Seeking Faith Is Religion Really What You Think It Is:

Seeking Faith Nathan Rutstein, 2002 Many people express a need for spiritual fulfillment but are troubled or at best put off by what is often and loosely called organized religion This is especially true today when once venerated institutions and trusted public figures have become subjects of investigation sources of disappointment and worse People fear becoming victims of crime and alter their daily lives to avoid it Terrorism committed in the name of religion and political causes painfully reminds us of how human capacities can be turned with devastating results against ourselves At times much of the world appears to be in a state of decay and sources of spiritual strength seem scattered and elusive Nathan Rutstein understands this His book *Seeking Faith Is Religion Really What You Think It Is* describes his personal search for purpose and meaning in life a search that led him to the Baha i Faith and its distinctive perspective on the past its reassuring understanding of the present and its confident vision of the future *The Reality of Man* Terry Cassiday, Chris Martin, 2005 The *Reality of Man* presents a glimpse of the unique depth range and creative potency of Baha u llah s writings on such fundamental questions as What is a human being What is the purpose of human existence Where did we come from Is there a God What is God like Do we each have a preordained role or mission in life Is there life after death Are some religions true and others false How can one evaluate religions This compilation provides a sample of the Baha i religion s vast teachings on the nature of man and answers these questions and more *The Story of Baha'u'llah* Druzelle Cederquist, 2005 Describes Bah u ll h s life straightforwardly but with drama and a talent for evoking the ambience of the 19th century Persian and Ottomoan milieus Five appendices cover a chronology of the events in the life of Bah ull h s life Bah ull h s family the branches of Islam millennial Christians and his younger half brother M rz Yahy *The Book of Certitude*, 2003 The *Kitab i iqan* The Book of Certitude is one of the an important scriptural works in the Baha i Faith In it Baha u llah gives a sweeping overview of religious truth explaining the underlying unity of the world s religions describing the universality of the revelations humankind has received from the Prophets of God illuminating their fundamental teachings and elucidating allegorical passages from the New Testament and the Qur an that have given rise to misunderstanding among religious leaders practitioners and the public **It's Not Your Fault** Patricia Romano McGraw, 2004 This engaging and highly readable book based on the author s professional experience in treating those who suffer from the devastating effects of emotional trauma offers hope for those who suffer and those who care about them Dr McGraw describes how trauma affects the brain and therefore one s ability to carry out good advice explains the subtle and largely hidden processes of attunement and attachment that take place between parents and children examining their impact on all future relationships tells what is needed for healing to occur discusses the profound health benefits of spirituality and a relationship with God in assisting and accelerating the healing process and suggests how members of the helping professions can begin to tap the deepest most authentic parts of themselves to touch the hearts of those they seek to help **The Hidden Words** Baha'u'llah, 2002 A

collection of lyrical gem like verses of scripture that convey timeless spiritual wisdom clothed in the garment of brevity The Hidden Words is one of the most important and cherished scriptural works of the Baha i Faith Revealed by Baha u llah the founder of the religion the verses are a perfect guidebook to walking a spiritual path and drawing closer to God They address themes such as turning to God humility detachment and love to name but a few These verses are among Baha u llah s earliest and best known works having been translated into more than seventy languages and read by millions worldwide This edition will offer many readers their first introduction to the vast collection of Baha i scripture **Advancement of Women** Janet

Adrienne Khan,Peter Khan,2003 The equality of women and men is one of the basic tenets of the Baha i Faith and much is said on the subject in the Baha i writings Until now however no single volume created for a general audience has provided comprehensive coverage of the Baha i teachings on this topic and its many aspects In this broad survey husband and wife team Janet and Peter Khan address even those aspects of equality of the sexes that are usually ignored or glossed over in the existing literature **A Way Out of the Trap** Nathan Rutstein,2007 An easy to follow guide for people of all faiths who

want to reconnect with God and live more fulfilling lives A Way Out of the Trap A Ten Step Program for Spiritual Growth offers a process by which the spiritually hungry can find the faith hope and spiritual sustenance needed to break out of the trap of hopelessness Author Nathan Rutstein outlines a spiritual path that can help people of all faiths to reconnect with God The result is a practical guide to understanding the purpose of life and how to live it *Close Connections* John S.

Hatcher,2005 Close Connections will appeal to anyone interested in spirituality and its link to everyday life For more than twenty five years John Hatcher has studied the nature and purpose of physical reality by exploring the theological and philosophical implications of the authoritative Baha i texts His latest book explains how the gap between physical and spiritual reality is routinely crossed and describes the profound implications that result from the interplay of both worlds
