Vincent, 2013-09-30 Bill Vincent has written other Glory books such as Glory Pursuing God's Presence Glory Increasing God's Presence and Glory Expanding God's Presence Glory Revival Presence Of God will give the readers greater understanding of their true spiritual inheritance that will help unlock the power of who they are in Christ Jesus as sons and daughters of God It will release a new outlook concerning Revival and the presence of God Fasten your seat belt as you continue reading this outstanding book Glory Revival Presence Of God **Miracles Are Awakened** Bill Vincent, 2023-05-30 You are about to read about some of the most life altering miracles that have ever occurred in my life Since I was a child I've wanted to share my story with the world but no matter how hard I tried God seemed to prevent me from doing so Since this book will focus on healings and miracles I realize it will only be a small portion of my story In order to walk in God's healing power you must have a desire to see people freed from their slavery

Because of all the agony and suffering I've been through God has used my testimonies to inspire enormous confidence in my heart for the healing of others. My life would not be possible if it weren't for the healing and miracles God has performed in my life. I give him all the credit and thanks. Several of the miracles I've witnessed date back to when I was a child. For me, God's mercy, grace, and healing power are manifest in my life. Several times if it weren't for God's grace, I might have died. There were twenty-five recommended medications each day for various symptoms and side effects that left me sluggish and disoriented in my early 20s because of my poor health at the time. God's miraculous intervention when the physicians had given up is one of the most moving testimonies of my life. My knees, ankles, nose, gallbladder, and many other parts of my body were all surgically repaired by the time I was in my twenties. When you feel as if you've lost all hope, I want you to know that no matter where you are in the things of God, God can hear you and deliver you. Testimony is not usually arranged in a chronological order.

**The Secret to Spiritual Strength** by Bill Vincent, 2023-04-28. The thing God kept speaking to me today was how many and how often might we have robbed ourselves of a blessing. How many times and how often do you think it takes place that you tie down hands or rob yourself of a blessing? Because sometimes we'll react rashly or so negatively about a situation instead of responding in the way God wants us to respond. And I believe we have blown our blessings. I believe some of this we started talking about last week, but God's saying he wanted me to talk about this part this week where we need to understand that sometimes it's not the devil. Sometimes it's not it's not somebody else. But it's we have robbed ourselves of a blessing. You say, oh, God doesn't work that way. You got anybody here ever have a father? Everybody has a father, a dad. Anybody here has a mother? Everybody has a mother, even no matter what. And I'm telling you when we look at this, let's say for an example we have two girls, both the same mother, and let

s say this one cleans a room This one gets all the things are taken care of she s supposed to do And this one does not There are certain benefits this one s gonna get Because this one has done and has been obedient to do what they re supposed to do The one that was disobedient and said I don t want to do it right now I don t care I don t want to clean my room it is too messy They don t receive the blessings because of obedience they believe they receive a blessing for their disobedience And what that means is they re going to get something because of their obedience And they re not because of their disobedience So the way God looks at us is the same way whenever he tells us to do something and we don t respond the way we re supposed to But it actually can rob us And just so you know not every time does God necessarily say Joshua you re supposed to write those things down and study them through because I m just trying to speak to you doesn t necessarily mean that you have to be obedient by something that God said to you Sometimes it s about God put laying something on your heart I went through a season of being robbed by the Spirit because God told me to give somebody 20 So when I finally caught up and I realized I shouldn t give them 20 I gave them 40 Because I figured I had some interest to make up Sometimes we get to the place A Closer Relationship With God Bill Vincent,2023-03-21 A CLOSER WALK WITH GOD is being released after months of seeing many with a need of a deeper intimacy with God We all must learn to stay connected with God After you read A CLOSER WALK WITH GOD you are going to see for yourself what God says about it Have you ever wondered if it s possible to have a meaningful relationship with God BILL VINCENT S powerful study will help you discover for yourself how such a rewarding relationship with God is possible The last two Chapters are Daily Bible Reading and Daily Devotions to help you to get on the right track in your walk with God You will also learn how salvation is something you keep burning on the inside of you You have to keep your fire burning and there are many things released in A CLOSER WALK WITH GOD that will help you begin your journey to genuine faith

