Sendero Luminoso and the Threat of Narcoterrorism Gabriela Tarazona-Sevillano, 1990-07-26 Sendero Luminoso or the Shining Path ranks among the most elusive secretive and brutal guerrilla organizations in the world Once a radical uprising limited to the Andean highlands of Ayacucho it is now a movement of national proportions that has woven itself into the fabric of Peruvian society Unlike many other terrorists groups Sendero Luminoso is founded upon an intellectual infrastructure crafted by the now legendary Abimael Guzman a former philosophy professor The body of the movement however is drawn from Peru s long neglected Indian and mestizo populations Peru s already fragile democracy is further weakened as the rural and urban underclasses become attached to

The Course of Andean History Peter V. N. Henderson, 2013-08-01 The only comprehensive history of Andean South America from initial settlement to the present this useful book focuses on Colombia Ecuador Peru and Bolivia the four countries where the Andes have played a major role in shaping history Although Henderson emphasizes the period since the winning of independence in 1825 he argues that the region s republican history cannot be explained without a clear understanding of what happened in the pre Hispanic and colonial eras Henderson carefully explores the complex relationship between the Andean peoples and their land up until the fall of the Inka Empire in 1532 before addressing the Spanish conquest and the colonial aftermath emphasizing the syncretism often unwillingly forced upon the original inhabitants of the region His account of the nineteenth century discusses the attempts of the Andean elite to fashion modern nation states in the face of many divisive factors including race The final chapters carry the story from 1930 to the present as the Andean countries debated different ways to create a more inclusive and prosperous society

The World Come of Age Lilian Calles Barger, 2018-07-02 On November 16 2017 Pope Francis tweeted Poverty is not an accident It has causes that must be recognized and removed for the good of so many of our brothers and sisters With this statement and others like it the first Latin American pope was associated in the minds of many with a stream of theology that swept the Western hemisphere in the 1960s and 70s the movement known as

liberation theology Born of chaotic cultural crises in Latin America and the United States liberation theology was a trans American intellectual movement that sought to speak for those parts of society marginalized by modern politics and religion by virtue of race class or sex Led by such revolutionaries as the Peruvian Catholic priest Gustavo Guti rrez the African American theologian James Cone or the feminists Mary Daly and Rosemary Radford Ruether the liberation theology movement sought to bridge the gulf between the religious values of justice and equality and political pragmatism It combined theology with strands of radical politics social theory and the history and experience of subordinated groups to challenge the ideas that underwrite the hierarchical structures of an unjust society Praised by some as a radical return to early Christian ethics and decried by others as a Marxist takeover liberation theology has a wide raging cross sectional history that has previously gone undocumented In *The World Come of Age* Lilian Calles Barger offers for the first time a systematic retelling of the history of liberation theology demonstrating how a group of theologians set the stage for a torrent of new religious activism that challenged the religious and political status quo
