Revisions Gender And Sexuality In Late Modernity:

Revisions Lisa Adkins, 2002 In so doing it puts forward a distinctive thesis namely that within late modernity gender and sexuality are being reworked in terms of categories of reflexivity and risk It shows that this reworking places increasing significance on issues of mobility and identity in late modernity It therefore outlines the politics of mobility in regard to identity suggesting that mobility is an important but often neglected source of power in late modernity Revisions gender and sexuality in late modernity will be essential reading for advanced undergraduates research students and academics working in the fields of feminist theory social theory sociology women s studies and cultural studies Jacket Third-Wave Feminism

and the Politics of Gender in Late Modernity S. Budgeon, 2011-10-04 This book critically assesses third wave feminist strategies for advancing a feminist politics of the self within the late modern postfeminist gender order a context where gender equality has been mainstreamed feminism has been dismissed and a neoliberal culture of self management has become firmly entrenched **Late Modernity and Social Change** Brian Heaphy, 2007-09-12 Sometimes social theory can seem dry and intimidating as if it is something completely apart from everyday life But in this incisive new text Brian Heaphy show exactly how the arguments of the great contemporary theorists play out against extended examples from real life Introducing the ideas of founding social thinkers including Marx Durkheim Weber Simmel and Freud and the work of key contemporary theorists among them Lacan Foucault Lyotard Baudrillard Bauman Giddens and Beck the book begins by examining the merits of the late modernity thesis against those of the proponents of post modernity The authors show the wide sweep of influence of post modern thought and how it has changed the way even its opponents think It also discusses feminist queer and post colonial ideas about studying modern and post modern experience With examples from personal life including self and identity relational and intimate life death dying and life politics to bring theory to life this clear and concise new text on contemporary social theory and social change is ideal for students of sociology cultural studies and social theory

Sexuality Jeffrey Weeks, 2004-06-01 We are almost programmed into thinking of our sexuality as a wholly natural feature of life But sexual relations are but one form of social relations as Jeffrey Weeks makes clear in his book Drawing on the analyses of Michel Foucault amongst others the book examines the social moral and political issues raised by contemporary forms of sexuality Weeks provides an authoritative introduction to the sociology of sexuality discussing its cultural and socio historical construction its relationship with power and the State s involvement in its rationalisation and regulation This second edition is also updated to include global and postcolonial perspectives on sexuality queer theory the internet and cybersex AIDS as a global phenomenon and international debates on the politics of sexuality This book is an indispensable introduction to this complex and expanding field *Sexuality, Gender and Power* Anna G. Jónasdóttir, Valerie Bryson, Kathleen B. Jones, 2011 Including studies of the sexual self and sexual subjectivities socio political processes of normativization and social structures of sexuality and gender in national and transnational contexts this book offers a view of

sexuality as a broad and complex dimension of historically changing social cultural and human material reality EBL

Handbook on Gender and Public Sector Employment Hazel Conley, Paula Koskinen Sandberg, 2023-05-09 This incisive Handbook offers a timely and critical analysis of the gendered nature of public sector employment Bringing together key theoretical conceptual and empirical research from around the world Hazel Conley and Paula Koskinen Sandberg examine the ways in which female public sector workers experience intersectional discrimination in the workplace

Consumption, Cities and States Ann Brooks, Lionel Wee, 2015-03-01 Consumption Cities and States examines the fascinating intersection of consumption citizenship and the state in a cross section of global cities in Asia and the West It focuses on a number of theoretical and empirical analyses developing and amplifying the intersection of consumption citizenship and the state in late modernity in relation to a range of cities examining the concept of the global city as an aspirational category for cities in Asia and the West and considering case studies which highlight the intersection of consumption and the state As Ann Brooks and Lionel Wee demonstrate the interface between citizen status and consumer activity proves a crucial point of analysis in the light of the neoliberal assertion that individuals and institutions perform at their best within a free market economy

Art, Education and Gender Gill Hopper, 2015-10-05 Why do girls study art and why do girls become primary teachers This book examines and reveals the powerful influence of the family the school and the state in shaping female identity and constructing notions of gender appropriateness It also discusses the status of art at school and the position of women artists in society

Beyond Bauman Michael Hviid Jacobsen, 2016-10-26 Bringing together leading interpreters of Zygmunt Bauman's sociology this volume thinks with and beyond Bauman's work in order to show its continued relevance as a theory in its own right as an object of criticism and as a stepping stone towards a fuller understanding of contemporary society The volume deals with some proposed omissions and absences in Bauman's sociology with chapters comparing Bauman's ideas to those of other prominent social thinkers as well as chapters devoted to teasing out some problems and pitfalls in his work Paying attention to central concepts and themes of Bauman's thought authors engage with various aspects of his work considering potential deficiencies in his ethical perspective his neglect of the religious dimensions of modernity his lack of consideration for ethnicity and gender his overlooking the importance of socialisation in liquid modernity and his problematic argument for individual choice and freedom in a world that is increasingly closed down by consumer capitalism Beyond Bauman aspires to show that despite Bauman's status as a key sociological thinker there are also certain deficiencies in his work demand critical discussion It will be of use to scholars of sociology contemporary society social theory and modernity