**The Secrets to Getting Your Miracle** Bill Vincent,2023-03-01 I ve witnessed the Church in desperate need of miracles Although I believe the price has been paid there are still a great number of people who have been affected You are about to learn that it is God s will for you to be healed and that God does not afflict His people with illness This book will begin with repentance and progress to God s love providing health Every believer will benefit from the latter two chapters Why don t miracles happen and some evidence appears in your life Church and even family to address this critical issue Also what is it that causes miracles to happen for some people but not for others This is a compact book that contains everything you ll need to receive your miracle Creating a Model Church Bill

Vincent,2023-06-02 The Church has been spinning out of control for hundreds of years The current state of the Church is no match for the Early Church This book is being published in order to restore the Church and to establish a new form of church known as a Prototype Things don t always turn out the way we expect them to It doesn t seem to matter how hard we prepare and strategize keep the chain of command minimal to avoid confusion work within strict constraints and generally specifically stay on top of things I m here to inform you that this book is inspired by the Holy Spirit and will undoubtedly stir

up some religious debate Some strange variable that we hadn't expected will enter into the mix and cause havoc Assume you're in the midst of a full fledged revival There has been a great move of God that has shattered all of your comfortable church beliefs and traditions The Holy Spirit has instilled in you and your church a strong desire to evangelize and combat demonic forces wherever they may be found Even the weakest brethren now have considerably more anointing than your most powerful preachers did before the march of God began Thousands of people are being rescued Sick people are being healed demons are being thrown out and the country is being turned inside out Are you prepared for a Church like this I'm here to inform you that today is your day to seize God's intentions for you     Armed for Battle Bill Vincent,2023-03-22 God spoke to Bill Vincent and said there is a battle command I want to release in your midst The battle command is against demonic spirits Bill really believes that there are really a lot of demonic spirits in the church A lot of demonic spirits come through in a lot of things that we deal with The curse of Adam and Eve is still in full operation in the earth It would be foolish for us to think that we have no sin in our hearts and lives We are all stuck with having to deal with real demonic spirits None of us can say otherwise Many say I don't have anything to deal with I don't need to deal with things of this world That's never going to be true When we are not dealing with things then something is wrong We must be going the wrong direction or something It has been estimated that 25% of the miracles that Jesus performed were casting out demons out of people Like it or not we have been born in a war zone When you are born again you are born into a war zone You have to realize just because of the day Adam and Eve fell we have been born into a war zone to have to deal with spiritual wickedness in high places Whether there is a snake still going about talking about the devil He is still trying to tempt and just destroy us and sway us off the path that we are supposed to be on Not only are we all stuck to have to battle with people who have chosen and here is what Bill means by this they have chosen by their own free will to live a life on the dark side     **The Non-Fiction Writer's Guide** Bill Vincent,2023-02-01 This book provides a comprehensive guide for writers looking to master the art of non fiction writing From defining the book's purpose and target audience to conducting effective research and finding the right voice the book covers all the key elements of successful non fiction writing Through a focus on storytelling techniques including the use of description sensory detail humor and personal anecdotes the book teaches writers how to craft engaging narratives that captivate their readers With practical advice on editing revising and polishing writing as well as tips on building a platform and promoting their work this book is a must have resource for writers at all levels of experience The chapter on the business of non fiction writing provides guidance on navigating the publishing world and the ethics of balancing fact and interpretation while the chapter on staying inspired and motivated offers support and inspiration to writers as they continue their journey Whether you are a seasoned writer or just starting out The Non Fiction Writer's Guide Mastering Engaging Narratives will help you hone your skills and bring your writing to the next level     **Breaking Curses** Bill Vincent,2023-03-21 As the follow up to Bill Vincent's book Beginning the Courts of Heaven Breaking Curses Legal Rights

