## **Revisiting The Yom Kippur War:**

**Revisiting the Yom Kippur War** P.R. Kumaraswamy, 2013-01-11 Looking at the political military and intelligence components of the Yom Kippur War this work offers interpretations of Israel's conflict with the Arabs The contributors Israeli academics some involved in the war make a contribution to the understanding of this part of Israel's history **Special Issue: Revisiting the Yom Kippur War** P. R. Kumaraswamy, 1999 **The Yom Kippur War** Asaf Siniver, 2013-10-01 The Yom Kippur War was a watershed moment in the history of the Arab Israeli conflict and the modern Middle East more broadly It marked the beginning of a US led peace process between Israel and her Arab neighbours it introduced oil diplomacy as a new means of leverage in international politics and it affected irreversibly the development of the European Community and the Palestinian struggle for independence Moreover the regional order which emerged at the end of the war remained largely unchallenged for nearly four decades until the recent wave of democratic revolutions in the Arab world The fortieth anniversary of the Yom Kippur War provides a timely opportunity to reassess the major themes that emerged during the war and in its aftermath and the contributors to this book provide the first comprehensive account of the domestic and international factors which informed the policies of Israel Egypt Syria and Jordan as well as external actors before during and after the war In addition to chapters on the superpowers the EU and the Palestinians the book also deals with the strategic themes of intelligence and political of the war on Israeli and Arab societies **Israeli Culture on the Road to the Yom Kippur War** Dalia Gavriely-Nuri, 2014-02-27 The surprise of the Yom Kippur War 1973 rivals that of the other two major strategic surprises in the twentieth century Operation Barbarossa the German surprise attack on the Soviet Union and the bombing of Pearl Harbor The major difference between these events is that Israeli intelligence had a lot more and better quality information leading up to the attack than did the Soviet Union or the United States prior to those attacks Why then was the beginning of the Yom Kippur War such a surprise While many scholars have tried to explain why Israel was caught unawares despite its sophisticated military intelligence services Dalia Gavriely Nuri looks beyond the military intelligence and political explanations to a cultural explanation Israeli Culture on the Road to the Yom Kippur War reveals that the culture that evolved in Israel between the Six Day War and the Yom Kippur War played a large role in the surprise Gavriely Nuri's analysis provides new and innovative insights into the relationship between culture and socio political phenomena and security *The Yom Kippur War* Walter J. Boyne, 2024-09-04 A vivid chronicle of the military and diplomatic crisis that exploded between Israel and a coalition of Arab states in October 1973 The Yom Kippur War brought Arab and Jew into vicious conflict A war in which Israel almost unleashed her nuclear arsenal and set two superpowers on a treacherous course of nuclear escalation And a war that eventually brought peace But a peace fraught with delicate tensions disputed borders and a legacy of further bloodshed This is a war that Israel never thought was possible Surprised by the fury and excellent execution of the Arab onslaught and perhaps more than a little complacent Israel suddenly found itself on the point of losing

