Revolution In Central Europe 1918 1919

Howard M. Sachar

Revolution In Central Europe 1918 1919:

Revolution in Central Europe, 1918-1919 Francis Ludwig Carsten, 1972 **Revolution in Central Europe 1918 - 1919** Francis L. Carsten, 1988 **Revolution and Political Violence in Central Europe** Eliza Ablovatski, 2021-07 Examines how narratives of the 1919 Central European revolutions promoted a violent counterrevolutionary culture in interwar Germany and Hungary **Civil War in Central Europe, 1918-1921** Jochen Böhrer, 2018 Civil War in Central Europe argues that Polish independence after the First World War was forged in the fires of the post war conflicts which should be collectively referred to as the Central European Civil War 1918 1921 The ensuing violence forced those living in European border regions to decide on their national identity German or Polish *Everyday Violence in the Irish Civil War* Gemma Mary Clark, 2014-04-21 This book provides an innovative study of the violence experienced by non combatants during the Irish Civil War of 1922 3 The author surveys the function and frequency of violent acts ranging from arson intimidation and animal maiming to assault murder and sexual abuse that transpired amongst civilians and revolutionaries throughout the period of conflict **The German Communists and the Rise of Nazism** C. Fischer, 1991-04-03 In this radically revisionist work Conan Fischer investigates how the public brawling between Communists and Nazis during the Weimar Era masked a more subtle and complex relationship It examines the way in which the National Socialists growth across traditional class and regional barriers came to threaten the Communists on their home ground and forced them to adopt increasingly precarious compromising strategies to confront this challenge Encouraged by Moscow they ascribed a qualified legitimacy to grass roots Nazism which justified fraternisation with Hitler's ordinary supporters **Ernst Toller and German Society** Robert Ellis, 2013-10-10 During the years of Weimar and the Third Reich Toller was one of the more active of the other Germany's left wing intellectuals A leader of the Bavarian Soviet of 1919 he had in addition won the Kleist prize and was recognized as one of Germany's best playwrights Indeed during the years of the Weimar Republic the popularity of his works was unquestioned His first play *Die Wandlung* was soon sold out and required a second edition his dramatic works and poems were translated into twenty seven languages During the 1920's it was said that he dominated the German and Russian theatre and that he was the most spectacular personality in modern German literature It was common for contemporaries to classify him as one of the foremost German writers of the Weimar era During the 1930s as an exile he popularized to foreign audiences the idea of the other Germany and became a leading spokesman against Hitler However it is Toller the social critic rather than Toller the dramatist with which this book is concerned his ideas his visions for Germany and Europe as transmitted in his works of fiction and prose The book reflects on the responsibility an intellectual critic has when writing about a democratic society the Weimar Republic that is unsuccessfully balancing between survival and annihilation Toller was furthermore a Jewish intellectual How did his religious traditions shape his views He was also German and this raises a whole host of specifically Germanic patterns of looking at the world He was also a left wing intellectual and Toller is set in

the broader context of left wing intellectuals in Weimar and the Nazi era A related reflection is to ask so what What difference did it make How much of an influence do intellectuals have in the development of society What is the relationship between intellectuals and their readers in a troubled society

Authority and Upheaval in Leipzig, 1910-1920 Sean Dobson, 2001-04-18 In the fall of 1918 after it had become clear that the Great War was lost revolution broke out in Germany In the area around Leipzig workers supported the revolution with unusual determination in many cases seeking to socialize their companies on their own authority In the first book to devote serious scholarly attention to Leipzig s turbulent transition from authoritarian monarchy to democratic republic Sean Dobson offers a cogent history of political change in what was one of Germany s most industrialized and politically radical districts During most of the post WWII period only Leninist historians following the strict ideological guidelines dictated by the Socialist Unity Party of the German Democratic Republic were permitted access to the relevant archives With the fall of the Berlin Wall Dobson gained unprecedented access to those archives His study tells the real story of what happened in one of the revolution s storm centers and enriches the larger theoretical discussion of class and identity formation Because the turmoil in and around Leipzig is incomprehensible without an understanding of the region before 1914 Dobson details the antecedents of the revolution In the process he challenges common historiographical assumptions about prewar and wartime Germany

The Cambridge History of Communism: Volume 1, World Revolution and Socialism in One Country 1917-1941 Silvio Pons, Stephen A. Smith, 2017-09-21 The first volume of The Cambridge History of Communism deals with the tumultuous events from 1917 to the Second World War such as the Russian Revolution and Civil War the revolutionary turmoil in post World War I Europe and the Spanish Civil War Leading experts analyse the ideological roots of communism historical personalities such as Lenin Stalin and Trotsky and the development of the Communist movement on a world scale against this backdrop of conflict that defined the period It addresses the making of Soviet institutions economy and society while also looking at mass violence and relations between the state workers and peasants It introduces crucial communist experiences in Germany China and Central Asia At the same time it also explores international and transnational communist practices concerning key issues such as gender subjectivity generations intellectuals nationalism and the cult of personality

