Short paper assignment: Critical Analysis of "Avant-Garde and Kitsch"

Due: September 27

Think about our texts and discussions related to formalism and read Clement Greenberg's "Avant-Garde and Kitsch." You can find a copy with images at

<http://www.sharecom.ca/greenberg/kitsch.html>

What's the overall purpose of the article? What's Greenberg's thesis statement? How does he attempt to prove it? Is his evidence credible or can you identify flaws in his argument? Does he make any assumptions and generalizations in his text? Does he ever seem to contradict himself? Read the definition of "formalism," and ask yourself: In what ways is Greenberg a formalist, and in what ways might his text not be quintessentially formalist? These questions and others are important to consider when writing a critical analysis.

Once you've read the article and thought about these questions, you need to establish your own point of view and expand on Greenberg's text in some way. Decide if you agree or disagree with Greenberg's overarching argument and explain how and why. If you agree with his point of view, you'll need to supply additional evidence of your own. If you disagree with his argument in some way, then you need to point out the flaw(s) in the logic and offer counter-evidence. If necessary, you should also produce a revised argument.

Please keep in mind that the purpose of the assignment is for you to produce a convincing critical analysis. You won't have enough space in this short paper assignment to pick apart each of Greenberg's sentences, so feel free to focus on one or more specific issues that intrigue you most. You also need to be
