Issues in Prayer Book Revision Robert W. Prichard,2018-09-17 Essays from academics across a spectrum of perspectives The Standing Commission on Liturgy and Music sought input from multiple sources in order to better understand the charge of the General Convention of 2015 suggesting that it present a plan for the revision of the Book of Common Prayer to the 2018 Convention While the individual chapters of this volume raise a variety of differing issues they share a common assumption that one of the sources of information for the Standing Commission and the Church in its deliberations ought to be the community of academically trained liturgical scholars The hope of this volume is to open a conversation across the church that will continue in the future *Teaching the Faith, Forming the Faithful* Gary A. Parrett,S. Steve Kang,2013-03-05 With the decline of traditional Sunday school and education programs in recent years many Christians have not learned the fundamental doctrinal content of the faith In this text Gary Parrett and Steve Kang set forth a thoroughly biblical vision for intentional teaching of the Christian faith that attends to both the content and process of educational and formational ministries *John for Beginners* James Taylor,2001 This Bible study invites both new and long time learners into an intimate and personal exploration of the Gospel of John While the gospels of Matthew Mark and Luke speak directly to the actions and

teachings of Jesus John speaks in more symbolic language that can take us to deeper levels in our own reflection of who Jesus is. Intended as a group study launching pad for discussion, this commentary can also be used for individual study. Includes questions to encourage reflection as well as short prayers after each section. Appendix includes Suggestions for Study Leaders. Because the Gospel of John appears at various places throughout each of the 3 year cycle, this book makes a good study any time for lectionary study groups.