a war because of a lack of ammunition planes and tanks The United States after much vacillation finally elected to help Israel beginning a tremendous airlift code name Operation Nickel Grass which incurred the wrath of the Arab states and their sponsor the Soviet Union Fortunately the airlift came just in time for Israeli ground forces to stabilize their positions and eventually turn the tide in the Sinai and Golan Heights And it was all made possible by an operation that dwarfed the Berlin Airlift and the Soviets simultaneous efforts in Egypt and Syria      The Yom Kippur War Abraham Rabinovich,2007-12-18 An updated edition that sheds new light on one of the most dramatic reversals of military fortune in modern history The easing of Israeli military censorship after four decades has enabled Abraham Rabinovich to offer fresh insights into this fiercest of Israel Arab conflicts A surprise Arab attack on two fronts on the holiest day of the Jewish calendar with Israel s reserves unmobilized triggered apocalyptic visions in Israel euphoria in the Arab world and fraught debates on both sides Rabinovich who covered the war for The Jerusalem Post draws on extensive interviews and primary source material to shape his enthralling narrative We learn of two Egyptian nationals working separately for the Mossad who supplied Israel with key information that helped change the course of the war of Defense Minister Moshe Dayan s proposal for a nuclear demonstration to warn off the Arabs and of Chief of Staff David Elazar s conclusion on the fifth day of battle that Israel could not win Newly available transcripts enable us to follow the decision making process in real time from the prime minister s office to commanders studying maps in the field After almost overrunning the Golan Heights the Syrian attack is broken in desperate battles And as Israel regains its psychological balance General Ariel Sharon leads a nighttime counterattack across the Suez Canal through a narrow hole in the Egyptian line the turning point of the war      *Israel in the 1973 Yom Kippur War* David Rodman,2016-10-20 The State of Israel faced one of its most difficult challenges during the 1973 Yom Kippur War Though the Israel Defense Forces IDF eventually emerged as the clear victor in the war it suffered serious reverses at the outset of hostilities as well as substantial losses in men and equipment This book revisits the Yom Kippur War by exploring a number of issues that have not previously received the attention they deserve or that would benefit from a fresh evaluation Among the issues examined are the American Israeli and Jordanian Israeli relationships during the war the roles of Israeli nuclear weapons and airpower the IDF s practice of combined arms warfare the reasons why the IDF turned the tide of the war more quickly on the Golan front than on the Sinai front the impact of American arms transfers and the lessons derived from the war by the United States Army and the IDF This book which relies heavily on government documents and other primary sources of information fills important descriptive and analytical gaps in the academic literature about the Yom Kippur War No other book compares to it in respect of content and interpretation It is in short essential reading for all scholars interested in the diplomatic and military dimensions of the war      **The October 1973 War** Asaf Siniver,2013-09-30 The October War of 1973 also known as the Yom Kippur War was a watershed moment in the history of the Arab Israeli conflict and the modern Middle East more broadly It marked the beginning of a US led peace process

between Israel and her Arab neighbours it introduced oil diplomacy as a new means of leverage in international politics and it affected irreversibly the development of the European Community and the Palestinian struggle for independence Moreover the regional order which emerged at the end of the war remained largely unchallenged for nearly four decades until the recent wave of democratic revolutions in the Arab world The fortieth anniversary of the October War provides a timely opportunity to reassess the major themes that emerged during the war and in its aftermath and the contributors to this book provide the first comprehensive account of the domestic and international factors which informed the policies of Israel Egypt Syria and Jordan as well as external actors before during and after the war In addition to chapters on the superpowers the EU and the Palestinians the book also deals with the strategic themes of intelligence and political economy as well as the socio political legacy of the war on Israeli and Arab societies

Jewish Contiguities and the Soundtrack of Israeli History Assaf Shelleg, 2014-10-15 Jewish Contiguities and the Soundtrack of Israeli History unfolds the cultural itineraries of modern Jewish and Israeli art music Extending from modern Jewish art music in Europe through its dislocation to British Palestine and Israel the book captures the tensions between national rhetoric and nationalized theological tropes through the way they have been recorded in art music Author Assaf Shelleg begins with the prehistory of Israeli art music in central and Western Europe He introduces the reader to the various aesthetic dilemmas in the history of modern Jewish art music ranging from auto exoticism to Jewish self hatred Moving on to consider the Hebrew culture he discusses the institutionalization of art music in British Palestine and the dilution of romanticist nationalism during the interregnum of Israeli statehood Delving into the proliferation of styles in the 1950s and 60s Shelleg examines the collapse of traditional Hebrew templates and the concomitant surge of linear compositional devices inspired by Arab Jewish music By the 1970s he reveals Israeli composers saw musical Judaism as a cultural discourse that transcended the nation they deterritorialized the national discourse at the same time that religious Zionist circles had been translating theology into politics Shelleg unearths the various cultural constraints and dialectics that played a pivotal role in the dislocation of modern Jewish art music to Israel and looks at the Jewish undercurrents of Hebrew culture and how Jewish secularized concepts outgrew their national functions Jewish Contiguities and the Soundtrack of Israeli History will be essential reading for scholars of Jewish and Israeli music culture and history

