Revision Of The Treaty:

A Revision of the Treaty John Maynard Keynes, 1922 **The Collected Writings of John Maynard Keynes** John Maynard Keynes, 2012-11-08 **A Revision of the Treaty** John Maynard Keynes, 2006-09-01 OF INTEREST TO readers of 20th century history students of economics I do not admit error in having based *The Economic Consequences of the Peace* on a literal interpretation of the Treaty of Versailles or in having examined the results of actually carrying it out I argued that much of it was impossible but I do not agree with many critics who held that for this very reason it was also harmless from The State of Opinion Almost immediately after its ratification it became clear that the Treaty of Versailles ending World War I was at least partly unworkable and in this 1922 work famed economist John Maynard Keynes dissected the problems he saw as the Treaty was being put into practice In what he called a sequel to his 1919 book *The Economic Consequences of the Peace* Keynes discusses the debate over German reparations the legality of occupying Germany east of the Rhine the division of reparations among the allies how to best handle inter ally debt and more British economist JOHN MAYNARD KEYNES 1883 1946 also wrote *The End of Laissez Faire* 1926 *The Means to Prosperity* 1933 and *General Theory of Employment Interest and Money* 1936 ALSO FROM COSIMO Keynes s *A Treatise on Probability* and *Indian Currency and Finance* **A Revision of the Treaty Being a Sequel of the Economic Consequence of the Peace** Keynes John Maynard, 2016-06-23 Unlike some other reproductions of classic texts 1 We have not used OCR Optical Character Recognition as this leads to bad quality books with introduced typos 2 In books where there are images such as portraits maps sketches etc We have endeavoured to keep the quality of these images so they represent accurately the original artefact Although occasionally there may be certain imperfections with these old texts we feel they deserve to be made available for future generations to enjoy **A Revision of the Treaty** John Maynard Keynes, 2017-09-17 Excerpt from *A Revision of the Treaty Being a Sequel to the Economic Consequences of the Peace* *The Economic Consequences of the Peace* which I published in December 1919 has been reprinted from time to time without revision or correction So much has come to our knowledge since then that a revised edition of that book would be out of place I have thought it better therefore to leave it unaltered and to collect together in this Sequel the corrections and additions which the flow of events makes necessary together with my re ections on the present facts But this book is strictly what it represents itself to be a Sequel I might almost have said an Appendix I have nothing very new to say on the fundamental issues Some of the Remedies which I proposed two years ago are now everybody s common places and I have nothing startling to add to them My object is a strictly limited one namely to provide facts and materials for an intelligent review of the Reparation Problem as it now is About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a

blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **A Revision of the Treaty** John Maynard Keynes,1971 A Revision of the Treaty John Maynard Keynes,1922-06-01 This reproduction was printed from a digital file created at the Library of Congress as part of an extensive scanning effort started with a generous donation from the Alfred P Sloan Foundation The Library is pleased to offer much of its public domain holdings free of charge online and at a modest price in this printed format Seeing these older volumes from our collections rediscovered by new generations of readers renews our own passion for books and scholarship **REVISION OF THE TREATY** John