Postfeminist Education? Jessica Ringrose, 2013 Using feminist post structuralist and Foucauldian frameworks this book explores and critiques how educational discourses have directly contributed to post feminist notions about female power and

success Gender, Youth and Culture Anoop Nayak, Mary Jane Kehily, 2013-06-07 The question of how boys become men or how girls become women may seem simple but the answers can be complex This new edition draws upon rich examples from research popular media and global accounts to explore how gender is produced consumed regulated and performed in young lives today

Sociological Social Work Priscilla Dunk-West, Fiona Verity, 2016-04-01 Sociological social work is a lifelong social work practice which is animated by a sociological perspective Social workers shorthand orientations such as strengths perspective task centred or humanistic to name but a few as a way to identify their philosophical and theoretical approaches in professional life Whilst some texts have examined sociology for social work this text instead proposes that sociological social work is a legitimate and theoretically rich orientation and this book demonstrates what sociological social work looks like in our rapidly changing world This text will equip students and practitioners with a way to think sociologically not just while they are studying but as an ever present reference for making sense of social work purpose and how this is realised in a transforming world This follows an established tradition in social work literature but this book elevates and names the importance of this approach which we argue is critically needed if social work is to achieve its agenda in transformative social political economic and environmental contexts The current landscape in which we live is one that is characterised by rapid changes which have implications for the life experiences of those with whom social workers work social justice advocacy agendas and for fulfilling the purpose of social work more generally This book is essential reading for those looking to keep up with these changes

For the Love of Women Elisabeth Kirtsoglou, 2004-03-01 This extraordinary book opens up the strange world of the parea a lesbian secret society based in a small town bar outside Athens whose members meet clandestinely to drink dance and flirt Though conducting intense sexual affairs under the noses of other customers the parea s members many of whom are married with children and have perfectly conventional lives by Greek standards do not identify themselves as gay and have very negative images of homosexuality Based entirely on fieldwork within the parea For The Love of Women weaves stories of women s lives and relationships into an intriguing and perceptive analysis

Unfolding Lives Rachel Thomson, 2011-09 The process of becoming an adult in contemporary times is fragmented and unequal shaped by chance choice and timing Unfolding lives presents a unique approach to understanding the changing face of youth transitions addressing the question of how gender identities are constituted in late modern culture The book follows individual lives over time enabling the reader to witness gender identities in the making and breathing new life into static analytic models At the heart of the book are vivid in depth accounts of four young lives emblematic of broader biographical trends They reveal how inequalities and privileges are made in new and unexpected ways through practices such as falling in love coming out acting out and religious conversion A focus on temporal processes and changing meanings captures what it feels like to be young and shows the creative ways that young people navigate the conflicting and changing demands of personal relationships schooling work and play Unfolding lives is also a demonstration of a method in practice describing

how longitudinal material can be analysed and animated to realise the relationship between personal and social change Written in an accessible style that breaks the conventional academic mould *Unfolding lives* is a compelling and provocative read The book will be an essential text for students and academics involved in youth and gender studies as well as those interested in new directions in qualitative research methods and writing

Changing Gay Male Identities Andrew J. Cooper, 2013-04-12 As the world changes so sexual identities are changing In a context of globalisation mass communication and technological advances individuals find themselves able to make lifestyle choices in new and different ways In this increasingly confusing world sociologists have argued that identities are in flux and that traditional patterns of identity and intimacy are being disrupted and reshaped with all the implications for sexual identities that this suggests *Changing Gay Male Identities* draws on the powerful life stories of twenty one gay men to explore how individuals construct and maintain their sense of self in contemporary society The book draws upon theoretical debates on topics such as gender performance sex class camp race and ethnicity to explore four aspects of identity the role of the body in who we are relationships and communities performing in everyday life reconciling different aspects of our selves such as religion and sexuality In *Changing Gay Male Identities* Andrew Cooper assesses the magnitude of these social and sexual changes He argues that although there are many opportunities for new forms of identity in a changing world the possibilities can be significantly constrained and that this has major implications for the freedoms and choices of individuals in contemporary societies This book will be of interest to students and scholars of sociology sexuality studies gender studies and GLBTQ studies

Classed Intersections Yvette Taylor, 2016-05-23 *Classed Intersections* examines the salience transformation and tension of class analysis at a crucial juncture in its return to and reinvention of sociological agendas The contributors including both established and emerging academics examine class as produced through combined social cultural and economic practices but are clear not to reify class over and above other paradigms instead a number of key intersections are foregrounded including gender ethnicity and sexuality The collection draws on a variety of methodological positions including in depth interviews ethnographies and auto biographical approaches It scrutinizes classed intersections across a wide range of social spheres and practices including education the workplace everyday life citizenship struggles consumption the family and sexuality Taken together this volume will enhance efforts to establish new working class studies both in the UK and around the world
