Rodmell, 2023-03-31 French Drama of the Revolutionary Years 1990 examines the years following the Revolution which saw an explosion both in the number of theatres and in the number of dramatic representations written and performed It describes this turbulent period of theatre history placing it firmly within the context of French social and political life and illustrating the discussion with examinations of contemporary texts It focuses on the political and philosophical themes of the plays and the light they throw on events of the time *The Cultural Revolution and Overacting* Tuo Wang, 2014-09-24 The Great Proletarian Cultural Revolution which took place in China between 1966 and 1976 was a major political and social tragedy in Chinese history As part of an effort to understand how the state enforced control amid seeming chaos this book looks at the ubiquitous revolutionary presentations and performances of power such as political rituals revolutionary rhetoric and public gatherings in people's everyday lives during the Cultural Revolution as performances that contributed to the control of the Chinese people In particular this book discusses how the promotion of

revolutionary models in real life contributed to people's eagerness to perform the role of the ideal revolutionary and how the possibility of complete revolutionary transformation promoted by the state media and the hard fact that no one was able to completely become a Maoist subject who would be completely selfless and think and speak only Maoist teaching subjected people to a state of becoming but never fully having become. The fear of failing in the Maoist transformation constituted the inner mechanism that propelled ordinary people's radical revolutionary behavior. In addition, this book examines the audience's reaction to Jiang Qing's court performance in the trial of the Gang of Four as an anarchic liberation from the revolutionary performance of the Cultural Revolution. Utilizing methodologies of cultural anthropology, linguistics, acting theory, and literary criticism, this book reveals how people's performances of their everyday life functioned as mechanisms of social control.

Readying the Revolution Jonathan Shandell, 2025-01-14 Starting in 1966 African American activist Stokely Carmichael and other political leaders adopted the phrase Black Power. The slogan captured a militant revolutionary spirit that was already emerging in the work of playwrights, poets, musicians, and visual artists throughout the Black Arts movement of the mid 1960s. But the story of those theater artists and performers whose work helped bring about the Black Arts revolution has not fully been told. Readying the Revolution: African American Theater and Performance from Post World War II to the Black Arts Movement explores the dynamic era of Black culture between the end of World War II and the start of the Black Arts Movement, 1946-1964, by illuminating how artists and innovators such as Jackie Robinson, Lorraine Hansberry, Ossie Davis, Nina Simone, and others helped radicalize Black culture and Black political thought. In doing so, these artists defied white cultural hegemony in the United States and built the foundation for the revolutionary movement in Black theater that followed in the mid 1960s. Through archival research, close textual reading, and an analysis of performance artifacts, Shandell demonstrates how these artists negotiated a space on the public stage for cultivating radical Black aesthetics and built the foundation for the revolutionary movement in Black theater that followed in the mid 1960s. **The World of the American**

Revolution Merrill D. Smith, 2015-08-28 This two-volume set brings to life the daily thoughts and routines of men and women, rich and poor, of various cultures, religions, races, and beliefs during a time of great political, social, economic, and legal turmoil. What was life really like for ordinary people during the American Revolution? What did they eat, wear, believe in, and think about? What did they do for fun? This encyclopedia explores the lives of men, women, and children of European, Native American, and African descent through the window of social, cultural, and material history. The two-volume set spans the period from 1774 to 1800, drawing on the most current research to illuminate people's emotional lives, interactions, opinions, views, beliefs, and intimate relationships, as well as connections between the individual and the greater world. The encyclopedia features more than 200 entries, divided into topical sections, each dealing with a different aspect of cultural life, for example, Arts, Food, and Drink, and Politics and Warfare. Each section opens with an introductory essay, followed by A-Z entries on various aspects of the subject area. Sidebars and primary documents enhance the learning experience. Targeting high school and college

students the title supports the American history core curriculum and the current emphasis on social history Most importantly its focus on the realities of daily life rather than on dates and battles will help students identify with and learn about this formative period of American history

The Publishers Weekly ,1914 *Eight Twentieth-century Russian Plays* Timothy Langen,Justin Weir,2000 Russia produced more notable drama in the twentieth century than at any other time in its history yet many of the plays from this period of burgeoning creativity have been only sporadically available in English and others have never been translated before In *Eight Twentieth Century Russian Plays* Timothy Langen and Justin Weir introduce American students and general readers to the classics of twentieth century Russian drama

