Winslow, Steve Hill, 2010-08-12 The Revival Study Bible takes a close look at revivals that draw men to God's work in breathing new life into the Church This unique Bible covers rich Christian history spanning over 2 000 years of God's acts that center around revival missions and evangelism It also gives inspiring accounts of supernatural miraculous and prevailing acts of the Lord Emphasizing passion and action and not just data this dynamic Bible gives an international flavor drawn from active tested and fruitful ministries involved in ongoing awakening      Prayer That Ignites Revival Joe Oden, 2024-04-23 The Secret to Every Spiritual Awakening in History Today's standard for morality is whatever is right in your own eyes The world is experiencing moral decline cultural shifts away from God and hostility toward the things of God Through engaging stories and dynamic teaching evangelist and prayer leader Joe Oden reveals that passionate prayers and humble hearts from believers willing to partner with the Holy Spirit are what usher in great revival In these pages you will learn how to develop a lifestyle of consistent powerful prayer implement biblical and historical principles of revival cultivate personal habits that birth spiritual awakening release God's power to shift the atmosphere and shake the nations Today is your day to kneel humbly rise bravely and move boldly to see sweeping cultural revolution signs and wonders deliverance and the salvation of millions of souls that causes even skeptics to be in awe of God      Thm a Memoir David McCallie, 2011-06-22 Thomas Hooke McCallie wrote a memoir in 1902 reporting for the benefit of his children what he knew of his family's immigration to the New World of his education at Union Theological Seminary in New York City of his courtship and marriage and in more detail the trials and tribulations that befell him his family and his church during the tumultuous years of the Civil War THM as the editor calls him throughout the book opposed secession by his home state of Tennessee and refused to support the Confederacy either as a soldier or as a minister And with equal vigor he opposed the Federal government's resolve to preserve the Union by force of arms His determination not to support either side of the conflict was the perfect formula for being harassed by both sides Much of the memoir turns on the troubled existence resulting for THM his family and his church because of his fixed view of right and wrong at this catastrophic moment in our nation's history In spite of the detailed reporting of pain and privation suffered during the war the editor feels the real theme of the story is the way THM and his wife face every new crisis with prayer prayer and faith that their prayers would be heard Early in the war THM preached to Confederate soldiers who found their way to his church and later in the war after the Union Army occupied Chattanooga to Union soldiers never changing the message because of the color of the uniform The message That every man whether dressed in blue or gray must know the saving Grace of Jesus Christ      *Make Me a Legend* Chuck Balsamo, 2011-11-15 If you knew your life was almost over would you draft a farewell to your beloved survivors Although the author's time isn't almost over he chose to write a farewell message to those he loves his family and you He

**Elephants in the Church** George Bloomer, 2014-07-01 Where Are the Truth Tellers Our world is facing serious problems that pose genuine threats to our safety our economy our health and our very survival Sadly partisanship and allegiances to special interests are preventing our nation from taking the needed action on such matters And where is the church at this perilous time in history Instead of proclaiming God's wisdom on the issues of our day many of us are either too blinded by political affiliations or too afraid to let our voices be heard While resisting the predictable labels of Democrat and Republican Bishop George Bloomer holds both sides accountable by boldly examining some of the most polarizing yet important issues of our time Abortion Poverty and income inequality Gay marriage Racial relations War and the military industrial complex Gun control Christians will never succeed in impacting the culture if they remain emasculated by political correctness and afraid to speak the truth Change is possible only when brave and audacious men and women are willing to confront evil and injustice through their words and their actions
