Seeds Of Destiny:

Seeds of Destiny Warren Henderson, 2004-06-01 The Christian community sits upon a vast resource of vintage exposition exegetic and apologetic writings from a host of writers who have long since been ushered into the Lord's presence. Most of these books are out of print and some are difficult to obtain. In general, these writings sustain a devotional depth and a Christ-centered attraction that is void in much of today's Christian literature. The author has endeavored to include some of the best gleanings from these writers into this book. **Seeds of Destiny** is a commentary style devotional which upholds the glories of Christ while exploring Genesis from the whole of Scripture. **Seeds of Destiny** contains over 100 brief devotions. This allows the reader to use the book as either a daily devotional or a reference source for deeper study. **Shadows of the**
