**The Living Church** ,1995      **The Church's Attitude Towards Truth** Edward Preston Usher,1907      **Pursuing Truth** Mary J. Oates,2021-03-15 In Pursuing Truth Mary J Oates explores the roles that religious women played in teaching generations of college and university students amid slow societal change that brought the grudging acceptance of Catholics in public life Across the twentieth century Catholic women s colleges modeled themselves on and sometimes positioned themselves against elite secular colleges Oates describes these critical pedagogical practices by focusing on Notre Dame of Maryland University formerly known as the College of Notre Dame of Maryland the first Catholic college in the United States to award female students four year degrees The sisters and laywomen on the faculty and in the administration at Notre Dame of Maryland persevered in their work while facing challenges from the establishment of the Catholic Church mainline Protestant churches and secular institutions Pursuing Truth presents the stories of the institution s female founders administrators and professors whose labors led it through phases of diversification The pattern of institutional development regarding the place of religious identity gender and sexuality and race that Oates finds at Notre Dame of Maryland is a paradigmatic story of change in US higher education Similarly representative is her account of the school s effort from the late 1960s to the present to maintain its identity as a women s liberal arts college Thanks to generous funding from the Cushwa Center at the University of Notre Dame the ebook editions of this book are available as Open Access OA volumes from Cornell Open [cornellpress.cornell.edu/cornell-open](http://cornellpress.cornell.edu/cornell-open) and other Open Access repositories      **Herald of Gospel Liberty** Elias Smith,1914      **The Arc of Truth** Lewis V. Baldwin,2022 Martin Luther King Jr said and wrote as much or more about the meaning nature and power of truth as any other prominent figure in the 1950s and 60s King was not only vastly influential as an advocate for and defender of truth he also did more than anyone in his time to organize truth into a movement for the liberation uplift and empowerment of humanity efforts that ultimately resulted in the loss of his life Drawing on King s published and unpublished sermons speeches and writings The Arc of Truth explores King s lifelong pilgrimage in pursuit of truth Lewis Baldwin explores King s quest for truth from his inquisitive childhood to the influence of family and church to Morehouse College Crozer Theological Seminary Boston University and other academic institutions in the Northeast Continuing on the book follows King s sense that he was involved in experiments of truth within the context of the struggle to liberate and empower humanity to his understanding of the civil rights movement as unfolding truth to his persistent challenge to America around its need to engage in a serious reckoning with truth regarding its history and heritage Baldwin investigates King s determination to speak truth to power and his untiring efforts to actualize what he envisioned as the truthful ends of the beloved community through the truthful means of nonviolent direct action King believed taught and demonstrated by example that truth derives from a revolution in the heart mind and soul before it can be translated into institutions and structures that guarantee freedom justice human dignity equality of opportunity and peace

Ultimately King's significance for humanity cannot be considered only his contributions as a preacher, pastor, civil rights leader and world figure; he was and remains equally impactful as a theologian, philosopher and ethicist whose life and thought evince an enduring search for and commitment to truth. **Transitional Ministry Today** Norman B. Bendroth, 2014-12-05

Transitional ministry can be tremendously helpful for congregations in times of change and yet to be successful today transitional ministers and churches need to take into account the major changes in the religious landscape. From the decline of mainline churches to the rise of those who don't identify with any religious tradition, the religious scene has changed dramatically since transitional ministry began three decades ago and to remain vital today the practice of transitional ministry must change as well. This book provides transitional ministers and congregations with essential information on rethinking transitional ministry in ways that take the current religious climate into account. Ten experienced authors, including seasoned practitioners of transitional ministry and those who oversee transitional ministry denomination-wide, propose new ways to approach transitional ministry today. Chapters address practical theology, leadership, specialized interim situations, renewal during interim time, alternative models of transitional ministry, and more. Essays address a range of diverse churches in size, racial/ethnic background, and location. **Transitional Ministry Today** highlights how creative and cutting-edge ministry can be done during the in-between time through creative thinking and practice in the face of new realities. **Examining**

**Billy Graham's Theology of Evangelism** Thomas P. Johnston, 2003-03-12 **Examining Billy Graham's Theology of Evangelism** was written to advance an unbiased understanding of Billy Graham's theology and practice. Theological examination of Graham's sermons revealed four distinct eras in his theology and practice: The Early Graham (pre 1949), The Early Graham (1949-1955), The Middle Graham (1955-1965), and The Later Graham (1965-present). In each of these eras, Graham portrayed a discernible and distinct approach to defining evangelism, theological nomenclature, and cooperative strategy. No literature on Billy Graham discusses in combination this evolution in Graham's theology and practice. You are invited to take a fresh look at the teaching and practice of this man who has touched millions of lives through the proclamation of the Gospel of Jesus Christ. **The Integrity of the Salt** Sarah Joy Powell, 2012-10

**The Integrity of the Salt** brings clarity to mankind as it defines who we are in Christ. It shines light on our Christian's integrity and character, which is Christ's reflection through us. It reminds us that Christ's integrity and character is the main trait of the church and thus gives us hope, faith, and confidence to go on. **The Integrity of the Salt** takes us through an experience of radical change in Christ. It explains the power of an intimate relationship with Him while we live sacrificially for Him or as He would while He was on earth. **The Integrity of the Salt** exposes our daily lifestyles and instructs us of the revealed Christ who lives in us in a dying world. **The Christian**

**Century**, 1921 **Mary McLeod Bethune** Yahya Jongintaba, 2023-08-18 Mary McLeod Bethune was born on May 10, 1875, in a log cabin in rural Sumter County, South Carolina. She was the fifteenth child among seventeen siblings but the first born free of the bonds of slavery. As a child, she attended a Presbyterian mission school in nearby Mayesville and Scotia Seminary.

in Concord North Carolina After some years at Scotia she was admitted in 1894 to the Moody Bible Institute in Chicago Her two years of training at Moody did not lead to missionary work in Africa as she had dreamed but to missionlike teaching positions in the South and eventually her founding in 1904 of the Daytona Normal and Industrial Institute for Girls in Daytona Beach Florida That institution would grow to the present day Bethune Cookman University In this religious biography author Yahya Jongintaba traces Bethune s life of service in lively prose structuring his book in a five part framework that organizes his subject s life in parallel with the Lord s Prayer and virtues identified by Bethune herself freedom creativity integrity discipline and love With unfettered access to Bethune s personal archive Jongintaba paints a picture of a mother figure and mentor to generations a nearsaint who lived a blameless life for four score years With deep empathy and the kind of spiritual understanding that Bethune had despaired of finding in a biographer in her own lifetime despite attempts by publishers and herself to find just the right person Jongintaba endeavors to achieve in his biography what Bethune wrote that she hoped to accomplish in an autobiography that never materialized to give to the world the real Mary McLeod Bethune s life as I have lived it
