Establishment of Military Justice, Hearings ..., on S. 64 ..., 1919 United States. Congress. Senate. Committee on Military Affairs, 1919 [Litigation at the International Court of Justice](#) Juan José Quintana, 2015-05-19 Litigation at the International Court of Justice provides a systematic guide to questions of procedure arising when States come before the International Court of Justice to take part in contentious litigation Quintana's approach is primarily empirical and emphasis is put on examples derived from actual practice This book is mainly intended to help practitioners and advisors to governments engaged in actual cases and deliberately avoids theoretical discussions favoring a pragmatic stance that is focused not so much on what authors have to say on any given topic concerning procedure but rather on presenting directly from the Court's mouth as it were what ICJ judges actually have done and said over the last ninety years concerning such questions