Women and Authorship in Revolutionary America Angela Vietto,2005 In distinct contrast to earlier studies on early US women s authorship this book argues that women writers in Revolutionary America viewed civic participation as a key component of the social role of authorship and that they used authorship as a means to contribute publicly to the evolving creation of the new nation s political and social identities Angela Vietto here analyzes poetry letters religious texts essays and plays by early American writers Mercy Otis Warren Sarah Osborn and Susanna Anthony Hannah Adams Eunice Smith Jenny Fenno Sarah Pogson Smith Judith Sargent Murray and Hannah Griffiths among others

The Novels and Plays of Eduardo Manet Phyllis Zatlin,2000-01-01 Despite Eduardo Manet s impressive accomplishments extending over half a century this extraordinarily talented Cuban French author remains relatively unknown in the United States Phyllis Zatlin s book is the first to examine the multifaceted career of this dynamic bilingual writer Playwright and novelist theater and film director Eduardo Manet b 1930 has been a major participant in the cultural worlds of both Cuba and France His works have been internationally acclaimed he has been nominated for the Prix

Goncourt and was awarded a special Goncourt youth prize and his novels and plays have been translated into twenty one languages Manet's work however has often been overlooked by both French and Spanish American critics because of his unique position as a Latin American writing in French Zatlin sets out to correct this oversight by offering a detailed analysis of Manet's many genres and themes She begins with his work in Cuba from his youthful poetry and plays to the films he directed in revolutionary Cuba She then examines his seven full length novels all written in French but typically reflective of Cuban experience Finally Zatlin concludes her study by considering Manet's early plays of entrapment and enclosure and his later theater defined by its metatheatrical and multicultural themes Through the lenses of multiculturalism postmodernism metatheater and farce Zatlin provides a perceptive and comprehensive examination of this significant yet neglected figure Zatlin's book will do the important work of introducing Manet to a North American audience Literate Women and the French Revolution of 1789, 1994 The Arms-Bearing Woman and British Theatre in the Age of Revolution, 1789-1815 Sarah Burdett, 2023-05-20 This book explores shifting representations and receptions of the arms bearing woman on the British stage during a period in which she comes to stand in Britain as a striking symbol of revolutionary chaos The book makes a case for viewing the British Romantic theatre as an arena in which the significance of the armed woman is constantly remodelled and reappropriated to fulfil diverse ideological functions Used to challenge as well as to enforce established notions of sex and gender difference she is fashioned also as an allegorical tool serving both to condemn and to champion political and social rebellion at home and abroad Magnifying heroines who appear on stage wielding pistols brandishing daggers thrusting swords and even firing explosives the study spotlights the intricate and often surprising ways in which the stage amazon interacts with Anglo French Anglo Irish Anglo German and Anglo Spanish debates at varying moments across the French revolutionary and Napoleonic campaigns At the same time it foregrounds the extent to which new dramatic genres imported from Europe notably the German Sturm und Drang and the French derived melodrama facilitate possibilities at the turn of the nineteenth century for a refashioned female warrior whose degree of agency destructiveness and heroism surpasses that of her tragic and sentimental predecessors An Index Directory to Special Collections in North American Libraries Ernest Cushing Richardson, 1927 *Theatre Magazine*, 1919 *Library of Congress Subject Headings* Library of Congress, 2003 *Library of Congress Subject Headings* Library of Congress. Cataloging Policy and Support Office, 2007 Rewriting Narratives in Egyptian Theatre Sirkku Aaltonen, Areeg Ibrahim, 2016-03-31 This study of Egyptian theatre and its narrative construction explores the ways representations of Egypt are created of and within theatrical means from the 19th century to the present day Essays address the narratives that structure theatrical textual and performative representations and the ways the rewriting process has varied in different contexts and at different times Drawing on concepts from Theatre and Performance Studies Translation Studies Cultural Studies Postcolonial Studies and Diaspora Studies scholars and practitioners from Egypt and the West enter into dialogue

with one another expanding understanding of the different fields The articles focus on the ways theatre texts and performances change are rewritten when crossing borders between different worlds The concept of rewriting is seen to include translation transformation and reconstruction and the different borders may be cultural and national between languages and dramaturgies or borders that are present in people s everyday lives Essays consider how rewritings and performances cross borders from one culture nation country and language to another They also study the process of rewriting the resulting representations of foreign plays on stage and representations of the Egyptian revolution on stage and in Tahrir Square This assessment of the relationship between theatre practices exchanges and rewritings in Egyptian theatre brings vital coverage to an undervisited area and will be of interest to developments in theatre translation and beyond