Courts discusses Heavenly judgement with legal metaphor This book is easy to understand and uses verses from the Bible to further explain what happens when our spirits reach Heaven This informative book by Bill Vincent also discusses how curses can affect your spiritual court and how to avoid or deny them Secure your victory in spiritual court when you are brought before God so that you can receive all that God has to offer **Ascension to the Top of Spiritual Mountains** Bill Vincent,2023-05-30 The Enemy s plan is being shattered no matter what Awe inspiring and majestic is the sight of the All Powerful God atop the sky and the earth Since the birth of our child we have been given a son he is given the authority to rule over us and his name will be Wonderful Counsellor the mighty God he is the everlasting Father and he is the Prince of Peace With a military strategy Satan and the fallen angels attempted to overthrow the Father from Heaven s throne Let s not treat His words as if they were satire All of us must unite and follow the Lord s instructions and we must avoid the devil and his schemes One of the most devastating deceptions used by the enemy is to make people believe he doesn t exist The devil like a roaring lion walks the earth looking for prey therefore be on your guard We are deceived into thinking that the person we are dealing with is solely responsible for the situation but there is a lot greater influence on that person than we realize

**Faith** Bill Vincent,2023-03-22 Faith A Connection of God s Power is a cutting edge book that will stir a new level of faith in today s world Whether you are a new Christian or a longtime friend of God you will truly be blessed by Bill Vincent s simple teachings through this book In his passionate desire to see believers walk in the supernatural Bill Vincent has put together this book Faith A Connection of God s Power to stir up believers into greater dimensions of spiritual manifestation Bill experienced the faith teaching for the first ten years of his ministry Everyone was preaching the faith message and Bill spent over ten years of his ministry avoiding that subject It was in his heart that all that could have been taught was taught on the simple subject of faith In mid 2015 Bill found God moving him to preach on faith nearly every week Now after a long anticipation for the fresh release on this subject we hope you enjoy Faith A Connection of God s Power *The Universal World* Bill Vincent,2023-02-27 It still amazes me that I m working on a book like this It was just a few years ago that I had no idea what the supernatural was all about My life was seized by God s presence which provided miraculous favor power revelations open visions and meetings with Heaven Many people are content with a smidgeon of heaven There are secrets waiting to be discovered at this precise moment Why should we wait till we die to enjoy heavenly encounters If you press in for more of the spiritual realm while you read this book I believe the Heavens will open over your life **Increase Your Anointing** Bill Vincent,2023-03-16 God said that we are to do greater works Most ministries are not even doing the works of Jesus Things are about to change God has spoken that what I have discovered is being made available so that we can all attain the prize of our high calling It is time for us to flow in miracles signs and wonders I m talking about even in the local Church Get ready for an increase of the anointing Remember it is going to cost you something but it will be worth it You are about to discover three life changing types of anointing There is the revelatory the breaker and the kingly anointing This is

the most important things I discovered that brought a higher level anointing      **There Are Countless Churches** Bill Vincent, 2023-05-30 Whether people like it or not the traditional church is in serious difficulty and has been fighting for survival for years There is a tiny uptick in the number of new non traditional churches which helps us all see that God has a new method of doing church There are no quick fixes in this book but there are true roots that are being uncovered There is no need for another religious group or activity in the Church We need compassionate Christ centered leaders not religious leaders Bill is a God sent prophet with a powerful message that the entire Church needs to hear Bill demonstrates that many churches large and small are meeting and remaining silent as the world continues to deteriorate in many ways The truth is that the world including some churches is on its way to Hell We must heed the urgency of all God has placed on Bill Vincent's heart and the hearts of many prophetic voices like him Why is America in such horrible shape when there are so many churches Someone has dropped the ball This is why rather than brushing it off and passing it on to the next person we can't just attend to Church as spectators When we're asked to pray for a person or a country we must take it seriously and truly struggle and intercede This would be the point at which the ball would be dropped You understand why horrible things have happened in America God is attempting to awaken this country to the fact that there is a greater power at work in this country that is not the President of the United States      *Beginning the Courts of Heaven* Bill Vincent, 2023-03-21 Beginning the Courts of Heaven is a powerful message by Bill Vincent that will inspire you to find success Written to invoke the feeling of a personal message this book discusses Jesus' teachings on prayer with evidence directly from the bible With intricate knowledge and understanding of the bible Bill Vincent uses scripture to help illustrate his intentions with this inspirational message Discover how God is not only our Heavenly Father but also calls us to be his friend and how this can help you find success and follow the path He has laid out for you
