Seduction Of Hillary Rodham:

The Seduction of Hillary Rodham David Brock,1998-02-02 Profiles the political life of Hilary Rodham Clinton and discusses her role in her husband s government career in Arkansas her involvement in his presidency her family life and other related topics *The Seduction of Hillary Rodham* Cathryn Ladame,David Brock,1996-10 A detailed portrait of one strong willed woman s struggle to maintain her personal and political integrity in the face of powerfully seductive forces concluding that the First Lady is neither the untarnished icon nor the scheming Lady Macbeth but a public figure who is yet to be understood Hillary's Choice Gail Sheehy,2000-02-28 Why does she stay with him Where does she go from here The author who revealed a generation s Passages now answers all the questions about the most talked about First Lady in American history In Hillary s Choice Hillary Clinton is rendered fully human for the first time Here is the life of a woman that is also the story of a marriage and the drama of a presidency From her childhood with a demanding father and frustrated mother to her life as a professional wife determined to elect her husband president from the sexual betrayals that nearly broke her to the national scandal that remade her this is the epic journey of a modern American woman a saga that begins in passivity moves through self punishment and ends in power Who was the one other woman who posed a serious threat to their marriage What was the real reason for the health care failure How did Hillary escape the snare of Kenneth Starr How has she managed through it all to be a good mother No matter what her future the mysteries about Hillary Clinton s past have been fully resolved by Hillary s Choice a stunning achievement from a master chronicler of our times *A Woman in Charge* Carl Bernstein,2007-06-05 The nuanced definitive biography of one of the most controversial and widely misunderstood figures of our time the woman running a historic campaign as the 2016 Democratic presidential nominee Hillary Rodham Clinton Drawing on hundreds of interviews with colleagues and friends and with unique access to campaign records Pulitzer Prize winning journalist and bestselling author Carl Bernstein has given us a book that enables us at last to address the questions Americans are insistently even obsessively asking Who is she What is her character What is her political philosophy And what can we expect from Hillary if we elect her President of the United States **Governing Codes** Karrin Vasby Anderson,Kristina Horn Sheeler,2005-08-23 Familiar narratives and simplistic stereotypes frame the representation of women in U S politics Pervasive containment rhetorics such as the distinction between women as mothers and caregivers and men as rational thinkers create unique hurdles for any woman seeking public office While these governing codes generally act to constrain female political power they can also be harnessed as a resource depending on the particular circumstances e g party affiliation geographic location and personal style One of these governing codes the metaphor is an especially powerful tool in politics today particularly for women By examining the political careers of four of the most prominent and influential women in contemporary U S politics Democrats Ann Richards and Hillary Rodham Clinton and Republicans Christine Todd Whitman and Elizabeth Dole Karrin Vasby Anderson and Kristina Horn Sheeler

illustrate how metaphors in public discourse may be both familiar narratives to embrace and boundaries to overturn

Bill Clinton Nigel Hamilton, 2007-07-10 A decade and a half after President William Jefferson Clinton first took the oath of office biographer Nigel Hamilton tells the riveting story of what was possibly the greatest self reinvention of a president in office in modern times The Clinton presidency began disastrously kicking off with the worst transition in living memory and deteriorating through a series of fiascos from gays in the military to Hillary Clinton s failed health care reform How Bill Clinton faced up to his failures and refashioned himself in the White House thereafter is an epic hitherto unwritten story a story that climaxes with the trouncing of Bob Dole in the landslide presidential election in 1996 Clinton began his second term as the undisputed and tremendously popular leader of the Western world In vivid prose Hamilton charts Clinton s dramatic reversal of fortune and his ultimate triumph over himself and his foes Bill Clinton Mastering the Presidency is a riveting narrative of American politics an incisive character portrait and powerful reminder of what a great president can accomplish
