Revising and Editing for Translators Brian Mossop, 2019-09-05 *Revising and Editing for Translators* provides guidance and learning materials for translation students and professional translators learning to revise the work of others or edit original writing and those wishing to improve their self revision ability. Kincheloe, Shirley Steinberg, 2002-01-04 This book focuses directly on student empowerment through meaningful research. Drawing on the best of theoretical innovations over the last decade, *Students as Researchers* places them in a living accessible context. With a sound basis in theory, the book is also extremely practical and accessible for students, giving scenarios and examples that can be used to reveal the workings and benefits of research.
