Fabozzi, Moorad Choudhry, 2004-02-19 The first comprehensive account of the European structured financial products market This comprehensive survey of the securitization market in Europe covers all asset backed securities the major classes and some nonconventional asset classes that have been securitized residential and commercial mortgage backed securities collateralized debt obligations and more Frank J Fabozzi PhD CFA CPA New Hope PA is the Frederick Frank Adjunct Professor of Finance in the School of Management at Yale University Prior to joining the Yale faculty he was a Visiting Professor of Finance in the Sloan School at MIT Moorad Choudhry Surrey UK is a Vice President in Structured Finance Services with JPMorgan Chase Bank **European Regional Development Fund** Great Britain: Parliament: House of Commons: Communities and Local Government Committee, 2012-07-13 The abolition of the Regional Development Agencies removed the main source of match funding for ERDF sponsored projects and the

economic downturn has curbed alternative options for match funding even further There is a pressing need to spend each region's ERDF allocation before 2015 but unless ministers take urgent steps to deliver on the Government's promise to make it easier for projects to secure match funding through the Regional Growth Fund there is a significant risk that value for money will suffer and ERDF will not make the impact it could to help rebalance the UK's economy The Committee endorses a number of sensible rule changes that will govern the next ERDF round 2014-20 currently proposed and related proposals to give Member States the power to tailor the size of their Operational Programme areas which could permit Local Economic Partnerships in England to take responsibility for managing EU funds MPs also challenge the current allocation system where even the wealthiest Member States receive some ERDF funding when a portion of what they pay in originally gets recycled back to them The cross party group of MPs calls for this circular money flow to end and for England to retain this portion of funding to deliver its own regional policy The Government would have to guarantee the same level of funding across the EU's 7 year funding cycle This change would not affect the Government's contribution to ERDF for the poorer Member States Lastly MPs challenge the Government to evaluate the value for money of ERDF funded projects