**Constructive Illusions** Eric Grynviski, 2014-08-21 Are the best international agreements products of mutual understanding The conventional wisdom in economics sociology and political science is that accurate perceptions of others interests beliefs and ideologies promote cooperation Obstacles to international cooperation therefore emerge from misperception and misunderstanding In Constructive Illusions Eric Grynviski challenges this conventional wisdom by arguing that when nations wrongly believe they share a mutual understanding international cooperation is actually more likely and more productive than if they had a genuine understanding of each other's position Mutual understanding can lead to breakdowns in cooperation by revealing intractable conflicts of interest identity and ideology Incorrectly assuming a

mutual understanding exists in contrast can enhance cooperation by making actors confident that collaborative ventures are in both parties best interest and that both parties have a reliable understanding of the terms of cooperation Grynaviski shows how such constructive misunderstandings allowed for cooperation between the United States and the Soviet Union between 1972 and 1979 During the détente the superpowers reached more than 150 agreements established standing consultative committees regularly held high level summit meetings and engaged in global crisis management The turn from enmity to cooperation was so stark that many observers predicted a permanent end to the Cold War Why did the superpowers move from confrontation to cooperation Grynaviski's theory of the role of misunderstanding in cooperation provides an explanation that is significantly different from liberal institutionalist and constructivist approaches This book's central claim is that states can form what French president Valéry Giscard d'Estaing called a superb agreement based on complete misunderstanding

*Allies Apart* A. Scott, 2011-10-26 To date the Heath Nixon years have been widely portrayed as marking a low point in the history of Anglo American relations even the end of the special relationship using a wealth of archival material on both sides of the Atlantic and examining a range of global developments *Allies Apart* offers a fresh interpretation of this pivotal period

*Galia Golan: An Academic Pioneer on the Soviet Union, Peace and Conflict Studies, and a Peace and Feminist Activist* Galia Golan, 2018-10-26 This is an autobiography of an unusual and versatile woman focusing on her academic development and achievements as well as her international activism In addition to a discussion of the origins and path of the author's academic work and activism for peace and for women's rights that deals with the author's work in US intelligence and immigration to Israel in the 1960s the volume includes ground breaking articles from the different often controversial areas of her academic specializations Czechoslovak communism Soviet foreign policy peace studies the Arab Israeli conflict women's rights The volume also includes photos of the author at work and in action The book offers an inside look at a lifetime of courageous activities and ground breaking intellectual pursuits of a woman who was a leader in her academic field and in the struggle for peace and for women's rights The included texts themselves shed light on important topics both past and present including the Israeli Arab Conflict and also the issue of women and peace *Defending Israel* Martin van

Crevelld, 2025-06-25 Israel is a tiny country From tip to toe it stretches 260 miles long but is only 60 miles at its widest point Since the days of the British mandate the question of defensible borders for the Jewish state has always been problematic Yet considering the larger picture of what has happened in the Middle East over the last 25 years the peace treaties with Egypt and Jordan the weakening of Syria as a result of the collapse of the USSR the smashing of Iraq by the US Israel is militarily speaking stronger than ever before The greatest remaining threats are terrorism and guerilla warfare and those this book argues are best dealt with territorial concessions Martin van Crevelld's *Defending Israel* is a compact incisive study that is certain to draw attention **Arab World and Western Intelligence** Dina Rezk, 2017-06-02 Have Western intelligence

experts fundamentally failed to understand the dynamics leaders and culture of the Middle East Using the most recently

