

Revolution And Intervention In Central America

Marlene Dixon, Susanne Jonas

Revolution And Intervention In Central America:

Revolution and Intervention in Central America Marlene Dixon,1985 **Revolution and Intervention in Central America** Marlene Dixon,Susanne Jonas,1981 "[Revolution Beyond Our Borders](#)" ,1985 *Revolution and Intervention in Central America* ,1981 **Looking Past Reagan** Bill Resnick,1988 **Revolution And Counterrevolution In Central America And The Caribbean** Donald E Schulz,Douglas H Graham,2019-07-09 A detailed examination of the roots of revolution and counterrevolution in Central America and the Caribbean this book draws on the research of an interdisciplinary team of noted scholars The authors give special attention to the institutional and structural causes of stability and instability in particular the traditional role of the United States the current economic crisis the changing role of the Roman Catholic church the influence of the military and security forces the oligarchy and the business sector the problems of instituting socioeconomic reform the politics of subsistence and the revolutionary opposition Following the thematic chapters a country by country focus is employed to assess the situations in El Salvador Guatemala Nicaragua Honduras Costa Rica and Jamaica and a section devoted to the international dimensions of the crisis looks at Mexican Soviet Cuban and U S policies toward the region The editors concluding chapter explores prospects for the future of this troubled area [Revolution In Central America](#) Stanford Central America Action Network,2019-06-12 Central America though affected for decades by profound socioeconomic transformations has been more or less quiescent politically The sudden eruption of revolutionary turmoil in the region as seen in recent events in Nicaragua El Salvador and Guatemala has shattered the political status quo and cast Central America into the U S foreign poli [Encyclopedia of U.S. Military Interventions in Latin America](#) Alan McPherson,2013-07-08 This unique reference shows how the United States has intervened militarily politically and economically in Central America South America and the Caribbean from the early 19th century to the present day What do baseball American war crimes and a slice of watermelon have in common in the annals of Latin American history Believe it or not this disparate grouping reflects the cultural and historical remnants of America s military and political involvement in the region As early as 1811 the United States began intervening in the affairs of Central America South America and the Caribbean and it hasn t stopped since This compelling reference analyzes both the major interventions and minor conflicts stemming from our nation s military operations in these areas and examines the people places legislation and strategies that contributed to these events In addition to documented facts and figures the alphabetically organized entries in Encyclopedia of U S Military Interventions in Latin America present fascinating anecdotes on the subject including why the United States once invaded Panama over a slice of watermelon how an intervention in Nicaragua landed our country on trial for war crimes and how the popularity of baseball in Latin America is a direct result of American influence Primary source documents and visual aids accompany the content **U.S. Presidents and Latin American Interventions** Michael Grow,2008-06-10 Lyndon Johnson invaded the Dominican Republic Richard Nixon

sponsored a coup attempt in Chile Ronald Reagan waged covert warfare in Nicaragua Nearly a dozen times during the Cold War American presidents turned their attention from standoffs with the Soviet Union to intervene in Latin American affairs In each instance it was declared that the security of the United States was at stake but as Michael Grow demonstrates these actions had more to do with flexing presidential muscle than responding to imminent danger From Eisenhower s toppling of Arbenz in Guatemala in 1954 to Bush s overthrow of Noriega in Panama in 1989 Grow casts a close eye on eight major cases of U S intervention in the Western Hemisphere offering fresh interpretations of why they occurred and what they signified The case studies also include the Bay of Pigs fiasco Reagan s invasion of Grenada in 1983 and JFK s little known 1963 intervention against the government of Cheddi Jagan in British Guiana Grow argues that it was not threats to U S national security or endangered economic interests that were decisive in prompting presidents to launch these interventions Rather each intervention was part of a symbolic geopolitical chess match in which the White House sought to project an image of overpowering strength to audiences at home and abroad in order to preserve both national and presidential credibility As Grow also reveals that impulse was routinely reinforced by local Latin American elites such as Chilean businessmen or opposition Panamanian politicians who actively promoted intervention in their own self interest LBJ s loud lament What can we do in Vietnam if we can t clean up the Dominican Republic reflected just how preoccupied our presidents were with proving that the U S was no paper tiger and that they themselves were fearless and forceful leaders Meticulously argued and provocative Grow s bold reinterpretation of Cold War history shows that this special preoccupation with credibility was at the very core of our presidents approach to foreign relations especially those involving our Latin American neighbors

