History of Technology Volume 29 Ian Inkster,2016-09-30 The common question from the western point of view is of the sort why did China lose its early leadership of productive technologies to Europe during the early modern period Answers to this seemingly clear enquiry vary from general cultural inwardness to the interferences of imperial governance This collection surveys such theories but alters the issue by raising the notion that Chinese technologies did not so much fail as move along a path different from that of Europe Our second collection on the Mindful Hand also shifts common ground by querying and modifying common views of the links between knowledge and technique in early modern European development Scientific or related knowledge was not brought to technique as a socio cultural gift from an educated elite to the working man Rather educated gents practitioners instrument makers craftsfolk and technicians of all kinds intermingled both socially and in terms of the recognition of technical problems as well as in the assemblage of the mental commercial and cognitive resources required to pursue innovative production projects Musical Instruments, Historic, Rare and Unique Alfred J. Hipkins,2022-09-16 In *Musical Instruments Historic Rare and Unique* Alfred J Hipkins presents an exhaustive exploration of musical devices spanning various cultures and historical periods The text is characterized by its meticulous attention to detail and an academic rigor that invites readers into the intricate world of musical craftsmanship Hipkins delves into the evolution of instruments highlighting their aesthetic cultural and historical significance thereby situating each piece not merely as a tool for music but as a relic of human expression His prose elegantly navigates the intersections of art and anthropology providing a rich literary context that elevates the discussion of musicology Alfred J Hipkins a 19th century musicologist and instrument maker was deeply influenced by the burgeoning interest in ethnomusicology and the preservation of cultural artifacts during his lifetime His background as an instrument maker endowed him with a unique perspective on the technical complexities of musical devices lending authenticity to his descriptions His passion for collecting rare musical instruments further motivated his scholarly endeavors affording him a rare insight into their historical contexts and significance This book serves as an invaluable resource for musicians historians and collectors alike offering a profound understanding of the cultural narratives embodied in musical instruments Hipkins s exhaustive research and eloquent prose invite readers to appreciate the beauty and significance of instruments beyond mere sound making it a must read for anyone

interested in the rich tapestry of music history *History of Chinese Folk Literature* Zhenduo Zheng, 2021-10-28 This book mainly addresses the position function influence and values of folk oral literature in the history of Chinese literature Divided into 14 chapters it systematically covers central aspects of folklore literature such as ballads folk songs Bianwen Zajuci Guzici Zhugongdiao Sanqu Baojuan Tanci Zidishu and so on from the Pre Qin to the late Qing Dynasties filling several gaps in literary history studies It is a comprehensive literary work and many of the materials cited here are rare and difficult to find In addition the book proposes some important theories especially six highly generalized qualities of folk literature namely that it is popular collective oral fresh effusive and innovative With detailed extensive materials and quotations the book represents the most systematic and comprehensive work to date on ancient Chinese folk literature It is mutually complementary with Guowei Wang's *A Textual Research of the Traditional Chinese Opera in the Song and Yuan Dynasties* and Xun Lu's *A Brief History of Chinese Fiction* all three works are regarded as the most essential classics for researching the history of Chinese literature