Society and Politics in Wilhelmine Germany (Routledge Revivals) Richard J. Evans, 2015-06-03 In the search for the causes of the First World War and the origins of Hitler s Third Reich the attention of historians has turned increasingly towards the development of German society under Kaiser Wilhelm II These ten essays first published in 1978 introduced interpretations of Wilhelmine Germany to an English speaking audience and contributed towards the discussion of these interpretations that were taking place amongst German historians This book is ideal for student of history particularly German history

Dreamland Howard M. Sachar, 2007-12-18 By the end of World War I in November 1918 Europe s old authoritarian empires had fallen and new and seemingly democratic governments were rising from the debris As successor states found their place on the map many hoped

that a more liberal Europe would emerge But this post war idealism all too quickly collapsed under the political and economic pressures of the 1920s and 30s Howard M Sachar chronicles this visionary and tempestuous era by examining the fortunes of Europe s Jewish minority a group whose precarious status made them particularly sensitive to changes in the social order Writing with characteristic lucidity and verve Sachar spotlights an array of charismatic leaders from Hungarian Communist Bela Kun to Germany s Rosa Luxemburg France s Socialist Prime Minister Leon Blum and Austria s Sigmund Freud whose collective experience foretold significant democratic failures long before the Nazi rise to power In the richness of its human tapestry and the acuity of its social insights *Dreamland* masterfully expands our understanding of a watershed era in modern history

Hindenburg Anna von der Goltz, 2009-09-10 Hindenburg reveals how a previously little known general whose career to normal retirement age had provided no real foretaste of his heroic status became a national icon and living myth in Germany after the First World War capturing the imagination of millions In a period characterized by rupture and fragmentation the legend surrounding Paul von Hindenburg brought together a broad coalition of Germans and became one of the most potent forces in Weimar politics Charting the origins of the myth from Hindenburg s decisive victory at the Battle of Tannenberg in 1914 to his death in Nazi Germany and beyond Anna von der Goltz explains why the presence of Hindenburg s name on the ballot mesmerized an overwhelming number of voters in the presidential elections of 1925 His myth an ever evolving phenomenon increasingly transcended the dividing lines of interwar politics which helped him secure re election by left wing and moderate voters Indeed the only two times in German history that the people could elect their head of state directly and secretly they chose this national icon Hindenburg even managed to defeat Adolf Hitler in 1932 making him the Nazi leader s final arbiter it was he who made the final and fateful decision to appoint Hitler as Chancellor in January 1933

Interwar East Central Europe, 1918-1941 Sabrina Ramet, 2020-05-07 This monograph focuses on the challenges that interwar regimes faced and how they coped with them in the aftermath of World War One focusing especially on the failure to establish and stabilize democratic regimes as well as on the fate of ethnic and religious minorities Topics explored include the political systems and how they changed during the two decades under review land reform Church state relations and culture Countries studied include Poland Czechoslovakia Hungary Yugoslavia Romania Bulgaria and Albania Sabrina Ramet has assembled a team of highly respectable country specialists to offer a fresh and historiographically updated reading of interwar developments in East Central Europe The volume is bookended by two excellent comparative and theoretically informed essays carefully weighing the multiplicity of factors contributing to the instability of the interwar regimes As a result this survey succeeds admirably in producing a nuanced narrative and analysis Maria Todorova University of Illinois at Urbana Champaign USA Sabrina Ramet together with a roster of other eminent scholars has produced an exciting new history of interwar East Central Europe The volume has a clear focus on the failure of democracy 1918 to 1941 and on the bedeviling issues of ethnic minorities and of peasants the latter made up an overwhelming majority of much of the

region's population The book will be of great interest to political scientists and historians of East Central Europe and of Europe more generally and it is perfect for classroom use Irina Livezeanu University of Pittsburgh USA *Making Security Social* Greg Eghigian, 2000-06-29 Traces the preoccupation of the modern state with the risks and insecurities generated by industrial society

