced argument for the Bible s reliability in response to the extreme views about Scripture and its authority articulated by both sides of the debate He believes that a careful analysis of the relevant evidence shows we have reason to be more confident in the Bible than ever before As he traces his own academic and spiritual journey Blomberg sketches out the case for confidence in the Bible in spite of various challenges to the trustworthiness of Scripture offering a positive informed and defensible approach Becoming Christlike Peter Lewis,2016-07-21 God wants people to become like Christ said international preacher writer and teacher John Stott in a public address at the end of his long life Peter Lewis is similarly passionate about the Bible s message that God has a plan which centres on Jesus and includes each one of us In this accessible and helpful book he focuses on the source of Christlikeness model of Christlikenesshelps to Christlikeness contradictions of Christlikeness an dtriumph of Christlikeness Here the reader who wants to become like Christ will find radical sometimes challenging teaching practical wisdom and warm reassurance **Augustine's Apocalyptic Political Theology in the Evil Saeculum** Pung Ryong Kim,2024-09-16 Augustine s Apocalyptic Political Theology in the Evil Saeculum investigates Augustine s apocalyptic political theology under the premise that he perceived the saeculum or this age as evil Augustine views the saeculum as wicked because of the activity of the devil and demons For Augustine the devil perverted our social life and politics by mediating the false collective memory of the created world social life and politics through media such as various religious cultural liturgies and literary works In particular the demons reinforced Roman citizens amor sui amor laudis and libido dominandi by employing pagan rituals and literature that mediated the collective memory of the imperial period justifying

the existence and expansion of the empire As such this book explores the socio political implications of Augustine s demonology **Invitation to Theology** Michael Jinkins,2015-07-18 Are you intimidated by theology Confused Bored Michael Jinkins knows it doesn t have to be that way Theology is our critical and prayerful reflection on the totality of life he writes We all do theology on a regular basis whether or not we are conscious of the fact In Invitation to Theology Jinkins offers a knowledgeable helpful and caring guide to walk you through the basics of the Christian faith Following the pattern of the ancient summary of the Christian faith the Apostles Creed Jinkins highlights the key doctrines of God Jesus Christ the Holy Spirit humanity church salvation and resurrection He cuts a clear path through theological terms traditions and debates And in the spirit of C S Lewis he invites you to consider some of the most profound reflections from the distant past to the present day on Christian belief Throughout this fascinating journey the main road is always kept in view The meaning and shape of our life together as a community of persons is grounded in the inner life of God the Trinity and has been revealed to us in the life death and resurrection of Jesus Christ If you are eager to think about your faith to examine what and why you believe and to reflect on how such faith can be lived out in our world Invitation to Theology is the book for you
