See You At The Wake Healing Relationships Before:

The Leader's Lobotomy - a Fable Anthony Lopéz, 2008-12 This fictional short story is this author's attempt at using a bit of humor to address a subject of profound significance the leader's need to ensure that they practice the most fundamental and important elements of leadership Although fictional many will relate to this story which at times admittedly takes on an autobiographical feel This is the third book in the Legacy Leader series The first The Legacy Leader began with my thesis that of all the traits a leader can and must possess only two are non negotiable Those two non negotiable qualities of a leader are character and integrity It also addressed what can be labeled as the mechanics of leadership The second book in the The Legacy Leader Series is Breakthrough Thinking It addressed what the leader must do to drive teams to accomplish things they would have initially thought impossible In this third volume The Leader's Lobotomy we will prick the memories of leaders who having reached positions of significant responsibility in their organizations suddenly and without warning develop the horrible disease called PIA Promotion Induced Amnesia Fortunately there is an effective antidote to PIA For leaders who are self aware and who possess healthy levels of emotional intelligence PIA is rarely fatal However not all are so lucky and PIA has sadly become the leading cause of premature termination of many leaders In this story Ted Jim's Corporate Guardian Angel CGA tutors Jim a newly promoted executive on important leadership fundamentals to ensure that he does not become infected with PIA and suffer the same ill fate as other less fortunate leaders In his own unique and sometimes humorously sarcastic style Ted helps Jim to practice timeless leadership principles that have been the cornerstone of other successful leaders

It's My Life Now Meg Kennedy Dugan, Roger R. Hock, 2002-09-11 Those who have never experienced an abusive or violent relationship often believe that upon finding a way out, victims' difficulties are solved, their life is good, they are safe, and recovery will be swift. However, survivors know that leaving is not the end of the nightmare; it is the beginning of an often difficult and challenging journey toward healing and happiness. *It's My Life Now* offers readers the practical guidance, emotional reassurance, and psychological awareness that survivors of relationship abuse and domestic violence need to heal and reclaim their lives.

Heal Me Beck Grey, 2023-11-20 What do you do when your boss's pushy nephew repeatedly asks you out and won't take no for an answer? You create a fake boyfriend. One who works a lot so he never comes to office functions or meets you for lunch. It works well until he suddenly calls my bluff. So that's how I find myself at a client event, practically begging a handsome stranger to play said boyfriend. Only after I calm down do I realize the belle homme in the bespoke suit is no stranger at all. He's my best friend's brother, and mon Dieu, he cleans up well. When Gunnar volunteers to keep up the ruse beyond one night, of course I say yes. I'm no fool. But fake love can have very real consequences. Being accosted by the attractive if slightly flustered Jocelin Allard before I even make it out of the parking lot isn't how I expect to start my evening. But pretending to be his boyfriend for a few hours seems like a harmless way to liven up an otherwise painful social event. And as far as dates go, fake or otherwise, I could do a lot worse. He's smart, gorgeous, and has a sexy accent. Plus, my sister would kill me if I left her bestie hanging. When the evening goes shockingly well, almost effortlessly.

our relationship turns real and for a while it's total bliss Until I unintentionally take a wrecking ball to my life Again Heal Me is a low medium angst MM fake boyfriend sister's best friend contemporary romance about bad decisions past trauma and loving someone including their flaws It contains no cheating and a guaranteed happily ever after