Imagining a Greater Germany Erin R. Hochman, 2016-10-04 In *Imagining a Greater Germany* Erin R. Hochman offers a fresh approach to the questions of state and nation building in interwar Central Europe Ever since Hitler annexed his native Austria to Germany in 1938 the term Anschluss has been linked to Nazi expansionism The legacy of Nazism has cast a long shadow not only over the idea of the union of German speaking lands but also over German nationalism in general Due to the horrors unleashed by the Third Reich German nationalism has seemed virulently exclusionary and Anschluss inherently antidemocratic However as Hochman makes clear nationalism and the desire to redraw Germany's boundaries were not solely the prerogatives of the political right Focusing on the supporters of the embattled Weimar and First Austrian Republics she argues that support for an Anschluss and belief in the *gro deutsch* idea the historical notion that Germany should include Austria were central to republicans persistent attempts to legitimize democracy With appeals to a *gro deutsch* tradition republicans fiercely contested their opponents claims that democracy and Germany socialism and nationalism Jew and German were mutually exclusive categories They aimed at nothing less than creating their own form of nationalism one that stood in direct opposition to the destructive visions of the political right By challenging the oft cited distinction between good civic and bad ethnic nationalisms and drawing attention to the energetic efforts of republicans to create a cross border partnership to defend democracy Hochman emphasizes that the triumph of Nazi ideas about nationalism and politics was far from inevitable

Iron and Blood Peter H. Wilson, 2023-02-14 Peter Wilson looks to 500 years of history to contest rigid assumptions about German militarism Historically German speaking states have had complex that is typical politics surrounding militarization strategy and civilian control The belief in German military genius arose only in 1871 and was soon dashed by the two world wars

The Russian Revolution and Civil War 1917-1921 Jonathan Smele, 2006-04-15 The Russian Revolution and Civil War in the years 1917 to 1921 is one of the most widely studied periods in history It is also somewhat inevitably one that has generated a huge flow of literature in the decades that have passed since the events themselves However until now historians of the revolution have had no dedicated bibliography of the period and little claim to bibliographical control over the literature The *Russian Revolution and Civil War 1917-1921* offers for the first time a comprehensive bibliographical guide to this crucial and fascinating period of history The Bibliography focuses on the key years of 1917 to 1921 starting with the February Revolution of 1917 and concluding with the 10th Party Congress of March 1921 and covers all the key events of the intervening years As such it identifies these crucial years as something more than simply the creation of a communist state

Revolutions in Modern German History Andrew G. Bonnell, 2025-05-29 Andrew G. Bonnell's innovative survey examines the history of revolution in modern Germany by

focusing on key revolutionary developments in the German states There is coverage of Germany and the French Revolution the 1848 revolutions the Industrial Revolution the 1918 19 revolution the Nazi revolution of 1933 the revolution from above in Eastern Germany 1945 49 and the revolution in East Germany in 1989 90 *Revolutions in Modern German History* sheds new light on the subject by stressing the continuity of conflicts between revolution and counter revolution in German history thereby restoring a sense of the dramatic social conflicts that punctuated the history of the country It also reveals the significance of wider European and transnational developments of revolutionary and counter revolutionary movements and events Bonnell even reconstructs a sense of the participants changing horizon of expectations during these events by looking in depth at the lives of men and women who lived and experienced these tumultuous times *Stalin* Stephen Kotkin, 2015-10-13 In his biography of Stalin Kotkin rejects the inherited wisdom about Stalin s psychological makeup showing us instead how Stalin s near paranoia was fundamentally political and closely tracks the Bolshevik revolution s structural paranoia the predicament of a Communist regime in an overwhelmingly capitalist world surrounded and penetrated by enemies At the same time Kotkin posits the impossibility of understanding Stalin s momentous decisions outside of the context of the history of imperial Russia **The Coming of the Third Reich** Richard J. Evans, 2004 A history of Adolf Hitler s rise to power and the collapse of democracy in Nazi Germany explains why Nazism s ideology of hatred flourished in a country embittered by military defeat and economic disaster following World War I

Eventually, you will unconditionally discover a additional experience and ability by spending more cash. yet when? reach you take on that you require to acquire those every needs subsequent to having significantly cash? Why dont you attempt to get something basic in the beginning? Revolution In Central Europe 1918 1919 Introduction

Revolution In Central Europe 1918 1919 Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Revolution In Central Europe 1918 1919 Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Revolution In Central Europe 1918 1919 : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Revolution In Central Europe 1918 1919 : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Revolution In Central Europe 1918 1919 Offers a diverse range of free eBooks across various genres. Revolution In Central Europe 1918 1919 Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Revolution In Central Europe 1918 1919 Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Revolution In Central Europe 1918 1919, especially related to Revolution In Central Europe 1918 1919, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Revolution In Central Europe 1918 1919, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Revolution In Central Europe 1918 1919 books or magazines might include. Look for these in online stores or libraries. Remember that while Revolution In Central Europe 1918 1919, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Revolution In Central Europe 1918 1919 eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Revolution In Central Europe 1918 1919 full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of

Revolution In Central Europe 1918 1919 eBooks, including some popular titles.

FAQs About Revolution In Central Europe 1918 1919 Books

What is a Revolution In Central Europe 1918 1919 PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Revolution In Central Europe 1918 1919 PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Revolution In Central Europe 1918 1919 PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Revolution In Central Europe 1918 1919 PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Revolution In Central Europe 1918 1919 PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
