000 years but it is only in the last few decades that scientists have really begun both to realise and understand the enormous scope of this amazing plant's actions and benefits. Medical practitioners, vets, dentists, therapists, nutritionists and many others involved in healthcare throughout the world are finally realising that the anecdotal evidence of the powers of this ancient plant is true.

The Glowing Skin Plan Dr Vicky Dondos, 2022-07-14 This book will make you rethink everything the world has erroneously told you about ageing. Farrah Storr, Editor of Elle. When we look in the mirror we want to see a fresh-faced, radiant and confident version of ourselves and Dr Vicky Dondos has spent fifteen years helping her clients see just that. In *The Positive Ageing Plan* she shares her advice for how you can enjoy an effortless, confident glow at every age. The aim isn't to look younger but to look and feel good about yourself and your appearance throughout your life. In this empowering guide Dr Vicky demystifies the ageing process, reveals the products that are worth investing in and shows you how to create your own personalized programme so that you can care for your own health and appearance in a way that works for you, your schedule and your budget. The expert advice in this book will help you better understand your own skin. Find the skincare approach that works for you. Learn radiance-boosting lifestyle tips. Get the lowdown on the cosmetic treatments available to you. Above all, appreciate your own natural beauty. Whatever your reasons for picking up this book, it is a science-based, straight-talking, judgement-free guide to finding the best options for your skin and will help you grow the confidence that comes with looking great. Tatler's finest one of the most rigorous, skilled, clever and charming specialists out there. Francesca White, Tatler Beauty Editor. A brilliant book I thoroughly enjoyed reading it and learned so much. I finished it feeling empowered and in control. Lily Boulle, Founder, Managing Director of Sleep Siren.

Global Ethics and Moral Responsibility John-Stewart Gordon, Holger Burckhart, 2017-05-15 The philosophy of Hans Jonas was widely influential in the late twentieth century, warning of the potential dangers of technological progress and its negative effect on humanity and nature. Jonas advocated greater moral responsibility and taking this as a starting point, this volume explores current ethical issues within the context of his philosophy. It considers the vital intersection between law and global ethics, covering issues related to technology and ethics, medical ethics, religion and environmental ethics. Examining different aspects of Hans Jonas' philosophy and applying it to contemporary issues, leading international scholars and experts on his work suggest original and promising solutions to topical problems. This collection of articles revives interest in Hans Jonas' ethical reasoning and his notion of responsibility. The book covers a wide range of areas and is useful to those interested in philosophy and theory of law, human rights, ethics, bioethics, environmental law, philosophy and theology, as well as political theory and philosophy.