A Short History of U.S. Interventions in Latin America and the Caribbean Alan McPherson, 2016-01-21 A Short History of U S Interventions in Latin America and the Caribbean presents a concise account of the full sweep of U S military invasions and interventions in Central America South America and the Caribbean from 1800 up to the present day Engages in debates about the economic military political and cultural motives that shaped U S interventions in Cuba Nicaragua Puerto Rico Haiti the Dominican Republic Panama Guatemala Mexico and elsewhere Deals with incidents that range from the taking of Florida to the Mexican War the War of 1898 the Veracruz incident of 1914 the Bay of Pigs and the 1989 invasion of Panama Features also the responses of Latin American countries to U S involvement Features unique coverage of 19th century interventions as well as 20th century incidents and includes a series of helpful maps and illustrations

The Dynamics Of Latin American Foreign Policies Jennie K Lincoln, Elizabeth G Ferris, 2019-07-11 A sequel to Latin American Foreign Policies Global and Regional Dimensions Westview 1981 this collection of original essays presents a comprehensive view of the principal foreign policy issues of the nations of Latin America and lays the foundation for understanding the challenges facing those nations in the 1980s The book begins with an introduction to the major themes of conflict and cooperation in Latin American foreign policies an overview of U S Latin American relations and an assessment of

contemporary research in the field The authors then analyze the economic challenges regional conflicts and security concerns of the nations of South and Central America with case studies of the foreign policies of Argentina Brazil Chile Peru Venezuela Colombia Mexico Nicaragua and Cuba A concluding section suggests future directions for research on Latin American foreign policies in the 1980s and offers a theoretical framework for the analysis of foreign policy behavior in the region

The Sandinista Revolution Mateo Jarquín,2024-04-10 The Sandinista Revolution and its victory against the Somoza dictatorship in Nicaragua gripped the United States and the world in the 1980s But as soon as the Sandinistas were voted out of power in 1990 and the Iran Contra affair ceased to make headlines it became in Washington at least a thing of the past Mateo Jarquin recenters the revolution as a major episode in the history of Latin America the international left and the Cold War Drawing on research in Nicaragua Cuba Mexico Panama and Costa Rica he recreates the perspective of Sandinista leaders in Managua and argues that their revolutionary project must be understood in international context Because struggles over the Revolution unfolded transnationally the Nicaraguan drama had lasting consequences for Latin American politics at a critical juncture It also reverberated in Western Europe among socialists worldwide and beyond illuminating global dynamics like the spread of democracy and the demise of a bipolar world dominated by two superpowers Jarquin offers a sweeping analysis of the last left wing revolution of the twentieth century an overview of inter American affairs in the 1980s and an incisive look at the making of the post Cold War order

U.s. Policy Toward Latin America Harold Molineu,2019-06-18 Recent U S military involvement in Central America has sparked heated debate over U S policy in the region To informed observers of U S Latin American relations however Washington s actions reflect U S regional and global objectives that have evolved in the course of 150 years of U S involvement in Latin America This text provides students

The Catholic Church and Power Politics in Latin America Emelio Betances,2007 Click here to see a video interview with Emelio Betances Click here to access the tables referenced in the book Since the 1960s the Catholic Church has acted as a mediator during social and political change in many Latin American countries especially the Dominican Republic Bolivia Guatemala Nicaragua and El Salvador Although the Catholic clergy was called in during political crises in all five countries the situation in the Dominican Republic was especially notable because the Church s role as mediator was eventually institutionalized Because the Dominican state was persistently weak the Church was able to secure the support of the Balaguer regime 1966 1978 and ensure social and political cohesion and stability Emelio Betances analyzes the particular circumstances that allowed the Church in the Dominican Republic to accommodate the political and social establishment the Church offered non partisan political mediation rebuilt its ties with the lower echelons of society and responded to the challenges of the evangelical movement The author s historical examination of church state relations in the Dominican Republic leads to important regional comparisons that broaden our understanding of the Catholic Church in the whole of Latin America

Understanding Central America John A. Booth,Christine J. Wade,Thomas W. Walker,2020-01-24 In this

seventh edition John A Booth Christine J Wade and Thomas W Walker update a classic in the field which invites students to explore the histories economies and politics of Costa Rica Nicaragua El Salvador Guatemala and Honduras Covering the region s political and economic development from the early 1800s onward the authors bring the Central American story up to date New to the 7th Edition Analysis of trends in human rights performance political violence and evolution of regime types Updated findings from surveys to examine levels of political participation and support for democratic norms among Central Americans Historical and current era material on indigenous peoples and other racial minorities Discussion of popular attitudes toward political rights for homosexuals and LGBTQ access to public services Discussion of women s rights and access to reproductive health services and women s integration into elective offices Tracing evolving party systems national elections and US policy toward the region under the Obama and Trump administrations Central America s international concerns including Venezuela s shrinking role as an alternative source of foreign aid and antagonist to US policy in the region and migration among and through Central American nations Understanding Central America is an ideal text for all students of Latin American politics and is highly recommended for courses on Central American politics social systems and history