declassified documents interviews and Arabic sources the book examines seminal case studies to explore how the most knowledgeable and powerful intelligence agencies in the world have been so notoriously caught off guard **Israel's National Security Towards the 21st Century** Uri Bar-Joseph, 2014-09-19 This volume discusses three principal issues the Israeli army and the Revolution of Military Affairs RMA Israel's present and future answers to the threats of weapons of mass destruction WMD and the impact of societal political and technological changes on Israel's future war objectives *The Arab-Israeli Conflict* P.R. Kumaraswamy, 2023-04-24 This book provides a holistic view of the conflict between Israel and its Arab neighbours and studies the global implications of their fraught relations Focusing on the conflict from its beginning in the late 19th century the author provides a well rounded and balanced narrative by examining its religious ideological ethnic political national regional and international dimensions The volume covers a wide range of issues such as the conflicting historical legacy of the city of Jerusalem Jewish longing for a homeland the partition of Palestine various wars and conflicts since 1948 Palestinian resistance the Arab Boycott of Israel and the Abraham Accords It also tackles the contested national claims and the refugee question and looks at various peace making efforts including the role of external stakeholders such as the US UK Russia and India A comprehensive study of the Arab Israeli conflict the book is richly supported by a swath of references to materials documents maps and video links It will be an essential reading for students academics and teachers of politics and international relations national security geopolitics history military and strategic studies Middle East studies conflict resolution and peace making **The Arab-Israeli Conflict** Kirsten E. Schulze, 2013-11-14 In this fully revised new edition Kirsten Schulze brings us to a new understanding of the causes course and consequences of the Arab Israeli Conflict Schulze analyses the dynamics of the violence and explores the numerous attempts at resolving the conflict She assesses why in the cases of Israel Egypt in 1978 and Israel Jordan in 1994 negotiations succeeded in bringing about a lasting peace and why in the cases of Israel and the Palestinians Syria and Lebanon they failed to do so Written in a clear and accessible style this fully updated second edition Traces the origins of the conflict from their first intellectual roots in the 19th century Examines the actions and aims of the competing nationalist movements during the period of the British Mandate which led to the creation of the state of Israel Outlines and analyses each of the Arab Israeli conflicts from the creation of the state of Israel in 1948 to the 2006 Lebanon war and the on going second Palestinian uprising With a diverse collection of documents and a Chronology Glossary Guide to Further Reading and a Who's Who summarizing the careers and contributions of the main figures this book is absolutely vital to understanding the current Israeli Palestinian violence the intra Palestinian rift between Hamas and Fatah and why the Arab Israeli conflict has become the centre of Muslim politics both violent and non violent across the world *The A to Z of the Arab-Israeli Conflict* P R Kumaraswamy, 2009-07-24 For over a century the conflict between the Arabs and Jews has remained the most intractable problem confronting the world Hardly a day passes that the Arab Israeli Conflict is not headlined in the media It has turned the Arabs and Israelis against one another and

embittered relations within the two communities while drawing the rest of the world into the circle of disruption The A to Z of the Arab Israeli Conflict provides factual background through an introductory essay a chronology a bibliography and hundreds of cross referenced dictionary entries on the more significant persons places and events including the various wars and negotiations The history religion culture and archeology that this rivalry has sparked between the Arabs and Israelis over the same piece of territory is traced in this book which offers the essential details using neutral terms and thereby allowing readers to draw conclusions for themselves The Military Effectiveness of Post-Colonial States Pradeep Barua,2013-04-15 Current military historiography has a tendency to portray the military effectiveness of non western post colonial states in broad generalized stereotypes This monograph examines the militaries of Nigeria Argentina Egypt and India in times of crisis to challenge these assumptions The book shows that despite having broad similarities each of these states had unique characteristics that impacted their military effectiveness in different ways These key variables included the military institutions maturity and skill sets the availability and management of human and material resources and the quality of both civil and military leadership Israel David Levi-Faur,Gabriel Sheffer,David Vogel,2014-02-04 These essays examine changes in Israel s political social and economic institutions and describe how Israeli culture and institutions are resisting convergence They are in four categories political institutions and organizations political economy ethnicity and religion and public policy

## Decoding **Revisiting The Yom Kippur War**: Revealing the Captivating Potential of Verbal Expression