Art and Revolution in Latin America, 1910-1990 David Craven, 2006-01-01 In this uniquely wide ranging book David Craven investigates the extraordinary impact of three Latin American revolutions on the visual arts and on cultural policy The three great upheavals in Mexico 1910 40 in Cuba 1959 89 and in Nicaragua 1979 90 were defining moments in twentieth century life in the Americas Craven discusses the structural logic of each movement s artistic project by whom how and for whom artworks were produced and assesses their legacies In each case he demonstrates how the consequences of the revolution reverberated in the arts and cultures far beyond national borders The book not only examines specific artworks originating from each revolution s attempt to deal with the challenge of socializing the arts but also the engagement of the working classes in Mexico Cuba and Nicaragua with a tradition of the fine arts made newly accessible through social transformation Craven considers how each revolution dealt with the pressing problem of creating a dialogical art one that reconfigures the existing artistic resource rather than one that just reproduces a populist art to keep things as they were In addition the author charts the impact on the revolutionary processes of theories of art and education articulated by such thinkers as John Dewey and Paulo Freire The book provides a fascinating new view of the Latin American revolutionaries from artists to political leaders who defined art as a fundamental force for the transformation of society and who bequeathed new ways of thinking about the relations among art ideology and class within a revolutionary process

Writing Revolution in Latin America Juan E. De Castro, 2019-09-15 In the politically volatile period from the 1960s through the end of the twentieth century Latin American authors were in direct dialogue with the violent realities of their time and place Writing Revolution in Latin America is a chronological study of the way revolution and revolutionary thinking is depicted in the fiction composed from the eye of the storm From Mexico to Chile the gradual ideological evolution from a revolutionary

to a neoliberal mainstream was a consequence of on the one hand the political hardening of the Cuban Revolution beginning in the late 1960s and on the other the repression dictatorships and economic crises of the 1970s and beyond Not only was socialist revolution far from the utopia many believed but the notion that guerrilla uprisings would lead to an easy socialism proved to be unfounded Similarly the repressive Pinochet dictatorship in Chile led to unfathomable tragedy and social mutation This double edged phenomenon of revolutionary disillusionment became highly personal for Latin American authors inside and outside Castro's and Pinochet's dominion Revolution was more than a foreign affair it was the stuff of everyday life and therefore of fiction Juan De Castro's expansive study begins ahead of the century with Jos Mart in Cuba and continues through the likes of Mario Vargas Llosa in Peru Gabriel Garc'a M'quez in Colombia and Roberto Bola'o in Mexico by way of Chile The various often contradictory ways the authors convey this precarious historical moment speaks in equal measure to the social circumstances into which these authors were thrust and to the fundamental differences in the ways they themselves witnessed history

Latin America in the Era of the Cuban Revolution and Beyond Thomas C. Wright, 2025-07-10 Examining how the Cuban Revolution dictated Latin American politics and U S Latin American relations from the 1950s to the present this fourth edition engages with the question is the Cuban Revolution dead Fidel Castro's ascent to power and the revolution he led in Cuba not only catalyzed a wave of revolutionary activity it also set off a wave of reaction that led to widespread military dictatorships and severe repression culminating in state terrorism Both revolution and reaction were essentially over by 1990 and yet long term effects of the Cuban Revolution continue to influence the modern era Latin America in the Era of the Cuban Revolution and Beyond covers the events of the Cuban Revolution itself the resulting radicalization of Latin American politics the United States responses to the threat of communist expansion in the region and rural and urban guerrilla warfare that were spawned by the Cuban Revolution It also addresses the very different but incomplete revolutions in Peru Chile and Nicaragua the rise of state terrorism in response to the threat of revolution and major developments after 1990 This fourth edition includes a new chapter with expanded coverage of women's political representation the continued rise of authoritarianism Mexican democratization the Pink Tide of recent leftist governments including those of Hugo Ch'vez in Venezuela and Evo Morales in Bolivia and Cuban politics in the post Castro era The revised edition features maps of the region as well as updated further reading sections following each chapter

Africa, Asia, and South America Since 1800 A. J. H. Latham, 1995 A reference for graduate and undergraduate students presenting the bibliographic details and sometimes describing and evaluating the content of over 5 000 books in English most published since 1945 and many quite recently but also some earlier works of enduring importance A section of works on all three continents is followed by sections on each which first consider the continent as a whole then each country usually by chronological periods and topics such as economics politics and society Indexed only by author and editor but the table of contents is detailed enough to provide adequate access Distributed in the US by St Martin's Press Annotation copyright Book

News Inc Portland Or Annals of the American Academy of Political and Social Science ,1927
